Item 1.01 Entry into a Material Definitive Agreement.

On August 20, 2024, Arch Resources, Inc., a Delaware corporation (“Arch”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with CONSOL Energy Inc., a Delaware corporation (“CONSOL”), and Mountain Range Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of CONSOL (“Merger Sub”).

The Merger Agreement provides for the combination of Arch and CONSOL in an all-stock merger of equals transaction upon the terms and subject to the conditions set forth in the Merger Agreement. The combined company will be renamed “Core Natural Resources, Inc.” and will be headquartered in Canonsburg, Pennsylvania, with its common stock trading on the New York Stock Exchange (“NYSE”). The board of directors of each of Arch and CONSOL have unanimously approved the Merger Agreement and the transactions contemplated thereby.

The Merger. Upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Arch (the “Merger”), with Arch continuing as the surviving corporation in the Merger and a direct, wholly owned subsidiary of CONSOL. At the effective time of the Merger (the “Effective Time”), each share of Class A common stock, par value \$0.01 per share, and Class B common stock, par value \$0.01 per share, of Arch (together, “Arch Common Stock”), issued and outstanding immediately prior to the Effective Time (other than certain excluded shares) will be converted automatically into the right to receive 1.326 shares of common stock, par value \$0.01 per share, of CONSOL (“CONSOL Common Stock”) (such number of shares, the “Per-Share Merger Consideration”).

At the Effective Time, outstanding Arch restricted stock units (“RSUs”) that are vested immediately prior to the Effective Time (including RSUs that vest as a result of the Merger) will be settled in shares of CONSOL Common Stock, based on the number of shares of Arch Common Stock underlying the applicable RSU award and the Per-Share Merger Consideration, rounded to the nearest whole number of shares. The level of vesting for any Arch performance-based RSUs settled in connection with the Merger will be the greater of target level performance or Arch’s actual performance through the Effective Time.

Any outstanding Arch RSUs granted after the execution of the Merger Agreement that are not vested at the Effective Time will be converted at the Effective Time into a time-based RSU or performance-based RSU, as applicable, denominated in shares of CONSOL Common Stock, with the same terms and conditions as under the corresponding Arch RSU immediately prior to such conversion (each, a “New CONSOL RSU”). The number of shares of CONSOL Common Stock underlying the New CONSOL RSUs will be based on the number of shares of Arch Common Stock underlying the applicable Arch RSU award prior to the conversion and the Per-Share Merger Consideration, rounded to the nearest whole number of shares.

Post-Closing Governance. Arch and CONSOL have also agreed to certain governance-related matters. At the Effective Time, the combined company’s board of directors will have eight members, consisting of (a) four directors designated by Arch, which will include Paul Lang, Arch’s Chief Executive Officer, and Richard Navarre, Arch’s Chair of its board of directors, who will serve as Lead Independent Director on the combined company’s board of directors, and (b) four directors designated by CONSOL, which will include James Brock, CONSOL’s Chairman and Chief Executive Officer. In addition, at the Effective Time, Mr. Brock will be appointed to serve as the Executive Chair of the combined company’s board of directors, and Mr. Lang will be appointed to serve as the Chief Executive Officer of the combined company. The Merger Agreement further provides that, among other officer appointments, Mitesh Thakkar will be the President and Chief Financial Officer of the combined company. At the Effective Time, CONSOL will amend its bylaws in the form attached as an Annex to the Merger Agreement in order to provide, among other things, for supermajority director voting requirements in connection with the combined company’s board of directors’ ability to modify certain of the agreed-upon governance terms set forth in the Merger Agreement for a specified period of time following the Effective Time.

Closing Conditions. The closing of the Merger is subject to customary conditions, including: (i) approval by holders of Arch Common Stock of a proposal to adopt the Merger Agreement and by holders of CONSOL Common Stock of a proposal to approve the issuance of CONSOL Common Stock in the Merger and an amendment to CONSOL’s certificate of incorporation to increase the authorized shares of common stock thereunder; (ii) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) receipt of clearances, approvals and consents under certain applicable foreign regulatory laws; (iv) the effectiveness of a registration statement on Form S-4 that will be filed by CONSOL for the issuance of the shares of CONSOL Common Stock; (v) the authorization of the listing of the shares of CONSOL Common Stock on the NYSE to be issued in the Merger, subject only to official notice of issuance; and (vi) the representations and warranties of Arch and CONSOL being true and correct (subject to certain qualifications). The obligation of Arch to consummate the Merger is further conditioned upon the receipt of a customary tax opinion of counsel to Arch that the Merger should qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

Representations, Warranties and Covenants. The Merger Agreement contains customary representations and warranties of Arch and CONSOL relating to their respective businesses, financial statements and public filings, among other matters, in each case generally subject to customary qualifications. Additionally, the Merger Agreement provides for customary pre-closing covenants of each of Arch and CONSOL, including (i) to conduct its business in the ordinary course (subject to certain exceptions); (ii) to cooperate with respect to seeking regulatory approvals subject to specified limitations; (iii) to hold a meeting of its stockholders to obtain the requisite stockholder approvals contemplated by the Merger Agreement, as applicable; (iv) not to solicit proposals relating to alternative business combination transactions; and (v) subject to certain exceptions, not to enter into any discussion concerning, or provide confidential information in connection with, alternative business combination transactions.

Termination. The Merger Agreement contains provisions granting each of Arch and CONSOL the right to terminate the Merger Agreement under specified circumstances, including: (i) if the Merger is not completed by August 20, 2025 (which date may be extended to November 20, 2025 in certain circumstances); (ii) if either CONSOL's or Arch's stockholders fail to approve a required proposal in connection with the Merger; (iii) if a final nonappealable governmental order has been issued prohibiting the Merger; (iv) if the other party has breached its representations, warranties or covenants in the Merger Agreement, subject to certain conditions; or (v) if the other party's board of directors has changed its recommendation in connection with the Merger. In the event of a termination of the Merger Agreement under certain specified circumstances, Arch or CONSOL, as applicable, would be required to pay the other party a termination fee equal to \$82.0 million. In addition, if the Merger Agreement is terminated due to a failure of CONSOL's stockholders or Arch's stockholders to approve the applicable proposals, CONSOL or Arch, as applicable, will be required to reimburse the other party for its expenses incurred in connection with the transaction in an amount not to exceed \$23.5 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and which is incorporated by reference herein.

The Merger Agreement has been included to provide security holders and investors with information regarding its terms. It is not intended to provide any other factual information about CONSOL, Arch or any other person. The representations, warranties and covenants contained in the Merger Agreement were made solely for purposes of the Merger Agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders. Security holders and investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Arch or CONSOL. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in CONSOL's or Arch's public disclosures.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 20, 2024, Mr. Lang entered into a Waiver, Acknowledgment and Amendment, a copy of which is attached hereto as Exhibit 10.1 and which is incorporated by reference herein, pursuant to which (i) the Change in Control Agreement between Arch and Mr. Lang (the "Lang Agreement") will be deemed amended to reflect Mr. Lang's new role as Chief Executive Officer of the combined company, reporting to the Executive Chair and serving in this role at the combined company's headquarters in Pittsburgh, Pennsylvania, following the Effective Time and (ii) Mr. Lang agrees that any change in his duties upon completion of the Merger will not constitute "Good Reason" for purposes of and as defined in the Lang Agreement, nor will his relocation to the Pittsburgh headquarters.

Item 8.01 Other Events.

On August 21, 2024, Arch and CONSOL issued a joint press release announcing that they had entered into the Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

AND MERGER SUB; EXCHANGE

3.1 Effect of the Merger on Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or any holder of any securities of Parent, Merger Sub or the Company:

(a) Capital Stock of Merger Sub. Each share of capital stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and shall represent one fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation, which shall constitute the only outstanding shares of common stock of the Surviving Corporation immediately following the Effective Time.

(b) Capital Stock of the Company.

(i) Subject to the other provisions of this Article III, each share of Class A common stock, par value \$0.01 per share of the Company (the "Company Class A Common Stock"), and Class B common stock, par value \$0.01 per share of the Company (the "Company Class B Common Stock"), and together with the Company Class A Common Stock, "Company Common Stock"), issued and outstanding immediately prior to the Effective Time (excluding any Excluded Shares or Converted Shares (collectively, the "Eligible Shares")) shall be converted into the right to receive from Parent that number of fully paid and nonassessable shares of Parent Common Stock equal to the Exchange Ratio (the "Merger Consideration"). As used in this Agreement, "Exchange Ratio" means 1.326.

(ii) All such Eligible Shares, when so converted pursuant to [Section 3.1\(b\)\(i\)](#), shall cease to be outstanding and shall automatically be cancelled and cease to exist. Each holder of a share of Company Common Stock that was outstanding immediately prior to the Effective Time (other than Excluded Shares and Converted Shares) shall cease to have any rights with respect thereto, except the right to receive (A) the Merger Consideration, (B) any dividends or other distributions in accordance with [Section 3.3\(g\)](#) and (C) any cash to be paid in lieu of any fractional shares of Parent Common Stock in accordance with [Section 3.3\(h\)](#), in each case to be issued or paid in consideration therefor upon the exchange of any Certificates or Book-Entry Shares, as applicable, in accordance with [Section 3.3\(a\)](#).

(iii) All shares of Company Common Stock held by the Company as treasury shares or by Parent or Merger Sub immediately prior to the Effective Time and, in each case, not held on behalf of third parties (collectively, "[Excluded Shares](#)"), shall automatically be cancelled and cease to exist as of the Effective Time, and no consideration shall be delivered in exchange therefor. Each share of Company Common Stock that is owned by any direct or indirect Subsidiary of the Company or Parent (other than Merger Sub) ("[Converted Shares](#)") shall automatically be converted into a number of fully paid and nonassessable shares of Parent Common Stock equal to the Exchange Ratio (subject to adjustment in accordance with [Section 3.1\(c\)](#)).

(c) [Impact of Stock Splits, Etc.](#) Without limiting the Parties' respective obligations under [Section 6.1](#) and [Section 6.2](#), in the event of any change in (i) the number or class of Eligible Shares, or securities convertible or exchangeable into or exercisable for Eligible Shares, or (ii) the number or class of shares of Parent Common Stock, or securities convertible or exchangeable into or exercisable for shares of Parent Common Stock (including options to purchase Parent Common Stock), in each case issued and outstanding after the entry into this Agreement and prior to the Effective Time by reason of any stock split, reverse stock split, stock dividend, subdivision, reclassification, recapitalization, combination, exchange of shares or the like, the Exchange Ratio and the Merger Consideration shall be equitably adjusted to reflect the effect of such change and, as so adjusted, shall from and after the date of such event, be the Exchange Ratio and the Merger Consideration, subject to further adjustment in accordance with this [Section 3.1\(c\)](#). Nothing in this [Section 3.1\(c\)](#) shall be construed to permit the Parties to take any action except to the extent consistent with, and not otherwise prohibited by, the terms of this Agreement.

3.2 [Treatment of Equity Compensation Awards.](#)

(a) [Company RSU Awards.](#) Effective as of the Effective Time (i) except as provided in [Section 3.2\(a\)\(ii\)](#), each Company RSU Award that is outstanding immediately prior to the Effective Time (and any related cash dividend equivalents) shall, by virtue of the Merger and without any action on the part of the holder thereof, fully vest, be cancelled and automatically converted into the right to receive, within five Business Days following the Effective Time, (A) a number of newly issued shares of Parent Common Stock equal to the product (rounded to the nearest whole number) of (x) the number of shares of Company Common Stock subject to such Company RSU Award as of immediately prior to the Effective Time (whether vested or unvested), *multiplied by* (y) the Exchange Ratio; provided, however, that Parent shall withhold the number of shares of Parent Common Stock as reasonably determined by Parent to satisfy any tax withholding obligations associated with the settlement of such Company RSU Award (with any fractional shares of Parent Common Stock treated in accordance with [Section 3.3\(h\)](#) of this Agreement), and (B) payment in cash of any accrued and unpaid dividend equivalents related to such Company RSU Award (as determined immediately prior to the Effective Time), less applicable withholdings, and (ii) effective as of the Effective Time, each Company RSU Award that is granted after the execution of this Agreement and outstanding and unvested immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into a restricted stock unit award corresponding to a number of shares of Parent Common Stock (each, a "[Parent RSU Award](#)") (rounded to the nearest whole number of shares) equal to the product of (x) the number of shares of Company Common Stock subject to such Company RSU Award as of immediately prior to the Effective Time (whether vested or unvested), *multiplied by* (y) the Exchange Ratio. Each Parent RSU Award shall have the same terms and conditions as the corresponding Company RSU Award had immediately prior to the Effective Time.

(b) Company PSU Awards. Effective as of the Effective Time (i) except as provided in Section 3.2(b)(ii), each Company PSU Award that is outstanding as of immediately prior to the Effective Time (and any related cash dividend equivalents) shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into the right to receive, within five Business Days following the Effective Time, (A) a number of newly issued shares of Parent Common Stock equal to the product (rounded to the nearest whole number) of (I) the number of shares of Company Common Stock subject to such Company PSU Award as of immediately prior to the Effective Time equal to the greater of (x) 100% of the target number of shares of Company Common Stock subject to the Company PSU Award and (y) the number of shares of Company Common Stock subject to the portion of the Company PSU Award that would have vested as of the Effective Time based on actual achievement of the performance goals related to such Company PSU Award as of the Effective Time (as applicable, the "Vested PSU Award"), multiplied by (II) the Exchange Ratio; provided, however, that Parent shall withhold the number of shares of Parent Common Stock as reasonably determined by Parent to satisfy any tax withholding obligations associated with the settlement of such Company PSU Award (with any fractional shares of Parent Common Stock treated in accordance with Section 3.3(h) of this Agreement), and (B) payment in cash of any dividend equivalents related to the Vested PSU Award (as determined immediately prior to the Effective Time), less applicable withholdings, and (ii) each Company PSU Award that is granted after the execution of this Agreement and is outstanding as of immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into a Parent RSU Award (rounded to the nearest whole number of shares) equal to the product obtained by multiplying (x) the target number of shares of Company Common Stock subject to such Company PSU Award by (y) the Exchange Ratio. Each Parent RSU Award shall have the same terms and conditions as the corresponding Company PSU Award had immediately prior to the Effective Time except that vesting of the award will be subject only to continuous service, and any performance-based objectives shall cease to apply.

(c) Company Equity Plan. As of the Effective Time, Parent shall assume the Company Equity Plan with the number of shares reserved and remaining for issuance under such Company Equity Plan adjusted to a number of shares of Parent Common Stock determined by multiplying the number of shares of Company Common Stock reserved and remaining for issuance under such Company Equity Plan immediately prior to the Effective Time by the Exchange Ratio, rounded down to the nearest whole share.

(d) Administration. Prior to the Effective Time, the Company Board or the Compensation Committee of the Company Board shall adopt such resolutions as are required to effectuate the treatment of the Company RSU Awards and the Company PSU Awards pursuant to the terms of this Section 3.2.

3.3 Payment for Securities; Exchange

(a) Exchange Agent; Exchange Fund. Prior to the Effective Time, Parent shall enter into, or cause Merger Sub to enter into, an agreement with Parent's or the Company's transfer agent, or another firm reasonably acceptable to the Company and Parent, to act as agent for the holders of Eligible Shares (the "Exchange Agent") and to receive the Merger Consideration and to make payments in respect of any dividends or other distributions with respect to Parent Common Stock pursuant to Section 3.3(g) and in lieu of fractional shares pursuant to Section 3.3(h), in each case to which such holders shall become entitled pursuant to this Article III. Prior to the filing of the Certificate of Merger, Parent shall deposit, or cause to be deposited, with the Exchange Agent, for the benefit of the holders of Eligible Shares, for distribution in accordance with this Article III through the Exchange Agent a number of shares of Parent Common Stock constituting at least the amount necessary to satisfy the payment of the Merger Consideration to the holders of Eligible Shares pursuant to this Article III. Parent agrees to make available to the Exchange Agent, from time to time as needed, cash in immediately available funds in an amount sufficient to pay any dividends or other distributions pursuant to Section 3.3(g). The Exchange Agent shall, pursuant to irrevocable instructions, deliver the Merger Consideration contemplated to be issued in exchange for Eligible Shares pursuant to this Agreement out of the Exchange Fund to the holders of Eligible Shares (after taking into account all Eligible Shares then held by such holder). Except as contemplated by this Section 3.3(a) and Sections 3.3(g) and 3.3(h), the Exchange Fund shall not be used for any other purpose. Any cash and shares of Parent Common Stock deposited with the Exchange Agent (including as payment for fractional shares in accordance with Section 3.3(h)) and any dividends or other distributions in accordance with Section 3.3(g) shall hereinafter be referred to as the "Exchange Fund." Parent or the Surviving Corporation shall pay all charges and expenses, including those of the Exchange Agent, in connection with the exchange of Eligible Shares pursuant to this Agreement. The cash portion of the Exchange Fund may be invested by the Exchange Agent as reasonably directed by Parent; provided, that any investment of such cash shall be limited to direct short-term obligations of, or short-term obligations fully guaranteed as to principal and interest by, the U.S. government; provided further, that no such investment or loss thereon shall affect the amounts payable to holders of Eligible Shares pursuant to this Article III, and following any losses from any such investment, Parent shall reasonably promptly deposit (or cause to be deposited) additional cash in immediately available funds to the Exchange Agent for the benefit of the holders of Eligible Shares at the Effective Time in the amount of such losses, which additional cash will be deemed to be part of the Exchange Fund. Any interest or other income resulting from investment of the cash portion of the Exchange Fund shall, at the discretion of Parent, become part of the Exchange Fund, and any amounts in excess of the amounts payable under this Agreement shall be promptly returned to Parent or the Surviving Corporation.

(b) Payment Procedures.

(i) Certificates. As soon as reasonably practicable after the Effective Time, Parent shall cause the Exchange Agent to deliver to each record holder, as of immediately prior to the Effective Time, of an outstanding certificate or certificates that immediately prior to the Effective Time represented Eligible Shares ("Certificates"), a notice advising such holders of the effectiveness of the Merger and a letter of transmittal ("Letter of Transmittal") (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of Certificates for payment of the Merger Consideration, which Letter of Transmittal and instructions shall be in a customary form and agreed to by Parent and the Company prior to the Closing. Upon surrender to the Exchange Agent of a Certificate, together with the Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other customary documents as may be reasonably required by the Exchange Agent or Parent, the holder of such Certificate shall be entitled to receive in exchange therefor (A) one or more shares of Parent Common Stock (which shall be in uncertificated book-entry form) representing, in the aggregate, the whole number of shares of Parent Common Stock, if any, that such holder has the right to receive pursuant to Section 3.1 (after taking into account all shares of Company Common Stock then held by such holder), and (B) a check in the amount equal to the cash payable in lieu of any fractional shares of Parent Common Stock pursuant to Section 3.3(h) and dividends and other distributions pursuant to Section 3.3(g).

(ii) Non-DTC Book-Entry Shares. As soon as reasonably practicable after the Effective Time, Parent shall cause the Exchange Agent to deliver to each record holder, as of immediately prior to the Effective Time, of Eligible Shares represented by book-entry ("Book-Entry Shares") not held through DTC, (A) a notice advising such holders of the effectiveness of the Merger, (B) a statement reflecting the number of shares of Parent Common Stock (which shall be in uncertificated book-entry form) representing, in the aggregate, the whole number of shares of Parent Common Stock that such holder has the right to receive pursuant to Section 3.1 (after taking into account all shares of Company Common Stock then held by such holder) and (C) a check in the amount equal to the cash payable in lieu of any fractional shares of Parent Common Stock pursuant to Section 3.3(h) and dividends and other distributions pursuant to Section 3.3(g).

(iii) DTC Book-Entry Shares. With respect to Book-Entry Shares held through DTC, Parent and the Company shall cooperate to establish procedures with the Exchange Agent and DTC to ensure that the Exchange Agent will transmit to DTC or its nominees as soon as reasonably practicable on or after the Closing Date, upon surrender of Eligible Shares held of record by DTC or its nominees in accordance with DTC's customary surrender procedures, the Merger Consideration, cash in lieu of fractional shares of Parent Common Stock, if any, and any dividends or other distributions, in each case, that DTC has the right to receive pursuant to this Article III.

(iv) No interest shall be paid or accrued on any amount payable for Eligible Shares pursuant to this Article III.

(v) With respect to Certificates, if payment of the Merger Consideration (including any dividends or other distributions with respect to Parent Common Stock pursuant to Section 3.3(g) and any cash in lieu of fractional shares of Parent Common Stock pursuant to Section 3.3(h)) is to be made to a Person other than the record holder of such Eligible Shares, it shall be a condition of payment that shares so surrendered shall be properly endorsed or shall be otherwise in proper form for transfer and that the Person requesting such payment shall have paid any transfer and other similar Taxes required by reason of the payment of the Merger Consideration (including any dividends or other distributions with respect to Parent Common Stock pursuant to Section 3.3(g) and any cash in lieu of fractional shares of Parent Common Stock pursuant to Section 3.3(h)) to a Person other than the registered holder of such shares surrendered, or shall have established to the reasonable satisfaction of Parent that such Taxes either have been paid or are not applicable. With respect to Book-Entry Shares, payment of the Merger Consideration (including any dividends or other distributions with respect to Parent Common Stock pursuant to Section 3.3(g) and any cash in lieu of fractional shares of Parent Common Stock pursuant to Section 3.3(h)) shall only be made to the Person in whose name such Book-Entry Shares are registered in the stock transfer books of the Company as of the Effective Time. Until surrendered as contemplated by this Section 3.3(h)(v), each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration payable in respect of such shares of Company Common Stock, cash in lieu of any fractional shares of Parent Common Stock to which such holder is entitled pursuant to Section 3.3(h) and any dividends or other distributions to which such holder is entitled pursuant to Section 3.3(g).

(c) Termination of Rights. All Merger Consideration (including any dividends or other distributions with respect to Parent Common Stock pursuant to Section 3.3(g) and any cash in lieu of fractional shares of Parent Common Stock pursuant to Section 3.3(h)) paid upon the surrender of and in exchange for Eligible Shares, in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to such Company Common Stock. At the Effective Time, the stock transfer books of the Surviving Corporation shall be closed immediately, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates or Book-Entry Shares are presented to the Surviving Corporation for any reason, they shall be cancelled and exchanged for the Merger Consideration payable in respect of the Eligible Shares previously represented by such Certificates or Book-Entry Shares (other than Certificates or Book-Entry Shares evidencing Excluded Shares or Converted Shares), any cash in lieu of fractional shares of Parent Common Stock to which the holders thereof are entitled pursuant to Section 3.3(h) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 3.3(g), without any interest thereon.

(d) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the former stockholders of the Company on the twelve (12)-month anniversary of the Closing Date shall be delivered to Parent, upon demand, and any former common stockholders of the Company who have not theretofore received the Merger Consideration, any cash in lieu of fractional shares of Parent Common Stock to which they are entitled pursuant to Section 3.3(h) and any dividends or other distributions with respect to Parent Common Stock to which they are entitled pursuant to Section 3.3(g), in each case without interest thereon, to which they are entitled under this Article III shall thereafter look only to the Surviving Corporation and Parent (subject to applicable abandoned property, escheat or similar Laws) for payment of their claim for such amounts.

(e) No Liability. None of the Surviving Corporation, Parent, Merger Sub or the Exchange Agent shall be liable to any holder of Company Common Stock for any amount of Merger Consideration properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate or Book-Entry Share has not been surrendered prior to the time that is immediately prior to the time at which Merger Consideration, in respect of such Certificate or Book-Entry Share, would otherwise escheat to or become the property of any Governmental Entity, any such shares, cash, dividends or distributions in respect of such Certificate or Book-Entry Share shall, to the extent permitted by applicable Law, become the property of Parent, free and clear of all claims or interest of any Person previously entitled thereto.

(f) Lost, Stolen, or Destroyed Certificates. If any Certificate (other than a Certificate evidencing Excluded Shares or Converted Shares) shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed (in form and substance reasonably satisfactory to the Surviving Corporation and the Exchange Agent) and, if reasonably required by the Surviving Corporation, the posting by such Person of a bond in such customary amount as the Surviving Corporation may direct as is reasonably necessary as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration payable in respect of the shares of Company Common Stock, any cash in lieu of fractional shares of Parent Common Stock to which the holders thereof are entitled pursuant to Section 3.3(h) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 3.3(g).

(g) Distributions with Respect to Unexchanged Shares of Parent Common Stock. No dividends or other distributions declared or made with respect to shares of Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Shares with respect to the whole shares of Parent Common Stock that such holder would be entitled to receive upon surrender of such Certificate or Book-Entry Shares and no cash payment in lieu of fractional shares of Parent Common Stock shall be paid to any such holder, in each case until such holder shall surrender such Certificate or Book-Entry Shares in accordance with this Section 3.3. Following surrender of any such Certificate or Book-Entry Shares, there shall be paid to such holder of whole shares of Parent Common Stock issuable in exchange therefor, without interest, (i) promptly after the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Parent Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but with a subsequent payment date with respect to such whole shares of Parent Common Stock. For purposes of dividends or other distributions in respect of shares of Parent Common Stock, all whole shares of Parent Common Stock to be issued pursuant to the Merger shall be entitled to dividends pursuant to the immediately preceding sentence as if such whole shares of Parent Common Stock were issued and outstanding as of the Effective Time.

(h) No Fractional Shares of Parent Common Stock. No certificates or scrip or shares representing fractional shares of Parent Common Stock shall be issued upon the exchange of Eligible Shares and such fractional share interests will not entitle the owner thereof to vote or to have any rights of a stockholder of Parent or a holder of shares of Parent Common Stock. Notwithstanding any other provision of this Agreement, each holder of Eligible Shares exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Parent Common Stock (after taking into account all Certificates and Book-Entry Shares held by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) the aggregate net cash proceeds as determined below and (ii) a fraction, the numerator of which is such fractional part of a share of Parent Common Stock, and the denominator of which is the number of shares of Parent Common Stock constituting a portion of the Exchange Fund as represents the aggregate of all fractional entitlements of all holders of Company Common Stock. As promptly as possible following the Effective Time, the Exchange Agent shall sell at then prevailing prices of the NYSE such number of shares of Parent Common Stock constituting a portion of the Exchange Fund as represents the aggregate of all fractional entitlements of all holders of Company Common Stock, with the cash proceeds (net of all commissions, transfer Taxes and other out-of-pocket costs and expenses of the Exchange Agent incurred in connection with such sales) of such sales to be used by the Exchange Agent to fund the foregoing payments in lieu of fractional shares.

(i) Withholding Taxes. Notwithstanding anything in this Agreement to the contrary, Parent, the Company, Merger Sub, the Surviving Corporation and the Exchange Agent shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement any amount required to be deducted and withheld with respect to the making of such payment under applicable Law and shall pay the amount deducted or withheld to the appropriate Taxing Authority in accordance with applicable Law. Parent, the Company, Merger Sub, the Surviving Corporation and the Exchange Agent, as the case may be, shall cooperate in good faith to minimize any such deduction or withholding. To the extent such amounts are so deducted or withheld and paid over to the appropriate Taxing Authority by Parent, the Company, Merger Sub, the Surviving Corporation or the Exchange Agent, as the case may be, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made.

3.4 No Appraisal Rights. In accordance with the DGCL, no appraisal rights shall be available with respect to the Transactions.

**ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF THE COMPANY**

Except as set forth in the disclosure letter dated as of the date of this Agreement and delivered by the Company to Parent and Merger Sub on or prior to the entry into this Agreement (the "Company Disclosure Letter") and except as disclosed in the Company SEC Documents (including all exhibits and schedules thereto and documents incorporated by reference in such Company SEC Documents) filed with or furnished to the SEC and publicly available on EDGAR since December 31, 2021 and at least one Business Day prior to the date of this Agreement (without giving effect to any amendment to any such Company SEC Document filed on or after the date that is one Business Day prior to the date hereof) (excluding any disclosures set forth or referenced in any risk factor section or in any other section, in each case, to the extent they are forward-looking statements or cautionary, predictive, non-specific or forward-looking in nature), the Company represents and warrants to Parent and Merger Sub as follows:

4.1 Organization, Standing and Power. Each of the Company and its Subsidiaries is a corporation, partnership or limited liability company duly organized, as the case may be, validly existing and in good standing under the Laws of its jurisdiction of incorporation or organization, with all requisite entity power and authority to own, lease and operate its assets and properties and to carry on its business as now being conducted, other than, in the case of the Company's Subsidiaries, where the failure to be so organized or to have such power, authority or standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Company and its Subsidiaries, taken as a whole (a "Company Material Adverse Effect"). Each of the Company and its Subsidiaries is duly authorized, qualified or licensed and in good standing to do business in each jurisdiction in which the business it is conducting, or the operation, ownership or leasing of its assets and properties, makes such qualification or license necessary, other than where the failure to so qualify, license or be in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. All outstanding shares of capital stock or other equity interests of the Subsidiaries of the Company are owned by the Company, or a direct or indirect wholly owned Subsidiary of the Company, are free and clear of all Encumbrances and have been duly authorized, validly issued, fully paid and nonassessable. There are no stockholder agreements, voting trusts or other agreements to which the Company or any of its Subsidiaries is a party or by which it is bound relating to the voting of any shares of capital stock or other equity interest of the Company or any of its Subsidiaries. No Subsidiary of the Company owns any shares of the Company Capital Stock.

(c) [Schedule 4.2\(c\)](#) of the Company Disclosure Letter sets forth a list of each Subsidiary of the Company that constitutes a "significant subsidiary" of the Company as defined in Rule 1-02(w) of Regulation S-X promulgated by the SEC as of the entry into this Agreement, including its outstanding equity interests and the owners thereof. 4.3 Authority; No Violations; Consents and Approvals.

(a) The Company has all requisite corporate power and authority to execute and deliver this Agreement and to perform its obligations under this Agreement. The execution and delivery of this Agreement by the Company and the consummation by the Company of the Transactions have been duly authorized by all necessary corporate action on the part of the Company, subject, only with respect to consummation of the Merger, to the Company Stockholder Approval. This Agreement has been duly executed and delivered by the Company and, assuming the due and valid execution of this Agreement by Parent and Merger Sub, constitutes a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject, as to enforceability, to bankruptcy, insolvency, reorganization, moratorium and other Laws of general applicability relating to or affecting creditors' rights and to general principles of equity regardless of whether such enforceability is considered in a Proceeding in equity or at law (collectively, "Creditors' Rights"). (b) Except as set forth on Schedule 4.3(b) of the Company Disclosure Letter, the execution, delivery and performance of this Agreement does not, and the consummation of the Transactions will not (with or without notice or lapse of time, or both) (i) contravene, conflict with or result in a violation of any provision of the Organizational Documents of the Company (assuming that the Company Stockholder Approval is obtained) or any of its Subsidiaries, (ii) result in a violation of, a termination (or right of termination) or cancellation of, or default under, the creation or acceleration of any obligation or the loss or reduction of a benefit under, or result in the creation of any Encumbrance upon any of the properties or assets of the Company or any of its Subsidiaries under, any provision of any loan or credit agreement, note, bond, mortgage, indenture, Company Contract, Company Permit, franchise or license to which the Company or any of its Subsidiaries is a party or by which it or any of its Subsidiaries or its or their respective properties or assets are bound, (iii) assuming the Consents referred to in Section 4.4 are duly and timely obtained or made and the Company Stockholder Approval has been obtained, contravene, conflict with or result in a violation of any Law applicable to the Company or any of its Subsidiaries or any of their respective properties or assets or (iv) result in the creation of any Encumbrance on any of the assets or property of the Company or any of its Subsidiaries, other than, in the case of clauses (ii), (iii) or (iv), any such contraventions, conflicts, violations, defaults, acceleration, losses or Encumbrances that have not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay the consummation of the Transactions. Except for this Agreement, the Company is not party to any contract, arrangement or other commitment that does, would or would reasonably be expected to entitle any Person to appoint one or more directors to the Company Board.

4.4 Consents. No Consent from any Governmental Entity is required to be obtained or made by the Company or any of its Subsidiaries in connection with the execution, delivery and performance of this Agreement by the Company or the consummation by the Company of the Transactions, except for: (a) compliance with any applicable requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder (the “HSR Act”) and any other applicable Regulatory Law; (b) the filing with the SEC of (i) a joint proxy statement in preliminary and definitive form (the “Joint Proxy Statement”) relating to the meeting of the stockholders of the Company to consider the adoption of this Agreement (including any postponement, adjournment or recess thereof, the “Company Stockholders Meeting”) and the Parent Stockholders Meeting and (ii) such reports under Section 13(a) of the Exchange Act, and such other compliance with the Exchange Act and the rules and regulations thereunder, as may be required in connection with this Agreement and the Transactions; (c) the filing of the Certificate of Merger with the Office of the Secretary of State of the State of Delaware; (d) filings with the NYSE; (e) such filings and approvals as may be required by any applicable state securities or “blue sky” Laws or Takeover Laws; and (f) any such Consent that the failure to obtain or make has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay the consummation of the Transactions.

4.5 SEC Documents: Financial Statements.

(a) Since December 31, 2021 (the “Applicable Date”), the Company has filed or furnished with the SEC, on a timely basis, all forms, reports, certifications, exhibits, schedules, statements and documents (and all amendments and supplements thereto) required to be filed or furnished under the Securities Act or the Exchange Act, respectively (such forms, reports, certifications, exhibits, schedules, statements and documents, collectively, the “Company SEC Documents”). As of their respective dates, each of the Company SEC Documents, as amended or supplemented, complied, or if not yet filed or furnished, will comply as to form, in each case in all material respects, with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations of the SEC thereunder applicable to such Company SEC Documents. Such disclosure controls and procedures are effective in providing reasonable assurance that all information required to be disclosed in any Company SEC Documents is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and further designed and maintained to provide reasonable assurance regarding the reliability of the Company’s financial reporting and the preparation of the Company financial statements for external purposes in accordance with GAAP. **ARTICLE V
REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB**

Except as set forth in the disclosure letter dated as of the date of this Agreement and delivered by Parent and Merger Sub to the Company on or prior to the entry into this Agreement (the “Parent Disclosure Letter”) and except as disclosed in the Parent SEC Documents (including all exhibits and schedules thereto and documents incorporated by reference in such Parent SEC Documents) filed with or furnished to the SEC and publicly available on EDGAR since December 31, 2021 and at least one Business Day prior to the date of this Agreement (without giving effect to any amendment to any such Parent SEC Document filed on or after the date that is one Business Day prior to the date hereof) (excluding any disclosures set forth or referenced in any risk factor section or in any other section, in each case, to the extent they are forward-looking statements or cautionary, predictive, non-specific or forward-looking in nature), Parent and Merger Sub jointly and severally represent and warrant to the Company as follows:

5.1 Organization, Standing and Power. Each of Parent and its Subsidiaries is a corporation, limited partnership or limited liability company duly organized, as the case may be, validly existing and in good standing under the Laws of its jurisdiction of incorporation or organization, with all requisite entity power and authority to own, lease and operate its assets and properties and to carry on its business as now being conducted, other than, in the case of Parent’s Subsidiaries, where the failure to be so organized or to have such power, authority or standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Parent and its Subsidiaries, taken as a whole (a “Parent Material Adverse Effect”). At the close of business on August 14, 2024: (A) 29,393,226 shares of Parent Common Stock were issued and outstanding and no shares of Parent Preferred Stock were issued and outstanding; (B) 324,478 shares of Parent Common Stock were reserved for issuance upon the vesting of outstanding Parent restricted stock units; (C) 115,228 shares of Parent Common Stock were reserved for issuance upon the vesting of outstanding Parent performance share units, assuming maximum performance; and (D) 2,592,015 shares of Parent Common Stock remained available for issuance pursuant to Parent's Omnibus Performance Incentive Plan, as amended from time to time, and prior plans (the "Parent Equity Plan"). In addition, at the close of business on August 14, 2024, Parent had reserved 215,584 shares of Parent Common Stock to be issued in connection with the vesting of outstanding Parent performance-based cash-settled restricted stock units, assuming maximum performance. These 215,584 shares of Parent Common Stock will not be issued on vesting of the outstanding Parent performance-based cash-settled restricted stock units because the units will be settled solely in cash as required under the terms of the award agreements.

(b) All outstanding shares of Parent Common Stock have been duly authorized and are validly issued, fully paid and nonassessable and are not subject to preemptive rights. The Parent Common Stock to be issued pursuant to this Agreement, when issued, will be validly issued, fully paid and nonassessable and not subject to preemptive or similar rights. The Parent Common Stock to be issued pursuant to this Agreement, when issued, will be issued in compliance in all material respects with (i) applicable securities Laws and other applicable Law and (ii) all requirements set forth in applicable contracts. As of the close of business on August 14, 2024, except as set forth in this Section 5.2, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from Parent or any of its Subsidiaries any Parent Capital Stock or securities convertible into or exchangeable or exercisable for or valued by reference to Parent Capital Stock (and the exercise, conversion, purchase, exchange or other similar price thereof). All outstanding shares of capital stock or other equity interests of the Subsidiaries of Parent are owned by Parent, or a direct or indirect wholly owned Subsidiary of Parent, are free and clear of all Encumbrances and have been duly authorized, validly issued, fully paid and nonassessable. Except as set forth in this Section 5.2, and except for changes since August 14, 2024 resulting from (x) stock grants or other awards granted, repurchased or redeemed in accordance with Section 6.2(b)(ii) in each case following the entry into this Agreement or (y) the exercise of stock options (and the issuance of shares thereunder) or the vesting and settlement of equity awards, in each case outstanding as of such date, there are outstanding: (A) no shares of Parent Capital Stock, Voting Debt or other voting securities of Parent; (B) no securities of Parent or any Subsidiary of Parent convertible into or exchangeable or exercisable for or valued by reference to shares of Parent Capital Stock, Voting Debt or other voting securities of Parent; and (C) no options, warrants, subscriptions, calls, rights (including preemptive and appreciation rights), commitments or agreements to which Parent or any Subsidiary of Parent is a party or by which it is bound in any case obligating Parent or any Subsidiary of Parent to issue, deliver, sell, purchase, redeem or acquire, or cause to be issued, delivered, sold, purchased, redeemed or acquired, additional shares of Parent Capital Stock or any Voting Debt or other voting securities of Parent or any of its Subsidiaries, or obligating Parent or any Subsidiary of Parent to grant, extend or enter into any such option, warrant, subscription, call, right, commitment or agreement. There are no dividends or distributions that have been declared by Parent with respect to the Parent Common Stock that have not been paid by Parent. There are no stockholder agreements, voting trusts or other agreements to which Parent or any of its Subsidiaries is a party or by which it is bound relating to the voting of any shares of capital stock or other equity interest of Parent or any of its Subsidiaries. No Subsidiary of Parent owns any shares of Parent Capital Stock. As of the entry into this Agreement, the authorized capital stock of Merger Sub consists of 1,000 shares of common stock, par value \$0.01 per share, all of which shares are validly issued, fully paid and nonassessable and are owned by Parent.

(c) Schedule 5.2(c) of the Parent Disclosure Letter sets forth a list of each Subsidiary of Parent that constitutes a “significant subsidiary” of Parent as defined in Rule 1-02(w) of Regulation S-X promulgated by the SEC as of the entry into this Agreement, including its outstanding equity interests and the owners thereof. As of the entry into this Agreement, neither Parent nor any of its Subsidiaries has any (i) interests in a material joint venture or, directly or indirectly, equity securities or other similar equity interests in any Person other than its Subsidiaries or (ii) obligations, whether contingent or otherwise, to consummate any material additional investment in any Person other than its Subsidiaries and its joint ventures listed on Schedule 5.2(c) of the Parent Disclosure Letter.

5.3 Authority; No Violations; Consents and Approvals.

(a) Each of Parent and Merger Sub has all requisite corporate power and authority to execute and deliver this Agreement and to perform its obligations under this Agreement. The execution and delivery of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the Transactions have been duly authorized by all necessary corporate action on the part of each of Parent (subject to obtaining the Parent Stockholder Approval) and Merger Sub (provided that Parent, as sole stockholder of Merger Sub, duly executed and delivered a written consent approving and adopting this Agreement in accordance with Sections 228 and 251(c) of the DGCL, which by its terms will be effective immediately following the execution of this Agreement, and, when effective, will constitute the only approval of Merger Sub stockholders necessary to adopt this Agreement). This Agreement has been duly executed and delivered by each of Parent and Merger Sub, and, assuming the due and valid execution of this Agreement by the Company, constitutes a valid and binding obligation of each of Parent and Merger Sub enforceable against Parent and Merger Sub in accordance with its terms, subject as to enforceability to Creditors’ Rights. The Parent Board, at a meeting duly called and held, has unanimously (i) determined that this Agreement and the Transactions, including the Parent Stock Issuance and the Parent Charter Amendment, are fair to, and in the best interests of, Parent and holders of Parent Common Stock, (ii) approved and declared advisable this Agreement and the Transactions, including the Parent Stock Issuance and the Parent Charter Amendment and (iii) resolved to recommend that the holders of Parent Common Stock approve the Parent Stock Issuance and the Parent Charter Amendment (such recommendation described in this clause (iii), the “Parent Board Recommendation”). The Merger Sub Board has unanimously (A) determined that this Agreement and the Transactions, including the Merger, are fair to, and in the best interests of, Merger Sub and the sole stockholder of Merger Sub, and (B) approved and declared advisable this Agreement and the Transactions, including the Merger. Parent, as the owner of all of the outstanding shares of capital stock of Merger Sub, will immediately after the execution and delivery of this Agreement adopt this Agreement in its capacity as sole stockholder of Merger Sub. The Parent Stockholder Approval is the only vote of the holders of any class or series of the Parent Capital Stock necessary to approve the Parent Stock Issuance or the Parent Charter Amendment.

(b) Except as set forth on Schedule 5.3(b) of the Parent Disclosure Letter, the execution, delivery and performance of this Agreement does not, and the consummation of the Transactions will not (with or without notice or lapse of time, or both) (i) contravene, conflict with or result in a violation of any provision of the Organizational Documents of Parent (assuming that the Parent Stockholder Approval is obtained) or any of its Subsidiaries, (ii) with or without notice, lapse of time or both, result in a violation of, a termination (or right of termination) or cancellation of, or default under, the creation or acceleration of any obligation or the loss or reduction of a benefit under, or result in the creation of any Encumbrance upon any of the properties or assets of Parent or any of its Subsidiaries under, any provision of any loan or credit agreement, note, bond, mortgage, indenture, Parent Contract, Parent Permit, franchise or license to which Parent or any of its Subsidiaries is a party or by which Parent, Merger Sub or any of their respective Subsidiaries or their respective properties or assets are bound, (iii) assuming the Consents referred to in Section 5.4 are duly and timely obtained or made and the Parent Stockholder Approval has been obtained, contravene, conflict with or result in a violation of any Law applicable to Parent or any of its Subsidiaries or any of their respective properties or assets or (iv) result in the creation of any Encumbrance on any of the assets or property of Parent or any of its Subsidiaries, other than, in the case of clauses (ii), (iii) or (iv), any such contraventions, conflicts, violations, defaults, acceleration, losses or Encumbrances that have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay the consummation of the Transactions. Except for this Agreement, Parent is not party to any contract, arrangement or other commitment that does, would or would reasonably be expected to entitle any Person to appoint one or more directors to the Parent Board.

5.4 Consents. No Consent from any Governmental Entity is required to be obtained or made by Parent or any of its Subsidiaries in connection with the execution, delivery and performance of this Agreement by Parent and Merger Sub or the consummation by Parent and Merger Sub of the Transactions, except for: (a) compliance with any applicable requirements of the HSR Act and any other applicable Regulatory Law; (b) the filing with the SEC of (i) the Joint Proxy Statement and the Registration Statement and (ii) such reports under Section 13(a) of the Exchange Act, and such other compliance with the Exchange Act and the rules and regulations thereunder, as may be required in connection with this Agreement and the Transactions; (c) the filing of the Certificate of Merger with the Office of the Secretary of State of the State of Delaware; (d) filings with the NYSE; (e) such filings and approvals as may be required by any applicable state securities or "blue sky" Laws or Takeover Laws; and (f) any such Consent that the failure to obtain or make has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay the consummation of the Transactions.

5.5 SEC Documents: Financial Statements

(a) Since the Applicable Date, Parent has filed or furnished with the SEC, on a timely basis, all forms, reports, certifications, exhibits, schedules, statements and documents (and all amendments and supplements thereto) required to be filed or furnished under the Securities Act or the Exchange Act, respectively (such forms, reports, certifications, exhibits, schedules, statements and documents, collectively, the "Parent SEC Documents"). As of their respective dates, each of the Parent SEC Documents, as amended or supplemented, complied, or if not yet filed or furnished, will comply as to form, in each case in all material respects, with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations of the SEC thereunder applicable to such Parent SEC Documents. None of the Parent SEC Documents contained, when filed or, if amended or supplemented prior to the entry into this Agreement, as of the date of such amendment or supplement with respect to those disclosures that are amended, or if filed with or furnished to the SEC subsequent to the entry into this Agreement, will contain any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. As of the entry into this Agreement: (i) neither Parent nor any of its officers has received notice from any Governmental Entity challenging or questioning the accuracy, completeness, form or manner of filing of such certifications; (ii) there are no outstanding or unresolved comments received by Parent from the SEC with respect to any of the Parent SEC Documents; and (iii) to the knowledge of Parent, none of the Parent SEC Documents is the subject of ongoing SEC review or investigation. None of Parent's Subsidiaries is required to file periodic reports with the SEC pursuant to the Exchange Act.

(b) The financial statements of Parent included (or incorporated by reference) in the Parent SEC Documents, including all notes and schedules thereto, compiled, or, in the case of Parent SEC Documents filed after the entry into this Agreement, will comply, in each case in all material respects, when filed or if amended or supplemented prior to the entry into this Agreement, as of the date of such amendment or supplement, with the rules and regulations of the SEC with respect thereto, and were, or, in the case of Parent SEC Documents filed after the entry into this Agreement, will be, prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto or, in the case of the unaudited statements, as permitted by Rule 10-01 of Regulation S-X of the SEC) and fairly present in all material respects in accordance with applicable requirements of GAAP (subject, in the case of the unaudited statements, to normal year-end adjustments) the financial position of Parent and its consolidated Subsidiaries as of their respective dates and the results of operations and the cash flows of Parent and its consolidated Subsidiaries for the periods presented therein (subject, in the case of unaudited statements, to normal year-end adjustments that are not material to any other adjustments described therein, including the notes thereto).

(c) Parent has implemented and maintains disclosure controls and procedures and internal control over financial reporting (as such terms are defined in Rule 13a-15(e) and (f) of the Exchange Act), which are effective (as such term is used in Rule 13a-15(b) of the Exchange Act) in providing reasonable assurance that material information relating to Parent, including its Subsidiaries, is made known to the chief executive officer and the chief financial officer of Parent by others within those entities in connection with the reports it files under the Exchange Act. Such disclosure controls and procedures are effective in providing reasonable assurance that all information required to be disclosed in any Parent SEC Documents is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and further designed and maintained to provide reasonable assurance regarding the reliability of Parent's financial reporting and the preparation of Parent financial statements for external purposes in accordance with GAAP. There (i) is no significant deficiency or material weakness in the design or operation of internal control over financial reporting utilized by Parent or its Subsidiaries, (ii) is not, and since the Applicable Date there has not been, to the knowledge of Parent, any illegal act or fraud, whether or not material, that involves management or employees who have significant roles in the internal control of Parent or its Subsidiaries and (iii) is not, and since the Applicable Date there has not been, any "extensions of credit" (within the meaning of Section 402 of the Sarbanes-Oxley Act) or prohibited loans to any executive officer of Parent (as defined in Rule 3b-7 under the Exchange Act) or director of Parent or any of its Subsidiaries.

5.6 Absence of Certain Changes or Events.

- (b) From June 30, 2024, through the entry into this Agreement Parent and its Subsidiaries have conducted their business in the Ordinary Course in all material respects.

5.7 No Undisclosed Material Liabilities. There are no known Liabilities of Parent or any of its Subsidiaries of any kind whatsoever, whether accrued, contingent, absolute, determined, determinable or otherwise that would be required to be reflected in financial statements prepared in accordance with GAAP, other than: (a) Liabilities adequately provided for on the balance sheet of Parent dated as of June 30, 2024 (including the notes thereto) contained in Parent's Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2024; (b) Liabilities incurred in the Ordinary Course subsequent to June 30, 2024; (c) Liabilities incurred in connection with the Transactions; (d) Liabilities incurred as permitted under Section 6.2(b)(x) and (e) Liabilities that have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Neither Parent nor any of its Subsidiaries is a party to, or has any commitment to become a party to, any joint venture, off-balance sheet partnership or any similar contract or arrangement (including any contract relating to any transaction or relationship between or among Parent and any of its Subsidiaries, on the one hand, and any unconsolidated Affiliate, including any structured finance, special purpose or limited purpose entity or Person, on the other hand) or any "off-balance sheet arrangements" (as defined in Item 303(a) of Regulation S-K under the Exchange Act), where the result, purpose or effect of such contract is to avoid disclosure of any material transaction involving, or material Liabilities of, Parent or any of its Subsidiaries, in Parent's consolidated financial statements or the Parent SEC Documents.

5.8 Information Supplied. None of the information supplied or to be supplied by Parent for inclusion or incorporation by reference in (a) the Registration Statement shall, at the time the Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading or (b) the Joint Proxy Statement will, at the date it is first mailed to stockholders of the Company and to stockholders of Parent and at the time of the Company Stockholders Meeting and the Parent Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Subject to the accuracy of the first sentence of Section 4.8, the Joint Proxy Statement will comply as to form in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder; provided, however, that no representation is made by Parent with respect to statements made therein based on information supplied by the Company or any third parties specifically for inclusion or incorporation by reference therein.

5.9 Parent Permits; Compliance with Applicable Law.

(a) Parent and its Subsidiaries hold and at all times since the Applicable Date have held all Permits necessary to own, lease and operate their respective properties and assets and for the lawful conduct of their respective businesses as they were or are now being conducted, as applicable including all Permits relating to underground mining, surface mining, highwall mining and auger mining, processing, sale or transporting of coal and coal byproducts, or activities defined under the Surface Mining Control and Reclamation Act of 1977, as amended, as "surface coal mining operations" (collectively, the "Parent Permits"), and have since the Applicable Date paid all fees and assessments due and payable in connection therewith, except where the failure to so hold or make such a payment has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. All Parent Permits are valid and in full force and effect and no suspension, revocation, non-renewal or cancellation of any of the Parent Permits is pending or, to the knowledge of Parent, Threatened, and Parent and its Subsidiaries are in compliance with the terms of the Parent Permits, except where the failure to be in full force and effect or failure to so comply has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Except as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, neither Parent nor any of its Subsidiaries has been notified by any Governmental Entity since the Applicable Date that it is (i) ineligible as an entity to receive additional mining Permits or (ii) under investigation to determine whether its eligibility to receive such Permits should be "permit blocked."

(c) Without limiting the generality of the foregoing, the operation of the coal mining and processing operations of Parent and its Subsidiaries and the state of reclamation with respect to each of their Permits is "current" or in "deferred status" with respect to the reclamation obligations required by such Permits and otherwise are in compliance with such Permits and all applicable mining, reclamation and other similar Laws, except where noncompliance has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(d) The businesses of Parent and its Subsidiaries are not currently being conducted, and at no time since the Applicable Date have been conducted, in violation of any applicable Law, except for violations that have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. To the knowledge of Parent, no investigation, review or order by any Governmental Entity with respect to Parent or any of its Subsidiaries is pending or Threatened, other than those the outcome of which has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(e) There are no applications for new Permits (for the avoidance of doubt, not including amendments, renewals, extensions or other modifications of existing Permits) of Parent and its Subsidiaries other than those set forth in Schedule 5.9(g) of the Parent Disclosure Letter.

(f) Except as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (x) Parent and its Subsidiaries and their respective Affiliates, directors, officers and employees are in, and at all times since the Applicable Date, have been in, compliance in all material respects with the Fraud and Bribery Laws, and (y) none of Parent or any of its Subsidiaries nor, to the knowledge of Parent, any of their respective Affiliates, directors, officers, employees, agents or other Representatives acting on behalf of Parent or any Subsidiary have directly or indirectly, in each case, in violation of the Fraud and Bribery Laws: (i) used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity, (ii) offered, promised, paid or delivered any fee, commission or other sum of money or item of value, however characterized, to any finder, agent or other party acting on behalf of or under the auspices of a governmental or political employee or official or governmental or political entity, political agency, department, enterprise or instrumentality, in the United States or any other country, (iii) made any payment to any customer or supplier, or to any officer, director, partner, employee or agent of any such customer or supplier, for the unlawful sharing of fees to any such customer or supplier or any such officer, director, partner, employee or agent for the unlawful rebating of charges, (iv) engaged in any other unlawful reciprocal practice, or made any other unlawful payment or given any other unlawful consideration to any such customer or supplier or any such officer, director, partner, employee or agent or (v) taken any action or made any omission in violation of any applicable Law governing imports into or exports from the United States or any foreign country, or relating to economic sanctions or embargoes, corrupt practices, money laundering, or compliance with unsanctioned foreign boycotts.

5.10 Compensation; Benefits.

(a) True, correct and complete copies of each of the material Parent Plans (or, in the case of any Parent Plan not in writing, a written description of the material terms thereof) and related contracts, instruments or agreements, including administrative service agreements and group insurance contracts, trust documents, and most recently received Internal Revenue Service favorable determination letter or opinion letter, as applicable, have been furnished or made available to the Company or its Representatives, along with the most recent report filed on Form 5500 and summary plan description and any summary of material modifications required under ERISA with respect to each Parent Plan, and all material correspondence to or from any Governmental Entity, including with respect to any audit of or proceeding involving such plan or alleged noncompliance of such plan with applicable Laws.

With respect to any ERISA Plan, neither Parent nor any of its Subsidiaries has engaged in a transaction in connection with which Parent or any of its Subsidiaries reasonably could be subject to either a civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a Tax or penalty imposed pursuant to Section 4975 or 4976 of the Code in a material amount.

(a) Parent acknowledges that it is relying on its own investigation, examination and valuation of the Transactions. Parent has made all inspections and investigations of the Company deemed necessary or desirable by Parent. Except for the representations and warranties made in this Article V, neither Parent nor any other Person makes any express or implied representation or warranty with respect to Parent or its Subsidiaries or their respective businesses, operations, assets, Liabilities or conditions (financial or otherwise) in connection with this Agreement or the Transactions, and Parent expressly disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, neither Parent nor any other Person makes or has made any representation or warranty to the Company or any of its Affiliates or Representatives with respect to (i) any financial projection, forecast, estimate, budget or prospect information relating to Parent or any of its Subsidiaries or their respective businesses; or (ii) except for the representations and warranties made by Parent in this Article V, any oral or written information presented to the Company or any of its Affiliates or Representatives in the course of their due diligence investigation of Parent, the negotiation of this Agreement or in the course of the Transactions. Notwithstanding the foregoing, nothing in this Section 5.25 shall limit the Company's remedies with respect to actual fraud (as defined under Delaware law) to the extent arising from the express representations and warranties made by Parent in this Article V.

(b) Notwithstanding anything contained in this Agreement to the contrary, Parent acknowledges and agrees that none of the Company or any other Person has made or is making any representations or warranties relating to the Company or its Subsidiaries whatsoever, express or implied, beyond those expressly given by the Company in Article IV, including any implied representation or warranty as to the accuracy or completeness of any information regarding the Company furnished or made available to Parent or any of its Representatives and that Parent and Merger Sub have not relied on any such other representation or warranty not set forth in this Agreement. Without limiting the generality of the foregoing, Parent acknowledges that no representations or warranties are made with respect to any projections, forecasts, estimates, budgets or prospect information that may have been made available to Parent or any of its Representatives (including in certain "data rooms," "virtual data rooms," management presentations or in any other form in expectation of, or in connection with, the Merger or the other Transactions).

(a) Except as permitted by this Section 6.3, from and after the entry into this Agreement, the Company and its officers and directors shall, and shall cause the Company's Subsidiaries and their respective officers and directors to, and shall use their reasonable best efforts to cause the other Representatives of the Company and its Subsidiaries to, immediately cease, and cause to be terminated, any discussion or negotiations with any Person conducted heretofore by the Company or any of its Subsidiaries or Representatives with respect to any inquiry, proposal or offer that constitutes, or would reasonably be expected to lead to, a Company Competing Proposal. Within one Business Day of the date of this Agreement, the Company shall deliver a written notice to each Person that has received non-public information regarding the Company within the 12 months prior to the date of this Agreement pursuant to a confidentiality agreement with the Company for purposes of evaluating any transaction that could be a Company Competing Proposal and for whom no similar notice has been delivered prior to the entry into this Agreement requesting the prompt return or destruction of all confidential information concerning the Company and any of its Subsidiaries heretofore furnished to such Person and all documents or material incorporating any such confidential information in the possession of such Person or its Representatives. Within one Business Day of the date of this Agreement, terminate any physical and electronic data access related to any such potential Company Competing Proposal previously granted to such Persons.

(b) From and after the entry into this Agreement and until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, except as otherwise permitted by this Section 6.3, the Company and its officers and directors shall not, shall cause the Company's Subsidiaries and their respective officers and directors not to, and shall use their reasonable best efforts to cause the other Representatives of the Company and its Subsidiaries not to, directly or indirectly:

- (v) submit any Company Competing Proposal to the vote of the stockholders of the Company;

(c) From and after the entry into this Agreement, the Company shall promptly (and in any event within the shorter of one Business Day and 48 hours) notify Parent of the receipt by the Company (directly or indirectly) of any Company Competing Proposal or any *bona fide* expression of interest, inquiry, proposal or offer with respect to a Company Competing Proposal made on or after the entry into this Agreement, any request for information or data relating to the Company or any of its Subsidiaries made by any Person in connection with a Company Competing Proposal or any request for discussions or negotiations with the Company or a Representative of the Company relating to a Company Competing Proposal (including the identity of such Person), and the Company shall provide to Parent promptly (and in any event within the shorter of one Business Day and 48 hours) (i) a copy of any such expression of interest, inquiry, proposal or offer with respect to a Company Competing Proposal made in writing provided to the Company or any of its Subsidiaries or (ii) if any such expression of interest, inquiry, proposal or offer with respect to a Company Competing Proposal is not (or any portion thereof is not) made in writing, a written summary of the material financial and other terms thereof. Thereafter the Company shall (i) keep Parent reasonably informed (including upon request of Parent), on a prompt basis (and in any event within the shorter of one Business Day and 48 hours), of any material development regarding the status or terms of any such expressions of interest, proposals or offers (including any amendments thereto) or material requests and shall promptly (and in any event within the shorter of one Business Day and 48 hours) apprise Parent of the status of any such discussions or negotiations and (ii) provide to Parent as soon as practicable after receipt or delivery thereof (and in any event within the shorter of one Business Day and 48 hours) copies of all material written correspondence and other material written materials provided to the Company or its Representatives from any Person. Without limiting the foregoing, the Company shall notify Parent if the Company determines to begin providing information or to engage in discussions or negotiations concerning a Company Competing Proposal, prior to providing any such information or engaging in any such discussions or negotiations.

(v) in the case of a Company Competing Proposal that is structured as a tender offer or exchange offer pursuant to Rule 14d-2 under the Exchange Act for outstanding shares of Company Common Stock (other than by Parent or an Affiliate of Parent), fail to recommend, in a Solicitation/Recommendation Statement on Schedule 14D-9, against acceptance of such tender offer or exchange offer by its stockholders on or prior to the earlier of (A) three Business Days prior to the date the Company Stockholders Meeting is held, including adjournments (or promptly after commencement of such tender offer or exchange offer if commenced on or after the third Business Day prior to the date the Company Stockholders Meeting is held, including adjournments) and (B) ten business days (as such term is used in Rule 14d-9 of the Exchange Act) after commencement of such tender offer or exchange offer;

(vi) if a Company Competing Proposal shall have been publicly announced or disclosed (other than pursuant to the foregoing clause (v)), fail to publicly reaffirm the Company Board Recommendation (or refer to the prior Company Board Recommendation) on or prior to the earlier of (A) five Business Days after Parent so requests in writing and (B) three Business Days prior to the date of the Company Stockholders Meeting (or promptly after announcement or disclosure of such Company Competing Proposal if announced or disclosed on or after the third Business Day prior to the date of the Company Stockholders Meeting); or

(vii) cause or permit the Company to enter into a Company Alternative Acquisition Agreement (any of the actions set forth in the foregoing clauses (i), (ii), (iii), (iv), (v), (vi) and (vii), a "Company Change of Recommendation").

(e) Notwithstanding anything in this Agreement to the contrary:

(i) the Company Board may, after consultation with its outside legal counsel, make such disclosures as the Company Board determines in good faith are necessary to comply with Rule 14d-9, Rule 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or make any "stop, look and listen" communication or any other disclosure to the stockholders of the Company pursuant to Rule 14d-9(f) under the Exchange Act or make a disclosure that is required by applicable Law; provided, however, that if such disclosure has the effect of withdrawing or adversely modifying the Company Board Recommendation, such disclosure shall be deemed to be a Company Change of Recommendation and Parent shall have the right to terminate this Agreement as set forth in Section 8.1(c);

(ii) prior to, but not after, the receipt of the Company Stockholder Approval, the Company and its Representatives may engage in the activities prohibited by Sections 6.3(b)(ii) or 6.3(b)(iii) (and, only with respect to a Company Competing Proposal that satisfies the requirements in this Section 6.3(e)(ii)), may knowingly encourage or knowingly facilitate any inquiry or the making of any proposal or offer with respect to such Company Competing Proposal or any modification thereto) with any Person if the Company receives a *bona fide* written Company Competing Proposal from such Person that was not solicited at any time following the execution of this Agreement in breach of the obligations set forth in this Section 6.3; provided, however, that (A) no information that is prohibited from being furnished pursuant to Section 6.3(b) may be furnished until the Company receives an executed confidentiality agreement from such Person containing limitations on the use and disclosure of non-public information furnished to such Person by or on behalf of the Company that are no less favorable to the Company in the aggregate than the terms of the Confidentiality Agreement (including standstill restrictions); (provided, further, that such confidentiality agreement does not contain provisions that prohibit the Company from providing any information to Parent in accordance with this Section 6.3 or that otherwise prohibits the Company from complying with the provisions of this Section 6.3), (B) any such non-public information has previously been made available to, or is made available to, Parent prior to or concurrently with (or in the case of oral non-public information only, promptly (and in any event within the shorter of one Business Day and 48 hours) after) the time such information is made available to such Person, and (C) prior to taking any such actions, the Company Board or any committee thereof determines in good faith, after consultation with its financial advisors and outside legal counsel, that such Company Competing Proposal is, or would reasonably be expected to lead to, a Company Superior Proposal;

(iii) prior to, but not after, the receipt of the Company Stockholder Approval, the Company Board shall be permitted, through its Representatives or otherwise, to seek clarification from (but not, unless otherwise allowed pursuant to this Agreement, to provide any non-public information to) any Person that has made a Company Competing Proposal solely to clarify and understand the terms and conditions of such proposal to provide adequate information for the Company Board to make an informed determination under Section 6.3(e)(ii);

(iv) prior to, but not after, the receipt of the Company Stockholder Approval, in response to a *bona fide* written Company Competing Proposal from a third party that was not solicited at any time following the execution of this Agreement and did not arise from (x) a breach of the obligations set forth in Section 6.3(b)(i) through Section 6.3(b)(iii) or (y) a material breach of any of the other obligations set forth in this Section 6.3, if the Company Board so chooses, the Company Board may effect a Company Change of Recommendation (other than a Company Change of Recommendation contemplated by clause (vii) of the definition thereof); provided, however, that such a Company Change of Recommendation may not be made unless and until:

(A) the Company Board determines in good faith after consultation with its financial advisors and outside legal counsel that such Company Competing Proposal is a Company Superior Proposal;

(B) the Company Board determines in good faith, after consultation with its outside legal counsel, that failure to effect a Company Change of Recommendation in response to such Company Superior Proposal would be inconsistent with the fiduciary duties owed by the Company Board to the stockholders of the Company under applicable Law;

(C) the Company provides Parent written notice of such proposed action and the basis thereof at least four Business Days in advance, which notice shall set forth in writing that the Company Board intends to consider whether to take such action and includes a copy of the available proposed Company Competing Proposal and any applicable transaction and financing documents;

(D) after giving such notice and prior to effecting such Company Change of Recommendation, the Company shall make itself available to negotiate (and cause its applicable Representatives to be available to negotiate) with Parent (to the extent Parent wishes to negotiate) to make such adjustments or revisions to the terms of this Agreement as would permit the Company Board not to effect a Company Change of Recommendation in response thereto; and

(E) at the end of the four-Business Day period, prior to taking action to effect a Company Change of Recommendation, the Company Board takes into account any adjustments or revisions to the terms of this Agreement proposed by Parent in writing and any other information offered by Parent in response to the notice, and determines in good faith after consultation with its financial advisors and outside legal counsel, that the Company Competing Proposal remains a Company Superior Proposal and that the failure to effect a Company Change of Recommendation in response to such Company Superior Proposal would be inconsistent with the fiduciary duties owed by the Company Board to the stockholders of the Company under applicable Law; provided that in the event of any material amendment or material modification to any Company Superior Proposal (it being understood that any amendment or modification to the economic terms of any such Company Superior Proposal shall be deemed material), the Company shall be required to deliver a new written notice to Parent and to comply with the requirements of this Section 6.3(e)(iv), with respect to such new written notice, except that the advance written notice obligation set forth in this Section 6.3(e)(iv) shall be reduced to two Business Days; provided, further, that any such new written notice shall in no event shorten the original four-Business Day notice period; and

(v) prior to, but not after, receipt of the Company Stockholder Approval, in response to a Company Intervening Event that occurs or arises after the entry into this Agreement and that did not arise from or in connection with a breach of this Agreement by the Company, the Company may, if the Company Board so chooses, effect a Company Change of Recommendation (other than a Company Change of Recommendation contemplated by clause (vii) of the definition thereof); provided, however, that such a Company Change of Recommendation may not be made unless and until:

(A) the Company Board determines in good faith after consultation with its financial advisors and outside legal counsel that a Company Intervening Event has occurred;

(B) the Company Board determines in good faith, after consultation with its outside legal counsel, that failure to effect a Company Change of Recommendation in response to such Company Intervening Event would be inconsistent with the fiduciary duties owed by the Company Board to the stockholders of the Company under applicable Law;

(C) the Company provides Parent written notice of such proposed action and the basis thereof four Business Days in advance, which notice shall set forth in writing that the Company Board intends to consider whether to take such action and includes a reasonably detailed description of the facts and circumstances of the Company Intervening Event;

(D) after giving such notice and prior to effecting such Company Change of Recommendation and if requested by Parent, the Company negotiates (and causes its applicable Representatives to negotiate) in good faith with Parent (to the extent Parent wishes to negotiate) to make such adjustments or revisions to the terms of this Agreement as would permit the Company Board not to effect a Company Change of Recommendation in response thereto; and

(E) at the end of the four-Business Day period, prior to taking action to effect a Company Change of Recommendation, the Company Board takes into account any adjustments or revisions to the terms of this Agreement proposed by Parent in writing and any other information offered by Parent in response to the notice, and determines in good faith after consultation with its financial advisors and outside legal counsel, that the failure to effect a Company Change of Recommendation in response to such Company Intervening Event would be inconsistent with the fiduciary duties owed by the Company Board to the stockholders of the Company under applicable Law; provided that in the event of any material changes regarding any Company Intervening Event, the Company shall be required to deliver a new written notice to Parent and to comply with the requirements of this Section 6.3(e)(v) with respect to such new written notice, except that the advance written notice obligation set forth in this Section 6.3(e)(v) shall be reduced to two Business Days; provided, further, that any such new written notice shall in no event shorten the original four-Business Day notice period.

(f) During the period commencing with the execution and delivery of this Agreement and continuing until the earlier of the Effective Time and termination of this Agreement in accordance with Article VIII, the Company shall not (and it shall cause its Subsidiaries not to) terminate, amend, modify or waive any provision of any confidentiality, "standstill" or similar agreement to which it or any of its Subsidiaries is a party, and the Company shall, or shall cause its applicable Subsidiary or Subsidiaries to, enforce the standstill provisions of any such agreement; provided that, notwithstanding any other provision in this Section 6.3, prior to, but not after, the time the Company Stockholder Approval is obtained, if, in response to an unsolicited request from a third party to waive any "standstill" or similar provision, the Company Board determines in good faith, after consultation with its outside legal counsel that the failure to take such action would be inconsistent with its fiduciary duties owed by the Company Board to the stockholders of the Company under applicable Law, the Company may waive any such "standstill" or similar provision solely to the extent necessary to permit a third party to make a Company Competing Proposal to the Company Board and communicate such waiver to the applicable third party; provided, however, that the Company shall advise Parent at least one Business Day prior to taking such action.

(g) Notwithstanding anything to the contrary in this Section 6.3, any action, or failure to take action, that is taken by any Subsidiary of the Company, any director or officer of the Company or any of its Subsidiaries or any Representative of the Company or any of its Subsidiaries acting at the Company's direction or on its behalf, in each case, in violation of this Section 6.3 shall be deemed to be a breach of this Section 6.3 by the Company.

6.4 No Solicitation by Parent.

(a) Except as permitted by this Section 6.4, from and after the entry into this Agreement, Parent and its officers and directors shall, and shall cause Parent's Subsidiaries and their respective officers and directors to, and shall use their reasonable best efforts to cause the other Representatives of Parent and its Subsidiaries to, immediately cease, and cause to be terminated, any discussion or negotiations with any Person conducted heretofore by Parent or any of its Subsidiaries or Representatives with respect to any inquiry, proposal or offer that constitutes, or would reasonably be expected to lead to, a Parent Competing Proposal. Within one Business Day of the date of this Agreement, Parent shall deliver a written notice to each Person that has received non-public information regarding Parent within the 12 months prior to the date of this Agreement pursuant to a confidentiality agreement with Parent for purposes of evaluating any transaction that could be a Parent Competing Proposal and for whom no similar notice has been delivered prior to the entry into this Agreement requesting the prompt return or destruction of all confidential information concerning Parent and any of its Subsidiaries heretofore furnished to such Person and all documents or material incorporating any such confidential information in the possession of such Person or its Representatives. Parent shall, within one Business Day of the date of this Agreement, terminate any physical and electronic data access related to any such potential Parent Competing Proposal previously granted to such Persons.

(b) From and after the entry into this Agreement and until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, except as otherwise permitted by this Section 6.4, Parent and its officers and directors shall not, shall cause Parent's Subsidiaries and their respective officers and directors not to, and shall use their reasonable best efforts to cause the other Representatives of Parent and its Subsidiaries not to, directly or indirectly:

(i) initiate, solicit, propose, knowingly encourage, or knowingly facilitate (including by way of furnishing non-public information) any inquiry or the making of any proposal or offer that constitutes, or would reasonably be expected to result in, a Parent Competing Proposal;

(ii) engage in, continue or otherwise participate in any discussions with any Person with respect to or negotiations with any Person with respect to, relating to, or in furtherance of a Parent Competing Proposal or any inquiry, proposal or offer that would reasonably be expected to lead to a Parent Competing Proposal;

(iii) furnish any non-public information regarding Parent or its Subsidiaries, or access to the properties, assets or employees of Parent or its Subsidiaries, to any Person in connection with or in response to any Parent Competing Proposal or any inquiry, proposal or offer that would reasonably be expected to lead to a Parent Competing Proposal;

(iv) approve or recommend, or propose to approve or recommend, or execute or enter into any letter of intent or agreement in principle, or other agreement providing for a Parent Competing Proposal (other than a confidentiality agreement as provided in Section 6.4(e)(ii)) entered into in compliance with Section 6.4(e)(ii)); or

(v) submit any Parent Competing Proposal to the vote of the stockholders of Parent;

provided that, notwithstanding anything to the contrary in this Section 6.4, Parent or any of its Representatives may, in response to an inquiry or proposal from a third party, inform a third party or its Representative of the restrictions imposed by the provisions of this Section 6.4 (without conveying, requesting or attempting to gather any other information, except as otherwise specifically permitted under this Section 6.4).

(c) From and after the entry into this Agreement, Parent shall promptly (and in any event within the shorter of one Business Day and 48 hours) notify the Company of the receipt by Parent (directly or indirectly) of any Parent Competing Proposal or any *bona fide* expression of interest, inquiry, proposal or offer with respect to a Parent Competing Proposal made on or after the entry into this Agreement, any request for information or data relating to Parent or any of its Subsidiaries made by any Person in connection with a Parent Competing Proposal or any request for discussions or negotiations with Parent or a Representative of Parent relating to a Parent Competing Proposal (including the identity of such Person), and Parent shall provide to the Company promptly (and in any event within the shorter of one Business Day and 48 hours) (i) a copy of any such expression of interest, inquiry, proposal or offer with respect to a Parent Competing Proposal made in writing provided to Parent or any of its Subsidiaries or (ii) if any such expression of interest, inquiry, proposal or offer with respect to a Parent Competing Proposal is not (or any portion thereof is not) made in writing, a written summary of the material financial and other terms thereof. Thereafter Parent shall (i) keep the Company reasonably informed (including upon request of the Company), on a prompt basis (and in any event within the shorter of one Business Day and 48 hours), of any material development regarding the status or terms of any such expressions of interest, proposals or offers (including any amendments thereto) or material requests and shall promptly (and in any event within the shorter of one Business Day or 48 hours) apprise the Company of the status of any such discussions or negotiations and (ii) provide to the Company as soon as practicable after receipt or delivery thereof (and in any event within the shorter of one Business Day and 48 hours) copies of all material written correspondence and other material written materials provided to Parent or its Representatives from any Person. Without limiting the foregoing, Parent shall notify the Company if Parent determines to begin providing information or to engage in discussions or negotiations concerning a Parent Competing Proposal, prior to providing any such information or engaging in any such discussions or negotiations.

(d) Except as permitted by Section 6.4(e), the Parent Board, including any committee thereof, shall not:

(i) change, withhold, withdraw, qualify or modify, or publicly propose or announce any intention to change, withhold, withdraw, qualify or modify, in a manner adverse to the Company, the Parent Board Recommendation;

(ii) fail to include the Parent Board Recommendation in the Joint Proxy Statement;

(iii) approve, endorse or recommend, or publicly propose or announce any intention to approve, endorse or recommend, any Parent Competing Proposal;

(iv) publicly declare advisable or publicly propose to enter into, any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other agreement (other than a confidentiality agreement referred to in Section 6.4(e)(ii)) entered into in compliance with Section 6.4(e)(ii) relating to a Parent Competing Proposal (a "Parent Alternative Acquisition Agreement");

(v) in the case of a Parent Competing Proposal that is structured as a tender offer or exchange offer pursuant to Rule 14d-2 under the Exchange Act for outstanding shares of Parent Common Stock (other than by the Company or an Affiliate of the Company), fail to recommend, in a Solicitation/Recommendation Statement on Schedule 14D-9, against acceptance of such tender offer or exchange offer by its stockholders on or prior to the earlier of (A) three Business Days prior to the date the Parent Stockholders Meeting is held, including adjournments (or promptly after commencement of such tender offer or exchange offer if commenced on or after the third Business Day prior to the date the Parent Stockholders Meeting is held, including adjournments) and (B) ten business days (as such term is used in Rule 14d-9 of the Exchange Act) after commencement of such tender offer or exchange offer;

(vi) if a Parent Competing Proposal shall have been publicly announced or disclosed (other than pursuant to the foregoing clause (v)), fail to publicly reaffirm the Parent Board Recommendation (or refer to the prior Parent Board Recommendation) on or prior to the earlier of (A) five Business Days after the Company so requests in writing and (B) three Business Days prior to the date of the Parent Stockholders Meeting (or promptly after announcement or disclosure of such Parent Competing Proposal if announced or disclosed on or after the third Business Day prior to the date of the Parent Stockholders Meeting); or

(vii) cause or permit Parent to enter into a Parent Alternative Acquisition Agreement (any of the actions set forth in the foregoing clauses (i), (ii), (iii), (iv), (v), (vi) and (vii), a "Parent Change of Recommendation").

(e) Notwithstanding anything in this Agreement to the contrary:

(i) the Parent Board may, after consultation with its outside legal counsel, make such disclosures as the Parent Board determines in good faith are necessary to comply with Rule 14d-9, Rule 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or make any "stop, look and listen" communication or any other disclosure to the stockholders of Parent pursuant to Rule 14d-9(f) under the Exchange Act or make a disclosure that is required by applicable Law; provided, however, that if such disclosure has the effect of withdrawing or adversely modifying the Parent Board Recommendation, such disclosure shall be deemed to be a Parent Change of Recommendation and the Company shall have the right to terminate this Agreement as set forth in Section 8.1(c);

(ii) prior to, but not after, the receipt of the Parent Stockholder Approval, Parent and its Representatives may engage in the activities prohibited by Sections 6.4(b)(ii) or 6.4(b)(iii) (and, only with respect to a Parent Competing Proposal that satisfies the requirements in this Section 6.4(e)(ii), may knowingly encourage or knowingly facilitate any inquiry or the making of any proposal or offer with respect to such Parent Competing Proposal or any modification thereto) with any Person if Parent receives a *bona fide* written Parent Competing Proposal from such Person that was not solicited at any time following the execution of this Agreement in breach of the obligations set forth in this Section 6.4; provided, however, that (A) no information that is prohibited from being furnished pursuant to Section 6.4(b) may be furnished until Parent receives an executed confidentiality agreement from such Person containing limitations on the use and disclosure of non-public information furnished to such Person by or on behalf of Parent that are no less favorable to Parent in the aggregate than the terms of the Confidentiality Agreement (including standstill restrictions); (provided, further, that such confidentiality agreement does not contain provisions that prohibit Parent from providing any information to the Company in accordance with this Section 6.4 or that otherwise prohibits Parent from complying with the provisions of this Section 6.4), (B) any such non-public information has previously been made available to, or is made available to, the Company prior to or concurrently with (or in the case of oral non-public information only, promptly (and in any event within the shorter of one Business Day and 48 hours) after) the time such information is made available to such Person, and (C) prior to taking any such actions, the Parent Board or any committee thereof determines in good faith, after consultation with its financial advisors and outside legal counsel, that such Parent Competing Proposal is, or would reasonably be expected to lead to, a Parent Superior Proposal;

(iii) prior to, but not after, the receipt of the Parent Stockholder Approval, the Parent Board shall be permitted, through its Representatives or otherwise, to seek clarification from (but not, unless otherwise allowed pursuant to this Agreement, to provide any non-public information to) any Person that has made a Parent Competing Proposal solely to clarify and understand the terms and conditions of such proposal to provide adequate information for the Parent Board to make an informed determination under Section 6.4(e)(ii);

(iv) prior to, but not after, the receipt of the Parent Stockholder Approval, in response to a *bona fide* written Parent Competing Proposal from a third party that was not solicited at any time following the execution of this Agreement and did not arise from (x) a breach of the obligations set forth in Section 6.4(b)(i) through Section 6.4(b)(iii) or (y) a material breach of any of the other obligations set forth in this Section 6.4, if the Parent Board so chooses, the Parent Board may effect a Parent Change of Recommendation (other than a Parent Change of Recommendation contemplated by clause (vii) of the definition thereof); provided, however, that such a Parent Change of Recommendation may not be made unless and until:

- (A) the Parent Board determines in good faith after consultation with its financial advisors and outside legal counsel that such Parent Competing Proposal is a Parent Superior Proposal;
- (B) the Parent Board determines in good faith, after consultation with its outside legal counsel, that failure to effect a Parent Change of Recommendation in response to such Parent Superior Proposal would be inconsistent with the fiduciary duties owed by the Parent Board to the stockholders of Parent under applicable Law;
- (C) Parent provides the Company written notice of such proposed action and the basis thereof at least four Business Days in advance, which notice shall set forth in writing that the Parent Board intends to consider whether to take such action and includes a copy of the available proposed Parent Competing Proposal and any applicable transaction and financing documents;
- (D) after giving such notice and prior to effecting such Parent Change of Recommendation, Parent shall make itself available to negotiate (and cause its applicable Representatives to be available to negotiate) with the Company (to the extent the Company wishes to negotiate) to make such adjustments or revisions to the terms of this Agreement as would permit the Parent Board not to effect a Parent Change of Recommendation in response thereto; and
- (E) at the end of the four-Business Day period, prior to taking action to effect a Parent Change of Recommendation, the Parent Board takes into account any adjustments or revisions to the terms of this Agreement proposed by the Company in writing and any other information offered by the Company in response to the notice, and determines in good faith after consultation with its financial advisors and outside legal counsel, that the Parent Competing Proposal remains a Parent Superior Proposal and that the failure to effect a Parent Change of Recommendation in response to such Parent Superior Proposal would be inconsistent with the fiduciary duties owed by the Parent Board to the stockholders of Parent under applicable Law; provided that in the event of any material amendment or material modification to any Parent Superior Proposal (it being understood that any amendment or modification to the economic terms of any such Parent Superior Proposal shall be deemed material), Parent shall be required to deliver a new written notice to the Company and to comply with the requirements of this Section 6.4(e)(iv) with respect to such new written notice, except that the advance written notice obligation set forth in this Section 6.4(e)(iv) shall be reduced to two Business Days; provided, further, that any such new written notice shall in no event shorten the original four-Business Day notice period; and

(v) prior to, but not after, receipt of the Parent Stockholder Approval, in response to a Parent Intervening Event that occurs or arises after the entry into this Agreement and that did not arise from or in connection with a breach of this Agreement by Parent, Parent may, if the Parent Board so chooses, effect a Parent Change of Recommendation (other than a Parent Change of Recommendation contemplated by clause (vii) of the definition thereof); provided, however, that such a Parent Change of Recommendation may not be made unless and until:

(A) the Parent Board determines in good faith after consultation with its financial advisors and outside legal counsel that a Parent Intervening Event has occurred;

(B) the Parent Board determines in good faith, after consultation with its outside legal counsel, that failure to effect a Parent Change of Recommendation in response to such Parent Intervening Event would be inconsistent with the fiduciary duties owed by the Parent Board to the stockholders of Parent under applicable Law;

(C) Parent provides the Company written notice of such proposed action and the basis thereof four Business Days in advance, which notice shall set forth in writing that the Parent Board intends to consider whether to take such action and includes a reasonably detailed description of the facts and circumstances of the Parent Intervening Event;

(D) after giving such notice and prior to effecting such Parent Change of Recommendation and if requested by the Company, Parent negotiates (and causes its applicable Representatives to negotiate) in good faith with the Company (to the extent the Company wishes to negotiate) to make such adjustments or revisions to the terms of this Agreement as would permit the Parent Board not to effect a Parent Change of Recommendation in response thereto; and

(E) at the end of the four-Business Day period, prior to taking action to effect a Parent Change of Recommendation, the Parent Board takes into account any adjustments or revisions to the terms of this Agreement proposed by the Company in writing and any other information offered by the Company in response to the notice, and determines in good faith after consultation with its financial advisors and outside legal counsel, that the failure to effect a Parent Change of Recommendation in response to such Parent Intervening Event would be inconsistent with the fiduciary duties owed by the Parent Board to the stockholders of Parent under applicable Law; provided that in the event of any material changes regarding any Parent Intervening Event, Parent shall be required to deliver a new written notice to the Company and to comply with the requirements of this Section 6.4(e)(v) with respect to such new written notice, except that the advance written notice obligation set forth in this Section 6.4(e)(v) shall be reduced to two Business Days; provided, further, that any such new written notice shall in no event shorten the original four-Business Day notice period.

(f) During the period commencing with the execution and delivery of this Agreement and continuing until the earlier of the Effective Time and termination of this Agreement in accordance with Article VIII, Parent shall not (and it shall cause its Subsidiaries not to) terminate, amend, modify or waive any provision of any confidentiality, "standstill" or similar agreement to which it or any of its Subsidiaries is a party, and Parent shall, or shall cause its applicable Subsidiary or Subsidiaries to, enforce the standstill provisions of any such agreement; provided that, notwithstanding any other provision in this Section 6.4, prior to, but not after, the time the Parent Stockholder Approval is obtained, if, in response to an unsolicited request from a third party to waive any "standstill" or similar provision, the Parent Board determines in good faith, after consultation with its outside legal counsel that the failure to take such action would be inconsistent with its fiduciary duties owed by the Parent Board to the stockholders of Parent under applicable Law, Parent may waive any such "standstill" or similar provision solely to the extent necessary to permit a third party to make a Parent Competing Proposal to the Parent Board and communicate such waiver to the applicable third party; provided, however, that Parent shall advise the Company at least one Business Day prior to taking such action.

(g) Notwithstanding anything to the contrary in this Section 6.4, any action, or failure to take action, that is taken by any Subsidiary of Parent, any director or officer of Parent or any of its Subsidiaries or any Representative of Parent or any of its Subsidiaries acting at Parent's direction or on its behalf, in each case, in violation of this Section 6.4 shall be deemed to be a breach of this Section 6.4 by Parent.

6.5 Preparation of Joint Proxy Statement and Registration Statement

(a) Parent shall promptly furnish to the Company such data and information relating to it, its Subsidiaries (including Merger Sub) and the holders of its capital stock, as the Company may reasonably request for the purpose of including such data and information in the Joint Proxy Statement and any amendments or supplements thereto. The Company shall promptly furnish to Parent such data and information relating to it, its Subsidiaries and the holders of its capital stock, as Parent may reasonably request for the purpose of including such data and information in the Joint Proxy Statement and the Registration Statement and any amendments or supplements thereto.

(b) Promptly following the entry into this Agreement, the Company and Parent shall cooperate in preparing and shall use their respective commercially reasonable efforts to cause to be filed with the SEC reasonably promptly following the date of this Agreement, (i) a mutually acceptable Joint Proxy Statement relating to the matters to be submitted to the holders of Company Common Stock at the Company Stockholders Meeting and the holders of Parent Common Stock at the Parent Stockholders Meeting and (ii) the Registration Statement (of which the Joint Proxy Statement will be a part). The Company and Parent shall each use reasonable best efforts to cause the Registration Statement and the Joint Proxy Statement to comply with the rules and regulations promulgated by the SEC and to respond promptly to any comments of the SEC or its staff. Parent and the Company shall each use its reasonable best efforts to cause the Registration Statement to become effective under the Securities Act as soon after such filing as reasonably practicable and Parent shall use reasonable best efforts to keep the Registration Statement effective as long as is necessary to consummate the Merger. Each of the Company and Parent will advise the other promptly after it receives any request by the SEC for amendment of the Joint Proxy Statement or the Registration Statement or comments thereon and responses thereto or any request by the SEC for additional information. Each of the Company and Parent shall use reasonable best efforts to cause all documents that it is responsible for filing with the SEC in connection with the Transactions to comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the Exchange Act. Notwithstanding the foregoing, prior to filing the Registration Statement (or any amendment or supplement thereto) or mailing the Joint Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, each of the Company and Parent will (i) provide the other with a reasonable opportunity to review and comment on such document or response (including the proposed final version of such document or response), and (ii) shall include in such document or response all comments reasonably and promptly proposed by the other. The Company and Parent shall cause the Joint Proxy Statement to be disseminated to the Company stockholders and the Parent stockholders as promptly as reasonably practicable after the resolution of any comments of the SEC or its staff with respect to the Joint Proxy Statement.

(c) Parent and the Company shall make all necessary filings with respect to the Merger and the Transactions under the Securities Act and the Exchange Act and applicable "blue sky" laws and the rules and regulations thereunder. Each Party will advise the other, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order or the suspension of the qualification of the Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction. Each of the Company and Parent will use reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated.

(d) If at any time prior to the Effective Time, any information relating to Parent or the Company, or any of their respective Affiliates, officers or directors, should be discovered by Parent or the Company that should be set forth in an amendment or supplement to the Registration Statement or the Joint Proxy Statement, so that such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party which discovers such information shall promptly notify the other Party and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by applicable Law, disseminated to the stockholders of the Company and Parent.

6.6 Stockholders Meetings.

(a) The Company shall use commercially reasonable efforts to take all action necessary in accordance with applicable Laws and the Organizational Documents of the Company to duly give notice of, convene and hold (in person or virtually, in accordance with applicable Law) a meeting of the holders of Company Common Stock for the purpose of obtaining the Company Stockholder Approval, to be held as promptly as reasonably practicable following the clearance of the Joint Proxy Statement by the SEC and the Registration Statement is declared effective by the SEC. Except as permitted by Section 6.3, the Company Board shall recommend that the holders of Company Common Stock vote in favor of the adoption of this Agreement at the Company Stockholders Meeting and the Company Board shall solicit from the holders of Company Common Stock proxies in favor of the adoption of this Agreement, and the Joint Proxy Statement shall include the Company Board Recommendation. Notwithstanding anything to the contrary contained in this Agreement, the Company may, without Parent's prior written consent, adjourn, postpone or otherwise delay the Company Stockholders Meeting (i) if the Company believes in good faith that such adjournment is reasonably necessary to allow reasonable additional time to (A) solicit additional proxies necessary to obtain the Company Stockholder Approval or (B) ensure that any legally required supplement or amendment to the Joint Proxy Statement is provided to the holders of Company Common Stock, (ii) if, as of the time for which the Company Stockholders Meeting is scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at such Company Stockholders Meeting, (iii) if and to the extent such postponement or adjournment of the Company Stockholders Meeting is required by an order issued by any court or other Governmental Entity of competent jurisdiction in connection with this Agreement or (iv) if the Parent Stockholders Meeting has been adjourned or postponed by Parent in accordance with Section 6.6(b), to the extent necessary to enable the Company Stockholders Meeting and the Parent Stockholders Meeting to be held within a single period of 24 consecutive hours as contemplated by Section 6.6(c); provided, however, that, unless otherwise agreed to by the Parties, in the case of any adjournment or postponement pursuant to clauses (i) or (ii) above, the Company Stockholders Meeting shall not be adjourned or postponed to a date that is more than 20 Business Days after the date for which the meeting was previously scheduled; and provided, further that the Company Stockholders Meeting shall not be adjourned or postponed to a date on or after the date that is two Business Days prior to the End Date. If requested by Parent, the Company shall promptly provide all voting tabulation reports relating to the Company Stockholders Meeting that have been prepared by the Company or the Company's transfer agent, proxy solicitor or other Representative, and shall otherwise keep Parent reasonably informed regarding the status of the solicitation. Unless there has been a Company Change of Recommendation in accordance with Section 6.3, the Parties agree to cooperate and use their reasonable best efforts to defend against any efforts by any of the holders of Company Common Stock or any other Person to prevent the Company Stockholder Approval from being obtained. Once the Company has established a record date for the Company Stockholders Meeting, the Company shall not change such record date or establish a different record date for the Company Stockholders Meeting without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed), unless required to do so by applicable Law or its Organizational Documents or in connection with a postponement or adjournment permitted under this Agreement. Without the prior written consent of Parent or as required by applicable Law, (i) unless part of an annual meeting, the adoption of this Agreement shall be the only matter (other than a non-binding advisory proposal regarding compensation that may be paid or become payable to the named executive officers of the Company in connection with the Merger and matters of procedure) that the Company shall propose to be acted on by the holders of Company Common Stock at the Company Stockholders Meeting and, other than customary annual meeting proposals at an annual meeting, the Company shall not submit any other proposal to such stockholders in connection with the Company Stockholders Meeting or otherwise (including any proposal inconsistent with the adoption of this Agreement or the consummation of the Transactions) and (ii) other than customary annual meeting proposals at an annual meeting, the Company shall not call any meeting of the holders of Company Common Stock other than the Company Stockholders Meeting.

(b) Parent shall use commercially reasonable efforts to take all action necessary in accordance with applicable Laws and the Organizational Documents of Parent to duly give notice of, convene and hold (in person or virtually, in accordance with applicable Law) a meeting of the holders of Parent Common Stock for the purpose of obtaining the Parent Stockholder Approval, to be held as promptly as reasonably practicable following the clearance of the Joint Proxy Statement by the SEC and the Registration Statement is declared effective by the SEC. Except as permitted by Section 6.4, the Parent Board shall recommend that the holders of Parent Common Stock vote in favor of the issuance of Parent Common Stock in the Merger and the Parent Charter Amendment and the Parent Board shall solicit from holders of Parent Common Stock proxies in favor of the Parent Stock Issuance and the Parent Charter Amendment, and the Joint Proxy Statement shall include the Parent Board Recommendation. Notwithstanding anything to the contrary contained in this Agreement, Parent may, without the prior written consent of the Company, adjourn, postpone or otherwise delay the Parent Stockholders Meeting (i) if Parent believes in good faith that such adjournment is reasonably necessary to allow reasonable additional time to (A) solicit additional proxies necessary to obtain the Parent Stockholder Approval or (B) ensure that any legally required supplement or amendment to the Joint Proxy Statement is provided to the holders of Parent Common Stock, (ii) if, as of the time for which the Parent Stockholders Meeting is scheduled, there are insufficient shares of Parent Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at such Parent Stockholders Meeting, (iii) if and to the extent such postponement or adjournment of the Parent Stockholders Meeting is required by an order issued by any court or other Governmental Entity of competent jurisdiction in connection with this Agreement or (iv) if the Company Stockholders Meeting has been adjourned or postponed by the Company in accordance with Section 6.6(a), to the extent necessary to enable the Parent Stockholders Meeting and the Company Stockholders Meeting to be held within a single period of 24 consecutive hours as contemplated by Section 6.6(c); provided, however, that, unless otherwise agreed to by the Parties, in the case of any adjournment or postponement pursuant to clauses (i) or (ii) above, the Parent Stockholders Meeting shall not be adjourned or postponed to a date that is more than 20 Business Days after the date for which the meeting was previously scheduled; and provided, further that the Parent Stockholders Meeting shall not be adjourned or postponed to a date on or after the date that is two Business Days prior to the End Date. If requested by the Company, Parent shall promptly provide all voting tabulation reports relating to the Parent Stockholders Meeting that have been prepared by Parent or Parent's transfer agent, proxy solicitor or other Representative, and shall otherwise keep the Company reasonably informed regarding the status of the solicitation. Unless there has been a Parent Change of Recommendation in accordance with Section 6.4, the Parties agree to cooperate and use their reasonable best efforts to defend against any efforts by any of the holders of Parent Common Stock or any other Person to prevent the Parent Stockholder Approval from being obtained. Once Parent has established a record date for the Parent Stockholders Meeting, Parent shall not change such record date or establish a different record date for the Parent Stockholders Meeting without the prior written consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed), unless required to do so by applicable Law or its Organizational Documents or in connection with a postponement or adjournment permitted under this Agreement. Without the prior written consent of the Company or as required by applicable Law, (i) unless part of an annual meeting, the adoption of the Parent Charter Amendment and the Parent Stock Issuance shall be the only matters that Parent shall propose to be acted on by the holders of Parent Common Stock at the Parent Stockholders Meeting and, other than customary annual meeting proposals at an annual meeting, Parent shall not submit any other proposal to such stockholders in connection with the Parent Stockholders Meeting or otherwise (including any proposal inconsistent with the Parent Charter Amendment, Parent Stock Issuance or the consummation of the Transactions) and (ii) other than customary annual meeting proposals at an annual meeting, Parent shall not call any meeting of the holders of Parent Common Stock other than the Parent Stockholders Meeting.

(c) The Parties shall cooperate and use their reasonable best efforts to set the record dates for and hold the Company Stockholders Meeting and the Parent Stockholders Meeting, as applicable, on the same day.

(d) Without limiting the generality of the foregoing, each of the Company and Parent agrees that its obligations to hold the Company Stockholders Meeting and the Parent Stockholders Meeting, as applicable, pursuant to this Section 6.6 shall not be affected by the making of a Company Change of Recommendation or a Parent Change of Recommendation, as applicable, and its obligations pursuant to this Section 6.6 shall not be affected by the commencement, announcement, disclosure or communication to the Company or Parent, as applicable, of any Company Competing Proposal or Parent Competing Proposal or other proposal (including, as applicable, a Company Superior Proposal or Parent Superior Proposal) or the occurrence or disclosure of any Company Intervening Event or Parent Intervening Event.

(e) Prior to the execution of this Agreement, Parent, as the sole stockholder of Merger Sub, shall have duly executed and delivered to Merger Sub and the Company a written consent, to be effective by its terms immediately following execution of this Agreement, adopting this Agreement, pursuant to Sections 228 and 251(c) of the DGCL.

6.7 Access to Information.

(a) Subject to applicable Law and the other provisions of this Section 6.7, during the period prior to the earlier of the Effective Time and the termination of this Agreement pursuant to the terms of Section 8.1, the Company and Parent each shall (and shall cause its Subsidiaries to), upon request by the other, furnish the other with all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Joint Proxy Statement, the Registration Statement, or any other statement, filing, notice or application made by or on behalf of Parent, the Company or any of their respective Subsidiaries to any third party or any Governmental Entity in connection with the Transactions. The Company and Parent each shall, and shall cause each of its Subsidiaries to, afford to the other Party and its Representatives, during the period prior to the earlier of the Effective Time and the termination of this Agreement pursuant to the terms of Section 8.1, reasonable access, at normal business hours upon reasonable prior notice, to the officers, key employees, agents, properties, offices and other facilities of the Company or Parent, as applicable, and each of their Subsidiaries, as applicable, and to their books, records, contracts and documents and shall, and shall cause each of its Subsidiaries to, furnish reasonably promptly to the Company or Parent, as applicable, and each of their Representatives, as applicable, such information concerning its and its Subsidiaries' business, properties, contracts, records and personnel as may be reasonably requested, from time to time, by or on behalf of the Company or Parent, as applicable. The Company or Parent, as applicable, and each of its Representatives, as applicable, shall conduct any such activities referred to in this Section 6.7(a) in such a manner as not to interfere unreasonably with the business or operations of the Company or Parent, as applicable, or each of its Subsidiaries, as applicable, or otherwise cause any unreasonable interference with the prompt and timely discharge by the employees of the Company or Parent, as applicable, and each of its Subsidiaries, as applicable, of their normal duties. Any such activities shall be coordinated through the General Counsels of Parent and the Company or their designees. Notwithstanding the foregoing:

(i) no Party shall be required to, or to cause any of its Subsidiaries to, grant access or furnish information, as applicable, to the other Party or any of its Representatives to the extent that such information is subject to an attorney/client privilege or the attorney work product doctrine or that such access or the furnishing of such information, as applicable, is prohibited by applicable Law or an existing contract or agreement (provided, however, the Company or Parent, as applicable, shall inform the other Party as to the general nature of the information that is being withheld and the Company and Parent, as applicable, shall reasonably cooperate to make appropriate substitute arrangements to permit reasonable disclosure that does not suffer from any of the foregoing impediments, including through the use of commercially reasonable efforts to (A) obtain the required Consent or waiver of any third party required to provide such information and (B) implement appropriate and mutually agreeable measures to permit the disclosure of such information in a manner to remove the basis for the objection, including by arrangement of appropriate clean room procedures, redaction or entry into a customary joint defense agreement with respect to any information to be so provided, if the Parties determine that doing so would reasonably permit the disclosure of such information without violating applicable Law or jeopardizing such privilege); and

(ii) no investigation or information provided pursuant to this Section 6.7 shall affect or be deemed to modify any representation or warranty made by the Company, Parent or Merger Sub in this Agreement.

(b) The Confidentiality Agreement, dated as of September 14, 2023, between Parent and the Company (as supplemented by that certain Clean Team Addendum to Confidentiality Agreement, the "Confidentiality Agreement") shall survive the execution and delivery of this Agreement in accordance with the terms thereof and shall apply to all confidential information furnished under this Agreement.

6.8 HSR and Other Approvals.

(a) Except for the filings and notifications made pursuant to Regulatory Laws to which the other subsections of this Section 6.8, and not this Section 6.8(a), shall apply, promptly following the execution of this Agreement, the Parties shall proceed to prepare and file with the appropriate Governmental Entities and other third parties all authorizations, Consents, notifications, certifications, registrations, declarations and filings that are necessary, proper or advisable in order to consummate the Transactions and shall diligently and expeditiously prosecute, and shall cooperate fully with each other in the prosecution of, such matters. Notwithstanding the foregoing (but subject to the other subsections of this Section 6.8), in no event shall either the Company or Parent or any of their respective Affiliates be required to pay any consideration to any third parties or give anything of value to obtain any such Person's authorization, approval, Consent or waiver to effectuate the Transactions, other than filing, recordation or similar fees. Subject to Section 6.5, Parent and the Company shall have the right to review in advance and, to the extent reasonably practicable, each will consult with the other on and consider in good faith the views of the other in connection with, all of the information relating to Parent or the Company, as applicable, and any of their respective Subsidiaries, that appears in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the Transactions. Subject to Section 6.8(c), neither Party nor its Subsidiaries shall agree to any actions, restrictions or conditions with respect to obtaining any Consents, registrations, approvals, permits, expirations of waiting periods or authorizations in connection with the Transactions without the prior written consent of the other Party (which consent may be withheld in such other Party's sole discretion).

(b) Parent and the Company shall cooperate and use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to assist and cooperate with one another in doing, all things necessary, proper or advisable to obtain any and all necessary actions or nonactions, Consents, clearances, approvals and expirations or termination of any waiting periods pursuant to any applicable Regulatory Law so as to consummate and make effective the Merger and the other Transactions prior to the End Date, including (i) preparing and filing any notification and report forms required under the HSR Act no later than 15 Business Days following the date of this Agreement; (ii) preparing and filing any other filings or notifications (or drafts thereof) under any other applicable Regulatory Law as promptly as reasonably practicable following the date of this Agreement; and (iii) responding to and complying with, as promptly as reasonably practicable, any request for additional information, documentary material or data by any Governmental Entity pursuant to the HSR Act or any other applicable Regulatory Law. In furtherance of the foregoing, Parent and the Company shall not (A) commit to or agree, or allow any of their respective Affiliates to commit to or agree, with any Governmental Entity to (1) stay, toll or extend any applicable waiting period under the HSR Act, (2) pull and refile or resubmit the notification and report forms pursuant to the HSR Act as applicable to the Merger or the other Transactions, (3) not consummate the Merger or any other Transactions before an agreed date, or (4) any timing agreement, without the prior written consent of the other party; or (B) take any action that could reasonably be expected to hinder or delay in any material respect the obtaining of clearance or the expiration of the required waiting period under the HSR Act or Consent, clearance, approval or the expiration or termination of any waiting period under any other applicable Regulatory Law.

(c) Subject to the following proviso, nothing in this [Section 6.8](#) or otherwise in this Agreement will require Parent, Merger Sub or the Company to take any action, including entering into any consent decree, hold separate or other arrangements, that requires (i) selling, divesting or disposing of any share capital or other equity voting interests, assets (whether tangible or intangible), businesses, contracts, divisions, operations or properties of Parent, the Company, or any of their respective Subsidiaries, (ii) terminating, transferring or creating relationships, contractual rights or other obligations of Parent, the Company, or any of their respective Subsidiaries, or (iii) otherwise taking or committing to take actions that after Closing would limit Parent's, the Company's and any of their respective Affiliates' freedom of action with respect to, or their ability to retain, any share capital or other equity voting interests, assets (whether tangible or intangible), businesses, divisions, operations or properties of Parent or the Company or any of their respective Subsidiaries, provided, however, that Parent, Merger Sub and the Company shall be required to take, or cause to be taken, such actions set forth in clauses (i)-(iii) of this [Section 6.8\(c\)](#) as may be necessary to avoid or eliminate any impediment under any Regulatory Law so as to enable the Closing to occur no later than the End Date if such actions are (x) conditioned on the Closing and (y) not reasonably expected to materially impair the benefits or advantages the Parties expect to receive from the Merger. Notwithstanding the foregoing, neither the Company or Parent shall take, or agree with any Governmental Entity to take (or permit any of its Subsidiaries to take or agree to take), any such action or actions pursuant to this [Section 6.8\(c\)](#) without the prior written consent of the Company (in the case of Parent) or Parent (in the case of the Company).

(d) If any administrative or judicial action, including any action by a private party, is instituted (or threatened to be instituted) challenging the Merger or any other transaction contemplated in this Agreement as violative of any Regulatory Law, each of Parent and the Company shall use its respective best efforts to contest and resist any such action and to have vacated, lifted, reversed or overturned any order on or before the End Date, whether temporary, preliminary or permanent, that results from such action and that prohibits, prevents or restricts consummation of the Merger or any other transaction contemplated by this Agreement.

(e) Parent and the Company shall (i) consult and cooperate in all respects with each other in connection with any filing or submission with a Governmental Entity and with any investigation or other inquiry by or before a Governmental Entity or any other Person, (ii) keep the other party informed of any communication received by such party from any Governmental Entity or other Person (and in the case of written communications, furnish the other parties with a copy of such communication), (iii) permit the other party to review and discuss in advance, and consider in good faith the views of the other parties in connection with any proposed filing, submission or other communication to any Governmental Entity or other Person, (iv) promptly provide a copy of any such filing, submission or communication made (or, in the case of an oral communication, a summary of such communication) by any party to a Governmental Entity or other Person, and (v) to the extent not prohibited by the applicable Governmental Entity, give the other party the opportunity to attend and participate in any phone, videoconference, in-person or other meeting or conference, in each case of clauses (i)-(v), solely as it relates to any review, investigation, inquiry or other action pursuant to any applicable Regulatory Law in connection with the Merger or the other Transactions.

(f) Each of Parent and the Company shall pay 50% of any filing fees payable to any Governmental Entity with respect to any filings made by the Parties pursuant to this Section 6.8 under any applicable Regulatory Law.

6.9 Employee Matters.

(a) The Parties agree that, prior to the Closing, the Parties shall cooperate in reviewing, evaluating and analyzing the Company Plans and Parent Plans with a view toward developing appropriate new Employee Benefit Plans (the "New Plans") with respect to each individual who is employed as of the Closing Date by the Company or a Subsidiary thereof and who remains employed by Parent or any of its Subsidiaries (including the Surviving Corporation or any of its Subsidiaries) (a "Company Employee") and each individual who is employed as of the Closing Date by Parent or a Subsidiary thereof and who remains employed by Parent or any of its Subsidiaries (including the Surviving Corporation or any of its Subsidiaries) (a "Parent Employee"), which New Plans will, to the extent permitted by applicable law, and among other things, (A) treat similarly situated employees on a substantially equivalent basis, taking into account all relevant factors, including duties, geographic location, tenure, qualifications and abilities, and (B) not discriminate between employees who were covered by Company Plans, on the one hand, and those covered by Parent Plans, on the other hand, at the Effective Time. In addition, the Parties agree that, for the period beginning on the Closing Date and ending on the first anniversary of the Closing Date, each Company Employee and each Parent Employee shall be provided with (i) a total target cash compensation opportunity (consisting of base salary or wages, as applicable, and annual cash incentive opportunity) that is no less favorable than that provided to such employee immediately prior to the Closing; provided that a Company Employee's or a Parent Employee's base compensation (salary or wages, as applicable) shall not be reduced below the level in effect for such employee as of immediately prior to the Closing Date; (ii) target long-term incentive compensation opportunity that is no less favorable than that provided to such employee immediately prior to the Closing Date, which opportunity shall be provided so that no Company Employee or Parent Employee will be deprived of annual long-term incentive compensation awards for any calendar year as a result of differences in grant timing of long-term incentive awards by the Company and Parent prior to the Closing Date; (iii) employee benefits (including retirement plan participation but excluding severance benefits) that are no less favorable in the aggregate than those in effect for such employee immediately prior to the Closing Date; and (iv) eligibility for severance benefits that are no less favorable than those in effect for such employee as of immediately prior to the Closing Date. For the avoidance of doubt, New Plans may include a Parent Plan or a Company Plan, as determined by the Parties in accordance with the spirit of this Section 6.9.

(b) From and after the Effective Time, as applicable, for all purposes under the New Plans, each Company Employee shall be credited with his or her years of service with the Company and its Subsidiaries prior to the Effective Time, and each Parent Employee shall be credited with his or her years of service with Parent and its Subsidiaries prior to the Effective Time, to the same extent as such employee was entitled, before the Effective Time, to credit for such service under any corresponding Company Plan or Parent Plan, as applicable, except for benefit accrual under any New Plan that is a "defined benefit plan" as defined in Section 3(35) of ERISA, for purposes of eligibility for any retiree medical, dental or life insurance benefits or disability benefits, or to the extent it would result in a duplication of benefits for the same period of service.

(c) From and after the Effective Time, as applicable, the Parties shall, or shall cause the Surviving Corporation and its Subsidiaries to, (i) cause each Company Employee and Parent Employee and his or her eligible dependents to be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan replaces coverage under a comparable Company Plan or Parent Plan in which such employee participated immediately before the Effective Time (such plans, collectively, the "Old Plans"); (ii) for purposes of each New Plan providing medical, dental, pharmaceutical or vision benefits to any Company Employee or Parent Employee, cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such employee and his or her covered dependents; and (iii) use commercially reasonable efforts to give each Company Employee and Parent Employee credit under the applicable New Plans for the plan year in which the Closing Date occurs toward applicable deductibles and annual out-of-pocket limits for medical expenses incurred prior to the Closing Date under the corresponding Old Plans for which payment has been made, in each case, to the extent permitted by the applicable insurance plan provider.

(d) Each Continuing Employee who, as of immediately prior to the Effective Time, is eligible for an annual cash bonus under a Parent Plan or Company Plan for calendar year 2024, shall receive an annual bonus for 2024 (to the extent such bonus is not otherwise paid prior to the Effective Time) in an amount not less than the amount payable based on the reasonable projection of Parent or the Company, as applicable, as of immediately prior to the Effective Time, of performance achievement for calendar year 2024 under the terms of the applicable Parent Plan or Company Plan, determined in a manner consistent with past practice and payable no later than 30 days following the Effective Time.

(e) From and after the Effective Time, the Company and Parent shall honor, and shall cause their Subsidiaries to honor, all Company Plans and Parent Plans in accordance with their terms. The Parties agree that the Merger shall constitute a "change in control," "change of control," or term of similar import under each applicable Company Plan, each applicable Parent Plan, any employment agreement with a Company Employee that is substantially similar to the employment agreement that is a Company SEC Document and any employment agreement with a Parent Employee that is substantially similar to the employment agreement that is a Parent SEC Document.

(f) The Company will provide to Parent current, updated calculations related to Section 280G of the Code that it obtains from the advisor that it retains to perform such calculations, promptly following receipt of such calculations and shall provide to Parent the most recent version of such calculations that exists ten Business Days prior to Closing (it being agreed, however, that Parent shall not be in breach of this obligation unless it has both (x) been notified by the Company of such breach and (y) failed to cure such breach by delivering the most recent version of such calculations within two Business Days of receipt of such notice).

(g) Nothing in this Agreement shall constitute an amendment to, or be construed as amending, any Employee Benefit Plan sponsored, maintained or contributed to by the Company, Parent or any of their respective Subsidiaries. The provisions of this Section 6.9 are for the sole benefit of the Parties, and nothing in this Section 6.9, expressed or implied, is intended or will be construed to confer upon or give to any Person (including, for the avoidance of doubt, any Company Employee, any Parent Employee or any other service provider (who is a natural person) of the Company, Parent or any of their respective Subsidiaries), other than the Parties and their respective permitted successors and assigns, any third-party beneficiary, legal or equitable or other rights or remedies (including with respect to the matters provided for in this Section 6.9) under or by reason of any provision of this Agreement. Nothing in this Agreement is intended or shall be deemed to (i) establish, modify or amend any Company Plan or Parent Plan, (ii) prevent or limit the ability of Company, Parent, the Surviving Corporation or any of their respective Affiliates from amending or terminating any of their respective Employee Benefit Plans or, after the Effective Time, any New Plan, or (iii) prevent or limit the ability of the Company, Parent, the Surviving Corporation or any of their respective Affiliates to discharge or terminate the employment or service of any employee, officer, director or other service provider of the Company, Parent, the Surviving Corporation or any of their respective Affiliates.

6.10 Indemnification; Directors' and Officers' Insurance.

(a) Without limiting any other rights that any Indemnified Person may have pursuant to any employment agreement or indemnification agreement in effect as if the entry into this Agreement or otherwise, from and after the Effective Time, Parent and the Surviving Corporation shall, jointly and severally, indemnify, defend and hold harmless each Person who is now, or has been at any time prior to the entry into this Agreement or who becomes prior to the Effective Time, a director or officer of the Company or any of its Subsidiaries or who acts as a fiduciary under any Company Plan, in each case, when acting in such capacity (the "Indemnified Persons") against all losses, claims, damages, costs, fines, penalties, expenses (including attorneys' and other professionals' fees and expenses), Liabilities or judgments or amounts that are paid in settlement, of or incurred in connection with any Threatened or actual Proceeding to which such Indemnified Person is a party or is otherwise involved (including as a witness) based, in whole or in part, on or arising, in whole or in part, out of the fact that such Person is or was a director or officer of the Company or any of its Subsidiaries, a fiduciary under any Company Plan or is or was serving at the request of the Company or any of its Subsidiaries as a director, officer or fiduciary of another corporation, partnership, limited liability company, joint venture, Employee Benefit Plan, trust or other enterprise, as applicable, or by reason of anything done or not done by such Person in any such capacity, whether pertaining to any act or omission occurring or existing prior to or at, but not after, the Effective Time and whether asserted or claimed prior to, at or after the Effective Time ("Indemnified Liabilities"), including all Indemnified Liabilities based in whole or in part on, or arising in whole or in part out of, or pertaining to, this Agreement or the Transactions, in each case to the fullest extent permitted under applicable Law (and Parent and the Surviving Corporation shall, jointly and severally, pay expenses incurred in connection therewith in advance of the final disposition of any such Proceeding to each Indemnified Person to the fullest extent permitted under applicable Law). Any Indemnified Person wishing to claim indemnification or advancement of expenses under this Section 6.10, upon learning of any such Proceeding, shall notify the Surviving Corporation (but the failure so to notify shall not relieve a Party from any obligations that it may have under this Section 6.10 except to the extent such failure materially prejudices such Party's position with respect to such claims). With respect to any determination of whether any Indemnified Person is entitled to indemnification by Parent or the Surviving Corporation under this Section 6.10, such Indemnified Person shall have the right, as contemplated by the DGCL, to require that such determination be made by special, independent legal counsel selected by the Indemnified Person and approved by Parent or the Surviving Corporation, as applicable (which approval shall not be unreasonably withheld or delayed), and who has not otherwise performed material services for Parent, the Surviving Corporation or the Indemnified Person within the last three years.

(b) From and after the Effective Time, Parent and the Surviving Corporation shall not amend, repeal or otherwise modify any provision in the Organizational Documents of the Surviving Corporation or any of its Subsidiaries in any manner that would affect (or manage the Surviving Corporation or its Subsidiaries, with the intent to or in a manner that would affect) adversely the rights thereunder of any Indemnified Person to indemnification, exculpation and advancement, except to the extent required by applicable Law. Parent shall, and shall cause the Surviving Corporation to, fulfill and honor any indemnification, expense advancement or exculpation agreements between the Company or any of its Subsidiaries and any of its directors, or officers existing and in effect prior to the entry into this Agreement.

(c) From and after the Effective Time, Parent and the Surviving Corporation shall indemnify any Indemnified Person against all reasonable costs and expenses (including reasonable attorneys' fees and expenses), such amounts to be payable in advance upon request as provided in Section 6.10(a), relating to the enforcement of such Indemnified Person's rights under this Section 6.10 or under any charter, bylaw or contract; provided, that, to the extent required by applicable Law, such Indemnified Person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined by final adjudication that such Indemnified Person is not entitled to indemnification.

(d) Parent and the Company will cause to be put in place and maintain, and Parent shall fully prepay immediately prior to, and conditioned upon the occurrence of, the Effective Time, "tail" insurance policies with a claims period of at least six years from the Effective Time (the "Tail Period") from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to directors' and officers' liability insurance ("D&O Insurance") in an amount and scope at least as favorable as the Company's existing policies with respect to matters, acts or omissions existing or occurring at or prior to, but not after, the Effective Time; provided, however, that in no event shall the aggregate cost of the D&O Insurance exceed during the Tail Period 300% of the current aggregate annual premium paid by the Company for such purpose; and provided, further, that, if the cost of such insurance coverage exceeds such amount, the Company shall obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(e) In the event that, prior to the sixth anniversary of the Effective Time, Parent or the Surviving Corporation or any of its successors or assignees after the Effective Time (i) consolidates with or merges into any other Person and shall not be the continuing or surviving company or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, in each such case, proper provisions shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 6.10. Parent and the Surviving Corporation shall not sell, transfer, distribute or otherwise dispose of any of their assets in a manner that would reasonably be expected to render Parent or Surviving Corporation unable to satisfy their obligations under this Section 6.10. The provisions of this Section 6.10 are intended to be for the benefit of, and shall be enforceable by, the Parties and each person entitled to indemnification or insurance coverage or expense advancement pursuant to this Section 6.10, and his heirs and Representatives. The rights of the Indemnified Persons under this Section 6.10 are in addition to any rights such Indemnified Persons may have under the Organizational Documents of the Company or any of its Subsidiaries, or under any applicable contracts or Law.

6.11 Transaction Litigation. In the event any Proceeding by any Governmental Entity or other Person is commenced or, to the knowledge of the Company or Parent, as applicable, Threatened, that questions the validity or legality of the Transactions or seeks damages in connection therewith, including stockholder litigation (“Transaction Litigation”), the Company or Parent, as applicable, shall promptly notify the other Party of such Transaction Litigation and shall keep the other Party reasonably informed with respect to the status thereof. The Company or Parent, as applicable, shall give the other Party a reasonable opportunity to participate in the defense or settlement of any Transaction Litigation and shall consult regularly with the other Party in good faith and give reasonable consideration to the other Party’s advice with respect to such Transaction Litigation; provided that the Company or Parent, as applicable, shall not cease to defend, consent to the entry of any judgment, settle or offer to settle any Transaction Litigation without the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned or delayed).

6.12 Public Announcements. The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the Parties. No Party shall, and each Party will cause its Representatives not to, issue any public announcements or make other public disclosures regarding this Agreement or the Transactions without the prior written approval of the other Party. Notwithstanding the foregoing, a Party, its Subsidiaries or their Representatives may issue a public announcement or other public disclosure to the extent such announcement or other disclosure is (a) required by applicable Law, (b) required by the rules of any stock exchange upon which such Party’s or its Subsidiary’s capital stock is traded or (c) consistent with the final initial press release with respect to the execution of this Agreement and the investor presentation given to investors on the date of announcement of the execution and delivery of this Agreement; provided, in each case, such Party uses reasonable best efforts to afford the other Party a reasonable opportunity to first review the content of the proposed disclosure and provide reasonable comments thereon; and provided, however, that no provision in this Agreement shall be deemed to restrict in any manner a Party’s ability to communicate with its employees and that neither Party shall be required by any provision of this Agreement to consult with or obtain any approval from any other Party with respect to a public announcement or press release issued in connection with the receipt and existence of a Company Competing Proposal or a Parent Competing Proposal, as applicable, and matters related thereto or a Company Change of Recommendation or Parent Change of Recommendation, as applicable, other than as set forth in Section 6.3 or Section 6.4, as applicable.

6.13 Advice of Certain Matters; Control of Business. Subject to compliance with applicable Law, the Company and Parent, as the case may be, shall confer on a regular basis with each other and shall promptly provide each other (or their respective counsel) copies of all filings made by such Party or its Subsidiaries with the SEC or any other Governmental Entity in connection with this Agreement and the Transactions, to the extent permitted by applicable Law. Without limiting in any way any Party’s rights or obligations under this Agreement, nothing contained in this Agreement shall give any Party, directly or indirectly, the right to control or direct the other Party and their respective Subsidiaries’ operations prior to the Effective Time. Prior to the Effective Time, each of the Parties shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries’ respective operations.

6.14 Reasonable Best Efforts: Notification.

(a) Except to the extent that the Parties' obligations are specifically set forth elsewhere in this Article VI (including filings, notifications, required efforts, actions and other matters with respect to Regulatory Laws governed by Section 6.8), upon the terms and subject to the conditions set forth in this Agreement (including Section 6.3 and Section 6.4), each of the Parties shall use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to assist and cooperate with the other Party in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner reasonably practicable, the Merger and the other Transactions.

(b) Subject to applicable Law and as otherwise required by any Governmental Entity, the Company and Parent each shall keep the other apprised of the status of matters relating to the consummation of the Transactions, including promptly furnishing the other with copies of notices or other communications received by Parent or the Company, as applicable, or any of its Subsidiaries, from any third party or any Governmental Entity with respect to the Transactions (including those alleging that the approval or Consent of such Person is or may be required in connection with the Transactions).

6.15 Section 16 Matters. Prior to the Effective Time, Parent, Merger Sub and the Company shall take all such steps as may be reasonably necessary, proper or advisable to cause any dispositions of equity securities of the Company (including derivative securities) or acquisitions of equity securities of Parent (including derivative securities) in connection with this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, or will become subject to such reporting requirements with respect to Parent, to be exempt under Rule 16b-3 under the Exchange Act.

6.16 Stock Exchange Listing and Delistings. Parent shall take all action necessary, proper and advisable to cause the Parent Common Stock to be issued in the Merger to be approved for listing on the NYSE prior to the Effective Time, subject to official notice of issuance. Prior to the Closing Date, the Company shall cooperate with Parent and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Law and rules and policies of the NYSE to enable the delisting by the Surviving Corporation of the shares of Company Common Stock from the NYSE and the deregistration of the shares of Company Common Stock under the Exchange Act as promptly as practicable after the Effective Time. If the Surviving Corporation is required to file any quarterly or annual report pursuant to the Exchange Act by a filing deadline that is imposed by the Exchange Act and which falls on a date within the 15 days following the Closing Date, then, upon Parent's reasonable request, the Company shall make available to Parent, at least ten Business Days prior to the Closing Date (or, if such request occurs within ten Business Days of the Closing Date, promptly following such request), a substantially advanced draft of any such annual or quarterly report reasonably likely to be required to be filed during such period (it being agreed, however, that the Company shall not be in breach of this obligation unless it has both (x) been notified by Parent of such breach and (y) failed to cure such breach by delivering the most recent version of such annual or quarterly report within two Business Days of receipt of such notice).

6.17 Financing and Indebtedness. During the period from the entry into this Agreement to the Effective Time, the Parties hereto shall cooperate in good faith to mutually determine and use reasonable best efforts to implement any necessary, appropriate or desirable arrangements in anticipation of the consummation of the Transactions, regarding each Party's and its Subsidiaries' credit agreements, indentures or other documents governing or relating to Indebtedness of the parties and their Subsidiaries, including arrangements by way of amendments, consents, offers to exchange, offers to purchase, redemption, payoff, new financing or otherwise, with respect to refinancing or retaining a Party's or its Subsidiaries' credit agreements or senior notes.

6.18 Tax Matters. Each of Parent, Merger Sub and the Company will (and will cause its respective Subsidiaries to) use its reasonable best efforts to cause the Merger to qualify, and will not take, cause to be taken, knowingly fail to take or knowingly cause to fail to be taken (and will cause its Subsidiaries not to take, cause to be taken, knowingly fail to take, or knowingly cause to fail to be taken) any actions that would, or would reasonably be expected to, prevent or impede the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code. Each of Parent, Merger Sub and the Company will use its reasonable best efforts and will cooperate with one another to obtain (x) an opinion of Latham & Watkins LLP (or another nationally recognized tax counsel reasonably acceptable to the Company) ("Company Tax Counsel"), dated as of the Closing Date (the "Company Tax Opinion") to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the Merger should qualify as a "reorganization" within the meaning of Section 368(a) of the Code, (y) in connection with the filing of the Registration Statement, an opinion of each of Wachtell, Lipton, Rosen & Katz (or another nationally recognized tax counsel reasonably acceptable to Parent) ("Parent Tax Counsel") and Company Tax Counsel, each dated as of such date as may be required by the SEC in connection with the filing of the Registration Statement, to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the Merger should qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and (z) any other opinion(s) of counsel to be issued in connection with the declaration of effectiveness of the Registration Statement by the SEC (or as of the Closing Date) regarding the U.S. federal income tax treatment of the Transactions. In connection with the foregoing, (i) Parent shall deliver to Company Tax Counsel and Parent Tax Counsel a duly executed officer's certificate in substantially the form set forth in Schedule 6.18 of the Parent Disclosure Letter, with any modifications reasonably requested by such counsel, and (ii) the Company shall deliver to Company Tax Counsel and Parent Tax Counsel a duly executed officer's certificate in substantially the form set forth in Schedule 6.18 of the Company Disclosure Letter, with any modifications reasonably requested by such counsel, in the case of each of clauses (i) and (ii) at such times as such counsel shall reasonably request (including in connection with the effectiveness of the Registration Statement and at the Closing). Parent and the Company shall also provide such other information as reasonably requested by Company Tax Counsel or Parent Tax Counsel for purposes of rendering any opinion described in this Section 6.18.

6.19 Takeover Laws. None of the Parties will take any action that would cause the Transactions to be subject to requirements imposed by any Takeover Laws, and each of them will take all reasonable steps within its control to exempt (or ensure the continued exemption of) the Transactions from the Takeover Laws of any state that purport to apply to this Agreement or the Transactions.

6.20 Obligations of Merger Sub. Parent shall take all action necessary to cause Merger Sub and the Surviving Corporation to perform their respective obligations under this Agreement.

6.21 Dividends. Prior to the Effective Time, each of Parent and the Company shall coordinate with each other regarding the declaration and payment of dividends in respect of shares of Company Common Stock and Parent Common Stock and the record and payment dates relating thereto, so that no holders of Company Common Stock shall receive two dividends, or (if dividends are declared in such quarter) fail to receive one dividend, for any single calendar quarter with respect to its applicable shares of Company Common Stock and Parent Common Stock received as Merger Consideration. For the avoidance of doubt, Parent and the Company shall be permitted to declare and pay dividends solely to the extent permitted under Section 6.1 and Section 6.2.

ARTICLE VII CONDITIONS PRECEDENT

7.1 Conditions to Each Party's Obligation to Consummate the Merger. The respective obligation of each Party to consummate the Merger is subject to the satisfaction at or prior to the Effective Time of the following conditions, any or all of which may be waived jointly by the Parties, in whole or in part, to the extent permitted by applicable Law:

(a) Stockholder Approvals. The Company Stockholder Approval and the Parent Stockholder Approval shall have been obtained.

(b) Regulatory Approval. (i) Any waiting period (and any extension thereof or timing agreements entered into with any Governmental Entity in accordance with Section 6.8) applicable to the Transactions under the HSR Act shall have been terminated or shall have expired, and (ii) all applicable filings, notifications, Consents, clearances, approvals and expirations or termination of any waiting periods (or extensions thereof) under each other applicable Regulatory Law relating to the Transactions as set forth on Section 7.1(b) of the Parent Disclosure Letter shall have been made, obtained, expired, or terminated, as the case may be.

(c) No Injunctions or Restraints. No Governmental Entity having jurisdiction over any Party shall have issued any order, decree, ruling, injunction or other action that is in effect (whether temporary, preliminary or permanent) restraining, enjoining or otherwise prohibiting the consummation of the Merger, and no Law shall have been enacted after the entry into this Agreement that makes consummation of the Merger illegal or otherwise prohibited.

(d) Registration Statement. The Registration Statement shall have been declared effective by the SEC under the Securities Act and shall not be the subject of any stop order or Proceedings seeking a stop order.

(e) NYSE Listing. The shares of Parent Common Stock issuable to the holders of shares of Company Common Stock pursuant to this Agreement shall have been authorized for listing on the NYSE, subject only to official notice of issuance.

7.2 Additional Conditions to Obligations of Parent and Merger Sub. The obligations of Parent and Merger Sub to consummate the Merger are subject to the satisfaction at or prior to the Effective Time of the following conditions, any or all of which may be waived exclusively by Parent, in whole or in part, to the extent permitted by applicable Law:

(a) Representations and Warranties of the Company. (i) The representations and warranties of the Company set forth in Section 4.2(a) (Capital Structure) and the second and fourth sentences of Section 4.2(b) (Capital Structure) shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date, in all but any *de minimis* respects (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time); (ii) the representations and warranties of the Company set forth in Section 4.6(a) (Absence of Certain Changes or Events) and Section 4.21 (Brokers) shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time); (iii) the representations and warranties of the Company set forth in Section 4.3(a) (Authority; No Violations; Consents and Approvals) and all other representations and warranties of the Company set forth in Section 4.2(b) (Capital Structure) shall have been true and correct in all material respects as of the date of this Agreement and shall be true and correct in all material respects as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct in all material respects only as of such date or period of time); and (iv) all other representations and warranties of the Company set forth in Article IV (A) which are qualified by a “Company Material Adverse Effect” shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time) and (B) which are not qualified by a “Company Material Adverse Effect” shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time), except, in the case of this clause (iv)(B), where the failure of any such representation or warranty to be so true and correct has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(b) Performance of Obligations of the Company. The Company shall have performed, or complied with, in all material respects all agreements and covenants required to be performed or complied with by it under this Agreement at or prior to the Effective Time.

(c) Compliance Certificate. Parent shall have received a certificate of the Company signed by an executive officer of the Company, dated the Closing Date, confirming that the conditions in Sections 7.2(a) and (b) have been satisfied.

7.3 Additional Conditions to Obligations of the Company. The obligation of the Company to consummate the Merger is subject to the satisfaction at or prior to the Effective Time of the following conditions, any or all of which may be waived exclusively by the Company, in whole or in part, to the extent permitted by applicable Law:

(a) Representations and Warranties of Parent and Merger Sub. (i) The representations and warranties of Parent and Merger Sub set forth in Section 5.2(a) (Capital Structure) and the second sentence, fourth sentence, and sixth sentence of Section 5.2(b) (Capital Structure) shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date, in all but any *de minimis* respects (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time); (ii) the representations and warranties of Parent and Merger Sub set forth in Section 5.6(a) (Absence of Certain Changes or Events) and Section 5.21 (Brokers) shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time); (iii) the representations and warranties of Parent and Merger Sub set forth in Section 5.3(a) (Authority; No Violations; Consents and Approvals) and all other representations and warranties of Parent set forth in Section 5.2(b) (Capital Structure) shall have been true and correct in all material respects as of the date of this Agreement and shall be true and correct in all material respects as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct in all material respects only as of such date or period of time); and (iv) all other representations and warranties of Parent and Merger Sub set forth in Article V (A) which are qualified by a "Parent Material Adverse Effect" shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time), and (B) which are not qualified by a "Parent Material Adverse Effect" shall have been true and correct as of the date of this Agreement and shall be true and correct as of the Closing Date, as though made on and as of the Closing Date (except that representations and warranties that speak as of a specified date or period of time shall have been true and correct only as of such date or period of time), except, in the case of this clause (iv)(B), where the failure of any such representation or warranty to be so true and correct that would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Performance of Obligations of Parent and Merger Sub. Parent and Merger Sub each shall have performed, or complied with, in all material respects all agreements and covenants required to be performed or complied with by them under this Agreement at or prior to the Effective Time.

(c) Compliance Certificate. The Company shall have received a certificate of Parent signed by an executive officer of Parent, on behalf of Parent and Merger Sub and dated the Closing Date, confirming that the conditions in Sections 7.3(a) and b) have been satisfied.

(d) Company Tax Opinion. The Company shall have received the Company Tax Opinion.

7.4 Frustration of Closing Conditions. None of the Parties may rely, either as a basis for not consummating the Merger or for terminating this Agreement, on the failure of any condition set forth in Section 7.1, 7.2 or 7.3, as the case may be, to be satisfied if such failure was caused by such Party's breach in any material respect of any provision of this Agreement.

ARTICLE VIII TERMINATION

8.1 Termination. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether (except as expressly set forth below) before or after the Company Stockholder Approval or the Parent Stockholder Approval has been obtained:

- (a) by mutual written consent of the Company and Parent;
- (b) by either the Company or Parent:

(i) if any Governmental Entity having jurisdiction over any Party shall have issued any order, decree, ruling or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger and such order, decree, ruling or injunction or other action shall have become final and nonappealable, or if there shall be adopted any Law that permanently makes consummation of the Merger illegal or otherwise permanently prohibited; provided, however, that the right to terminate this Agreement under this Section 8.1(b)(i) shall not be available to the Company, on the one hand, or Parent, on the other hand, if the failure of the Company, on the one hand, or either of Parent or Merger Sub, on the other hand, to fulfill any material covenant or agreement under this Agreement has been the cause of, materially contributed to or resulted in the action or event described in this Section 8.1(b)(i), occurring;

(ii) subject to the last sentence of Section 9.9, if the Merger shall not have been consummated on or before 11:59 p.m. Eastern time on August 20, 2025 (such date and time, as it may be extended, or such date and time as may be otherwise agreed by the Company and Parent in writing, the "End Date"); provided that if on such date and time, one or more of the conditions to the Closing set forth in (A) Section 7.1(b), or (B) Section 7.1(c) (if, in the case of clause (B), the order, decree, ruling, injunction or other action or Law, as applicable, relates to a Regulatory Law) shall not have been satisfied, but all other conditions to the Closing shall have been satisfied (or in the case of conditions that by their terms are to be satisfied at the Closing, shall be capable of being satisfied or waived on such date) or waived, then the End Date shall be automatically extended until 11:59 p.m. Eastern time on November 20, 2025 (or such other date and time as may be otherwise agreed by the Company and Parent in writing); provided, however, that the right to terminate this Agreement under this Section 8.1(b)(ii) shall not be available to the Company, on the one hand, or Parent, on the other hand, if the failure of the Company, on the one hand, or either of Parent or Merger Sub, on the other hand, to fulfill any material covenant or agreement under this Agreement, including Section 6.8, has been the cause of, materially contributed to or resulted in the failure of the Merger to occur on or before such date;

(iii) in the event of a breach of any representation, warranty, covenant or other agreement contained in this Agreement which would give rise to the failure of a condition set forth in Section 7.2(a), or Section 7.2(b) (with respect to Parent as the terminating Party) or Section 7.3(a) or Section 7.3(b) (with respect to the Company as the terminating Party), as applicable (and such breach is not curable prior to the End Date, or if curable prior to the End Date, has not been cured by the earlier of (i) 30 days after the giving of written notice to the breaching Party of such breach and (ii) five Business Days prior to the End Date) (a "Terminable Breach"); provided, however, that the terminating Party (or Merger Sub, with respect to Parent as the terminating Party) is not then in Terminable Breach of any representation, warranty, covenant or other agreement contained in this Agreement; or

(iv) if (A) the Company Stockholder Approval shall not have been obtained upon a vote held at a duly held and completed Company Stockholders Meeting after, if applicable, final adjournment and postponement, or (B) the Parent Stockholder Approval shall not have been obtained upon a vote held at a duly held and completed Parent Stockholders Meeting after, if applicable, final adjournment and postponement;

(c) by Parent, prior to, but not after, the time the Company Stockholder Approval is obtained, if the Company Board or a committee thereof shall have effected a Company Change of Recommendation (whether or not such Company Change of Recommendation is permitted by this Agreement); or

(d) by the Company, prior to, but not after, the time the Parent Stockholder Approval is obtained, if the Parent Board or a committee thereof shall have effected a Parent Change of Recommendation (whether or not such Parent Change of Recommendation is permitted by this Agreement).

8.2 Notice of Termination; Effect of Termination

(a) A terminating Party shall provide written notice of termination to the other Party specifying with particularity the reason for such termination and any valid termination in accordance with the terms of this Agreement shall be effective immediately upon delivery of such written notice to the other Party.

(b) In the event of termination of this Agreement by any Party as provided in Section 8.1, this Agreement shall forthwith become void and there shall be no Liability or obligation on the part of any Party, except with respect to this Section 8.2, Section 6.7(b), Section 8.3 and Article I and IX (and the provisions that substantively define any related defined terms not substantively defined in such Sections and Articles (including Annex A)); provided, however, that notwithstanding anything to the contrary in this Agreement, no such termination shall relieve any Party from Liability for any damages for a Willful and Material Breach of any covenant, agreement or obligation under this Agreement or actual fraud (as defined under Delaware law) to the extent arising out of the express representations and warranties made by a Party under Article IV or Article V, as applicable (including the loss to the stockholders of Parent or the Company, as applicable, of the benefits of the transactions contemplated by this Agreement).

8.3 Expenses and Other Payments.

(a) Except as otherwise provided in this Agreement, each Party shall pay its own expenses incident to preparing for, entering into and carrying out this Agreement and the consummation of the Transactions, whether or not the Merger shall be consummated. For the avoidance of doubt, Parent shall bear and pay the expenses incurred in connection with the filing of the Registration Statement and the printing and mailing to the stockholders of Parent of the Joint Proxy Statement and the Company shall bear and pay the expenses incurred in connection with the filing, printing and mailing to the stockholders of the Company of the Joint Proxy Statement. Except as otherwise provided in Section 3.3(b)(v), all transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees imposed with respect to, or as a result of, the Merger shall be borne by Parent or the Surviving Corporation, and expressly shall not be a Liability of holders of Company Common Stock.

(b) If (i) Parent terminates this Agreement pursuant to Section 8.1(c) (Company Change of Recommendation), (ii) Parent or the Company terminates this Agreement pursuant to Section 8.1(b)(ii) (End Date) and, in the case of clause (ii) only, both the Company Stockholder Approval shall not have been obtained and the Company Board or a committee thereof shall have effected a Company Change of Recommendation, or (iii) the Company terminates this Agreement pursuant to Section 8.1(b)(iv)(A) (Failure to Obtain Company Stockholder Approval) at a time when Parent had the right to terminate this Agreement pursuant to Section 8.1(c) (Company Change of Recommendation), then the Company shall pay Parent the Company Termination Fee in cash by wire transfer of immediately available funds to an account designated by Parent no later than two Business Days after notice of termination of this Agreement.

(c) If (i) the Company terminates this Agreement pursuant to Section 8.1(d) (Parent Change of Recommendation), (ii) Parent or the Company terminates this Agreement pursuant to Section 8.1(b)(ii) (End Date) and, in the case of clause (ii) only, both the Parent Stockholder Approval shall not have been obtained and the Parent Board or a committee thereof shall have effected a Parent Change of Recommendation, or (iii) Parent terminates this Agreement pursuant to Section 8.1(b)(iv)(B) (Failure to Obtain Parent Stockholder Approval) at a time when the Company had the right to terminate this Agreement pursuant to Section 8.1(d) (Parent Change of Recommendation), then Parent shall pay the Company the Parent Termination Fee in cash by wire transfer of immediately available funds to an account designated by the Company no later than two Business Days after notice of termination of this Agreement.

(d) If either the Company or Parent terminates this Agreement pursuant to (i) Section 8.1(b)(iv)(A) (Failure to Obtain Company Stockholder Approval), other than in the circumstances described in Section 8.3(b) or Section 8.3(c), then the Company shall pay Parent the Expense Amount or (ii) Section 8.1(b)(iv)(B) (Failure to Obtain Parent Stockholder Approval), other than in the circumstances described in Section 8.3(c) or Section 8.3(f), then Parent shall pay the Company the Expense Amount, in each case, no later than two Business Days after notice of termination of this Agreement.

(e) If (i) (A) Parent or the Company terminates this Agreement pursuant to Section 8.1(b)(iv)(A) (Failure to Obtain Company Stockholder Approval), and on or before the date of any such termination a Company Competing Proposal made after the entry into this Agreement but before any termination shall have been publicly announced or publicly disclosed and not been publicly withdrawn without qualification at least five Business Days prior to the Company Stockholders Meeting or (B) the Company or Parent terminates this Agreement pursuant to Section 8.1(b)(ii) (End Date) or Parent terminates this Agreement pursuant to Section 8.1(b)(iii) (Company Terminable Breach) and following the execution of this Agreement and on or before the date of any such termination a Company Competing Proposal shall have been publicly announced or publicly disclosed and not publicly withdrawn without qualification at least five Business Days prior to the date of such termination, and (ii) (x) within nine months after the date of such termination, the Company enters into a definitive agreement with respect to a Company Competing Proposal and (y) such transaction is subsequently consummated, whether during or following such nine-month period, then the Company shall pay Parent, within two Business Days of the consummation of such transaction, the Company Termination Fee less any amount previously paid by the Company pursuant to Section 8.3(d)(i). It is understood and agreed that with respect to the preceding clauses (i) and (ii), any reference in the definition of Company Competing Proposal to "20%" shall be deemed to be a reference to "50%."

(f) If (i) (A) Parent or the Company terminates this Agreement pursuant to Section 8.1(b)(iv)(B) (Failure to Obtain Parent Stockholder Approval), and on or before the date of any such termination a Parent Competing Proposal made after the entry into this Agreement but before any termination shall have been publicly announced or publicly disclosed and not been publicly withdrawn without qualification at least five Business Days prior to the Parent Stockholders Meeting or (B) the Company or Parent terminates this Agreement pursuant to Section 8.1(b)(ii) (End Date) or the Company terminates this Agreement pursuant to Section 8.1(b)(iii) (Parent Terminable Breach) and following the execution of this Agreement and on or before the date of any such termination a Parent Competing Proposal shall have been publicly announced or publicly disclosed and not publicly withdrawn without qualification at least five Business Days prior to the date of such termination, and (ii) (x) within nine months after the date of such termination, Parent enters into a definitive agreement with respect to a Parent Competing Proposal and (y) such transaction is subsequently consummated, whether during or following such nine-month period, then Parent shall pay the Company, within two Business Days of the consummation of such transaction, the Parent Termination Fee less any amount previously paid by Parent pursuant to Section 8.3(d)(ii). It is understood and agreed that (1) with respect to the preceding clause (i) and (ii), any reference in the definition of Parent Competing Proposal to "20%" shall be deemed to be a reference to "50%."

(g) In no event shall Parent be entitled to receive more than one payment of the Company Termination Fee or more than one payment of the Expense Amount. If Parent receives the Company Termination Fee, then Parent will not be entitled to also receive a payment of the Expense Amount; upon payment of any Company Termination Fee, any Expense Amount previously paid by the Company shall be credited against the amount of the Company Termination Fee. In no event shall the Company be entitled to receive more than one payment of the Parent Termination Fee or more than one payment of the Expense Amount. If the Company receives the Parent Termination Fee, then the Company will not be entitled to also receive a payment of the Expense Amount; upon payment of any Parent Termination Fee, any Expense Amount previously paid by Parent shall be credited against the amount of the Parent Termination Fee. The Parties agree that the agreements contained in this [Section 8.3](#) are an integral part of the Transactions, and that, without these agreements, the Parties would not enter into this Agreement. If a Party fails to promptly pay the amount due by it pursuant to this [Section 8.3](#), interest shall accrue on such amount from the date such payment was required to be paid pursuant to the terms of this Agreement until the date of payment at the rate equal to the greater of 5% per annum and the federal funds rate. If, in order to obtain such payment, the other Party commences a Proceeding that results in judgment for such Party for such amount, the defaulting Party shall pay the other Party its reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such Proceeding. The Parties agree that the monetary remedies set forth in this [Section 8.3](#) and the equitable remedies set forth in [Section 9.9](#) shall be the sole and exclusive remedies of (i) the Company and its Subsidiaries against Parent and Merger Sub and any of their respective former, current or future directors, officers, stockholders, Representatives or Affiliates for any loss suffered as a result of the failure of the Merger to be consummated except in the case of actual fraud (as defined under Delaware law) to the extent arising out of the express representations and warranties made by Parent under [Article V](#) or a Willful and Material Breach of any covenant, agreement or obligation (in which case only Parent and Merger Sub shall be liable for damages for such fraud or Willful and Material Breach), and, upon payment of such amount, none of Parent or Merger Sub or any of their respective former, current or future directors, officers, stockholders, Representatives or Affiliates shall have any further Liability or obligation relating to or arising out of this Agreement or the Transactions, except for the Liability of Parent or Merger Sub, as applicable, in the case of actual fraud (as defined under Delaware law) to the extent arising out of the express representations and warranties made by Parent under [Article V](#) or a Willful and Material Breach of any covenant, agreement or obligation; and (ii) Parent and Merger Sub against the Company and its Subsidiaries and any of their respective former, current or future directors, officers, stockholders, Representatives or Affiliates for any loss suffered as a result of the failure of the Merger to be consummated except in the case of actual fraud (as defined under Delaware law) to the extent arising out of the express representations and warranties made by the Company under [Article IV](#) or a Willful and Material Breach of any covenant, agreement or obligation (in which case only the Company shall be liable for damages for such fraud or Willful and Material Breach), and, upon payment of such amount, none of the Company and its Subsidiaries or any of their respective former, current or future directors, officers, stockholders, Representatives or Affiliates shall have any further Liability or obligation relating to or arising out of this Agreement or the Transactions, except for the Liability of the Company in the case of actual fraud (as defined under Delaware law) to the extent arising out of the express representations and warranties made by the Company under [Article IV](#) or a Willful and Material Breach of any covenant, agreement or obligation.

ARTICLE IX GENERAL PROVISIONS

9.1 [Survival](#). Except as otherwise provided in this Agreement, none of the representations, warranties, agreements and covenants contained in this Agreement will survive the Closing; provided, however, that [Article I](#) (and the provisions that substantively define any related defined terms not substantively defined in [Article I](#) (including [Annex A](#))), this [Article IX](#) and the agreements of the Parties in [Articles II](#) and [III](#), and [Section 4.24](#) (No Additional Representations), [Section 5.25](#) (No Additional Representations), [Section 6.9](#) (Employee Matters), [Section 6.10](#) (Indemnification; Directors' and Officers' Insurance), [Section 6.18](#) (Tax Matters), and those other covenants and agreements contained in this Agreement that by their terms apply, or that are to be performed in whole or in part, after the Closing, shall survive the Closing. The Confidentiality Agreement shall (i) survive termination of this Agreement in accordance with its terms and (ii) terminate as of the Effective Time.

9.2 Notices. All notices, requests and other communications to any Party under, or otherwise in connection with, this Agreement shall be in writing and shall be deemed to have been duly given (a) upon receipt, if delivered in person, (b) upon transmission, if transmitted by electronic mail ("e-mail") (excluding "undeliverable" or similar automated replies); or (c) the next succeeding Business Day, if transmitted by national overnight courier (providing proof of delivery), in each case as addressed as follows (or to such other address as any Party shall specify by written notice so given):

9.3 Rules of Construction.

(a) Each of the Parties acknowledges that it has been represented by counsel of its choice throughout all negotiations that have preceded the execution of this Agreement and that it has executed the same with the advice of said independent counsel. Each Party and its counsel cooperated in the drafting and preparation of this Agreement and the documents referred to in this Agreement, and any and all drafts relating thereto exchanged between the Parties shall be deemed the work product of the Parties and may not be construed against any Party by reason of its preparation. Accordingly, any rule of law or any legal decision that would require interpretation of any ambiguities in this Agreement against any Party that drafted it is of no application and is expressly waived.

(b) The inclusion of any information in the Company Disclosure Letter or Parent Disclosure Letter shall not be deemed an admission or acknowledgment, in and of itself and solely by virtue of the inclusion of such information in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, that such information is required to be listed in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, that such items are or may be material to the Company and its Subsidiaries, taken as a whole, or Parent and its Subsidiaries, taken as a whole, as the case may be, or that such items have resulted or may result in a Company Material Adverse Effect or a Parent Material Adverse Effect. The headings, if any, of the individual sections of each of the Parent Disclosure Letter and the Company Disclosure Letter are inserted for convenience only and shall not be deemed to constitute a part thereof or a part of this Agreement. The Company Disclosure Letter and Parent Disclosure Letter are arranged in sections corresponding to the Sections of this Agreement merely for convenience, and the disclosure of an item in one section of the Company Disclosure Letter or Parent Disclosure Letter, as applicable, as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on its face, notwithstanding the presence or absence of an appropriate section of the Company Disclosure Letter or Parent Disclosure Letter with respect to such other representations or warranties or an appropriate cross reference thereto. Each of the Company Disclosure Letter and the Parent Disclosure Letter is qualified in its entirety by reference to the specific provisions of this Agreement, and is not intended to constitute, and shall not be construed as constituting, representations and warranties of the Company, Parent or Merger Sub, as applicable, except as and to the extent provided in this Agreement. The Parties agree that the disclosure set forth in any particular section or subsection of the Company Disclosure Letter or Parent Disclosure Letter, as applicable, shall be deemed to be an exception to (or, as applicable, a disclosure for purposes of) (i) the representations and warranties or covenants of the Company or Parent and Merger Sub, as applicable, that are set forth in the corresponding Section or subsection of this Agreement (whether or not there is a corresponding reference to the Company Disclosure Letter or Parent Disclosure Letter in such Section or subsection of this Agreement), and (ii) any other representations and warranties or covenants of the Company or Parent and Merger Sub, as applicable, that are set forth in this Agreement, but in the case of this clause (ii) only if the relevance of that disclosure as an exception to (or a disclosure for purposes of) such other representations and warranties (or covenants, as applicable) is reasonably apparent on the face of such disclosure. Neither the Company Disclosure Letter nor the Parent Disclosure Letter shall be deemed to be part of this Agreement but shall instead constitute facts ascertainable outside of this Agreement for purposes of Section 251 of the DGCL.

(c) The specification of any dollar amount in the representations and warranties or otherwise in this Agreement or in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, is not intended and shall not be deemed to be an admission or acknowledgment of the materiality of such amounts or items, nor shall the same be used in any dispute or controversy between or among the Parties to determine whether any obligation, item or matter (whether or not described in this Agreement or included in any schedule) is or is not material for purposes of this Agreement.

(d) All references in this Agreement to Annexes, Exhibits, Schedules, Articles, Sections, subsections and other subdivisions refer to the corresponding Annexes, Exhibits, Schedules, Articles, Sections, subsections and other subdivisions of this Agreement unless expressly provided otherwise. The words "this Agreement," "herein," "hereby," "hereunder," "hereto" and "hereof" and words of similar import, refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The words "this Section," "this subsection" and words of similar import, refer only to the Sections or subsections hereof in which such words occur. Unless the context otherwise requires, the word "including" (in its various forms) means "including, without limitation." For purposes of this Agreement, pronouns in masculine, feminine or neuter genders shall be construed to state and include any other gender and words, terms and titles (including terms defined in this Agreement) in the singular form shall be construed to include the plural and vice versa, unless the context otherwise expressly requires. Unless the context otherwise requires, all defined terms contained in this Agreement shall include the singular and plural and the conjunctive and disjunctive forms of such defined terms. Unless the context otherwise requires, all references in this Agreement to a specific time shall refer to New York, New York time. As used in this Agreement: (i) unless the context otherwise requires, the word "or" is not exclusive; (ii) the word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends and such phrase shall not mean simply "if"; (iii) references to "written" or "writing" include in electronic form; and (iv) the term "dollars" and the symbol "\$" mean United States Dollars. The table of contents and headings in this Agreement are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof.

9.4 Counterparts. This Agreement may be executed in two or more counterparts, including via facsimile or e-mail in "portable document format" (".pdf") form transmission, all of which shall be considered one and the same agreement and shall become effective when two or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart.

9.5 Entire Agreement; No Third Party Beneficiaries. This Agreement (together with the Confidentiality Agreement and any other documents and instruments executed pursuant hereto) constitutes the entire agreement and supersedes all prior agreements, understandings, representations and warranties, both written and oral, among the Parties with respect to the subject matter hereof. The Company Disclosure Letter and the Parent Disclosure Letter do not form part of this Agreement but instead operate upon the terms of this Agreement as provided in this Agreement. Except for (a) the provisions of Section 6.10 (which from and after the Effective Time are intended for the benefit of, and shall be enforceable by, the Persons referred to in Section 6.10 and by their respective heirs and Representatives), but only from and after the Effective Time, and (b) the rights of the Company, on behalf of the Company's stockholders (each of which are third party beneficiaries of this Agreement to the extent required for this provision to be enforceable), and the rights of Parent, on behalf of Parent's stockholders (each of which are third party beneficiaries of this Agreement to the extent required for this provision to be enforceable), to pursue specific performance as set forth in Section 9.9 or, if specific performance is not sought or granted as a remedy, damages (including damages based on the loss of the benefits of the transactions contemplated by this Agreement to such stockholders) in accordance with Section 8.2(b) in the event of fraud or Willful and Material Breach (it being agreed that in no event shall any Company or Parent shareholder be entitled to enforce any of their rights, or any of the party's obligations, under this Agreement directly in the event of any such breach, but rather that (i) the Company shall have the sole and exclusive right to do so in its sole and absolute discretion, as agent for the Company's stockholders, and (ii) Parent shall have the sole and exclusive right to do so in its sole and absolute discretion, as agent for Parent's stockholders, and the Company or Parent, as applicable, may retain any amounts obtained in connection therewith), nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the Parties any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

9.6 Governing Law; Venue; Waiver of Jury Trial.

(a) THIS AGREEMENT, AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT, OR THE NEGOTIATION, EXECUTION OR PERFORMANCE OF THIS AGREEMENT, SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY PRINCIPLES OF CONFLICTS OF LAW THEREOF THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION.

(b) THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF THE COURT OF CHANCERY OF THE STATE OF DELAWARE OR, SOLELY IF THE COURT OF CHANCERY OF THE STATE OF DELAWARE OR THE DELAWARE SUPREME COURT DETERMINES THAT, NOTWITHSTANDING SECTION 111 OF THE DGCL, THE COURT OF CHANCERY OF THE STATE OF DELAWARE DOES NOT HAVE OR SHOULD NOT EXERCISE SUBJECT MATTER JURISDICTION OVER SUCH MATTER, THE SUPERIOR COURT OF THE STATE OF DELAWARE AND THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA LOCATED IN THE STATE OF DELAWARE SOLELY IN CONNECTION WITH ANY DISPUTE THAT ARISES IN RESPECT OF THE INTERPRETATION AND ENFORCEMENT OF THE PROVISIONS OF THIS AGREEMENT AND THE DOCUMENTS REFERRED TO IN THIS AGREEMENT OR IN RESPECT OF THE TRANSACTIONS, AND WAIVE, AND AGREE NOT TO ASSERT, AS A DEFENSE IN ANY ACTION, SUIT OR PROCEEDING FOR INTERPRETATION OR ENFORCEMENT HEREOF OR ANY SUCH DOCUMENT THAT IT IS NOT SUBJECT THERETO OR THAT SUCH ACTION, SUIT OR PROCEEDING MAY NOT BE BROUGHT OR IS NOT MAINTAINABLE IN SAID COURTS OR THAT VENUE THEREOF MAY NOT BE APPROPRIATE OR THAT THIS AGREEMENT OR ANY SUCH DOCUMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS, AND THE PARTIES IRREVOCABLY AGREE THAT ALL CLAIMS WITH RESPECT TO SUCH ACTION, SUIT OR PROCEEDING SHALL BE HEARD AND DETERMINED EXCLUSIVELY BY SUCH A DELAWARE STATE OR FEDERAL COURT. THE PARTIES CONSENT TO AND GRANT ANY SUCH COURT JURISDICTION OVER THE PERSON OF SUCH PARTIES AND OVER THE SUBJECT MATTER OF SUCH DISPUTE AND AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH SUCH ACTION, SUIT OR PROCEEDING IN THE MANNER PROVIDED IN SECTION 9.2 OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY APPLICABLE LAW SHALL BE VALID AND SUFFICIENT SERVICE THEREOF.

9.7 Severability. Each Party agrees that, should any court or other competent authority hold any provision of this Agreement or part hereof to be invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such other term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the greatest extent possible.

9.8 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any of the Parties (whether by operation of Law or otherwise) without the prior written consent of the other Party. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns. Any purported assignment in violation of this Section 9.8 shall be void and of no effect.

9.9 Specific Performance. The Parties agree that irreparable damage, for which monetary damages would not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached by the Parties. Prior to the termination of this Agreement pursuant to Section 8.1, it is accordingly agreed that each Party shall be entitled to an injunction or injunctions, or any other appropriate form of specific performance or equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction, in each case in accordance with this Section 9.9, this being in addition to any other remedy to which it is entitled under the terms of this Agreement at law or in equity. Each Party accordingly agrees (a) the non-breaching Party will be entitled to injunctive and other equitable relief, without proof of actual damages, (b) the alleged breaching Party will not raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement all in accordance with the terms of this Section 9.9, and (c) the alleged breaching Party will not plead in defense thereto that there would be an adequate remedy at Law. Each Party further agrees that no other Party or any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.9, and each Party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument. If prior to the End Date, any Party hereto brings an action to enforce specifically the performance of the terms and provisions hereof by any other Party, the End Date shall automatically be extended by such other time period established by the court presiding over such action. A Party's pursuit of an injunction, specific performance or other equitable remedies at any time shall not be deemed an election of remedies or waiver of the right to pursue any other right or remedy to which such Party may be entitled.

9.10 Amendment. This Agreement may be amended by the Parties at any time before or after adoption of this Agreement by the stockholders of the Company or the approval of the Parent Stock Issuance by the stockholders of Parent, but, after any such adoption or approval, no amendment shall be made which would require the further approval by such stockholders pursuant to applicable Law without first obtaining such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

9.11 Extension; Waiver. At any time prior to the Effective Time, the Company and Parent may, to the extent allowed under applicable Law:

- (a) extend the time for the performance of any of the obligations or acts of the other Party under this Agreement;
- (b) waive any inaccuracies in the representations and warranties of the other Party contained in this Agreement or in any document delivered pursuant to this Agreement; or
- (c) waive compliance with any of the agreements or conditions of the other Party contained in this Agreement.

Notwithstanding the foregoing, no failure or delay by the Company or Parent in exercising any right, power or privilege under this Agreement shall operate as a waiver of any breach of any provision hereof or of any prior or subsequent breach of the same or any other provision hereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise of any other right, power or privilege under this Agreement. No agreement on the part of a Party to any such extension or waiver shall be valid unless set forth in an instrument in writing signed by such Party.

An annual meeting of the stockholders of the Corporation for the purpose of electing directors and conducting such other proper business as may come before the meeting shall be held at such date, time and place (if any) as may be fixed by resolution of the Board of Directors.

SECTION 2.2. Special Meetings. Subject to the rights of the holders of any then outstanding series of stock having a preference over the Common Stock of the Corporation as to dividends, voting or upon liquidation ("Preferred Stock") with respect to such series of Preferred Stock, special meetings of the stockholders may be called only by or at the direction of (i) the Chair of the Board of Directors, the Chief Executive Officer or the Board of Directors pursuant to a resolution adopted by a majority of the total number of directors which the Corporation would have if there were no vacancies (the "Whole Board"), and any power of stockholders to call a special meeting is specifically denied. The record date for, and the date, time, and place (if any) of, any special meeting, shall be fixed by the Board of Directors.

SECTION 2.3. Place of Meeting. The Board of Directors or the Chair of the Board of Directors, as the case may be, may designate the place of meeting for any annual or special meeting of the stockholders. If no designation is so made, the place of meeting shall be the principal office of the Corporation. The Board of Directors may also, in its sole discretion, determine that any meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication in accordance with the General Corporation Law of the State of Delaware (the "DGCL"). If authorized by the Board of Directors in its sole discretion, and subject to such guidelines and procedures as the Board of Directors may adopt and in accordance with the DGCL, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication (a) participate in a meeting of stockholders; and (b) be deemed present in person and vote at a meeting of stockholders whether such meeting is to be held at a designated place or solely by means of remote communication.

In the case of notice given by commercial delivery service, such notice shall be deemed to be given when delivered into the control of the persons charged with effecting such delivery, the delivery charge to be paid by the Corporation or the person sending such notice and not by the addressee. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the stockholder attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. A stockholder may also waive notice of a meeting as provided in Section 7.4 of these Bylaws. Any previously scheduled meeting of the stockholders may be postponed, and (unless the Amended and Restated Certificate of Incorporation of the Corporation (as amended from time to time, the "Certificate of Incorporation") otherwise provides) any special meeting of the stockholders may be cancelled, by resolution of the Board of Directors upon public notice given prior to the date previously scheduled for such meeting of stockholders.

The Chair of the Board of Directors, the Chief Executive Officer or chair of a meeting may adjourn or postpone the meeting for any purpose (including due to a technical failure to convene or continue a meeting using remote communication) and to any other time and other place (if any) at which a meeting may be held under these Bylaws. When a meeting is adjourned to another time or place (if any), notice need not be given of the adjourned meeting if: (a)(i) the time, the place (if any), and the means of remote communication, if any, by which stockholders may be deemed to be present and vote at the meeting, are: (A) announced at the meeting at which the adjournment is taken; (B) displayed during the time for the meeting, on the same electronic network used to enable stockholders to participate in the meeting by means of remote communication; or (C) set forth in the notice of the meeting given in accordance with these Bylaws; and (ii) the date of the adjourned meeting is not more than thirty (30) days after the date for which the meeting was originally noticed, or if a new record date is fixed for the adjourned meeting, notice stating the place (if any), date, time, and means of remote communication, if any, will be sent as provided in Section 2.4 of these Bylaws or (b) otherwise permitted by applicable law. The stockholders present at a duly called meeting at which a quorum is present may continue to transact business until adjournment or postponement, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

(B) Special Meetings of Stockholders. At any special meeting of the stockholders, only such business shall be conducted or considered as shall have been properly brought before the meeting. To be properly brought before a special meeting, proposals of business must be (i) specified in the Corporation's notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors or (ii) otherwise properly brought before the special meeting by or at the direction of the Board of Directors; provided, however, that nothing herein shall prohibit the Board of Directors from submitting additional matters to stockholders at any such special meeting.

Nominations of individuals for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (a) by or at the direction of the Board of Directors or (b) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who (1) is a stockholder of record at the time of giving notice with respect to such special meeting and at the time of the special meeting, (2) is entitled to vote at the meeting, and (3) complies with the procedures set forth in these Bylaws as to such nomination. This Section 2.8(B) shall be the exclusive means for a stockholder to make nominations or bring other business proposals (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in the Corporation's notice of meeting) before a special meeting of stockholders.

(C) General. Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, the chair of any annual or special meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with these Bylaws and, if any proposed nomination or other business is not in compliance with these Bylaws, to declare that no action shall be taken on such nomination or other proposal and such nomination or other proposal shall be disregarded. Unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this paragraph, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

SECTION 2.9. Advance Notice of Stockholder Business and Nominations.

(A) Annual Meeting of Stockholders. Without qualification or limitation, subject to Section 2.9(C)(4) of these Bylaws, for any nominations or any other business to be properly brought before an annual meeting by a stockholder pursuant to Section 2.8(A) of these Bylaws, the stockholder must have given timely notice thereof (including, in the case of nominations, the completed and signed questionnaire, representation and agreement required by Section 2.10 of these Bylaws), and timely updates and supplements thereof, in each case in proper form, in writing to the Secretary, and such other business must otherwise be a proper matter for stockholder action.

To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred and twentieth (120th) day and not later than the close of business on the ninetieth (90th) day prior to the first anniversary of the preceding year's annual meeting. Notwithstanding the foregoing, if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after the first anniversary of the preceding year's annual meeting, then, to be timely, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred and twentieth (120th) day prior to the date of such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than one hundred (100) days prior to the date of such annual meeting, the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall any adjournment or postponement of an annual meeting, or the public announcement thereof, commence a new time period for the giving of a stockholder's notice as described above.

Notwithstanding anything in the immediately preceding paragraph to the contrary, in the event that the number of directors to be elected to the Board of Directors is increased by the Board of Directors, and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 2.9(A) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

In addition, to be considered timely, a stockholder's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting or any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof. For the avoidance of doubt, the obligation to update and supplement as set forth in this paragraph or any other Section of these Bylaws shall not limit the Corporation's rights with respect to any deficiencies in any notice provided by a stockholder, extend any applicable deadlines hereunder or under any other provision of the Bylaws or enable or be deemed to permit a stockholder who has previously submitted notice hereunder or under any other provision of the Bylaws to amend or update any proposal or to submit any new proposal, including by changing or adding nominees, matters, business and/or resolutions proposed to be brought before a meeting of the stockholders.

(B) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been properly brought before the meeting pursuant to Section 2.8(B) of these Bylaws. Subject to Section 2.9(C)(4) of these Bylaws, in the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any stockholder may nominate an individual or individuals (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, provided that the stockholder gives timely notice thereof (including the completed and signed questionnaire, representation and agreement required by Section 2.10 of these Bylaws), and timely updates and supplements thereof in each case in proper form, in writing, to the Secretary. To be timely, a stockholder's notice pursuant to the preceding sentence shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to the date of such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to the date of such special meeting or, if the first public announcement of the date of such special meeting is less than one hundred (100) days prior to the date of such special meeting, the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall any adjournment or postponement of a special meeting of stockholders, or the public announcement thereof, commence a new time period for the giving of a stockholder's notice as described above. In addition, to be considered timely, a stockholder's notice pursuant to the first sentence of this paragraph shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting or any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof.

the shares of the Corporation (any of the foregoing, a "Short Interest"), (E) any rights to dividends on the shares of the Corporation owned beneficially by such stockholder, such beneficial owner respective affiliates or associates or others acting in concert therewith is a general partner or, directly or indirectly, beneficially owns an interest in a general partner of such general or limited partnership, (G) any performance-related fees (other than an asset-based fee) to which such stockholder, such beneficial owner and/or any of their respective affiliates or associates or others acting in concert therewith is entitled based on any increase or decrease in the value of shares of the Corporation or Derivative Instruments, if any, including without limitation any such interests held by members of the immediate family sharing the same household of such stockholder, such beneficial owner and/or any of their respective affiliates or associates or others acting in concert therewith, (H) their respective affiliates or associates or others acting in concert therewith, if any, that would be required to be disclosed in a proxy statement and form of proxy or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder;

(b) If the notice relates to any business other than a nomination of a director or directors that the stockholder proposes to bring before the meeting, a stockholder's notice must, in addition to the matters set forth in paragraph (a) above, also set forth: (i) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of such stockholder, such beneficial owner and each of their respective affiliates or associates or others acting in concert therewith, if any, in such business, (ii) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such proposal or business includes a proposal to amend the Bylaws of the Corporation, the text of the proposed amendment), and (iii) a description of all agreements, arrangements and understandings between or among any of such stockholder, such beneficial owner and each of their respective affiliates or associates or others acting in concert therewith, if any, and any other person or persons (including their names) in connection with the proposal of such business by such stockholder;

(d) With respect to each individual, if any, whom the stockholder proposes to nominate for election or reelection to the Board of Directors, a stockholder's notice must, in addition to the matters set forth in paragraphs (a) and (c) above, also include a completed and signed questionnaire, representation and agreement as required by Section 2.10 of these Bylaws. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee. Notwithstanding anything to the contrary, only persons who are nominated in accordance with the procedures set forth in these Bylaws, including without limitation Sections 2.9, 2.10 and 2.11 hereof, shall be eligible for election as directors;

(e) In addition to the requirements set forth in this Section 2.9 with respect to any nomination proposed to be made at a meeting, any stockholder, beneficial owner, if any, on whose behalf the nomination is being made, or their respective affiliates and associates, or others working in concert therewith, if any, intending to solicit proxies pursuant to Rule 14a-19 of the Exchange Act shall deliver notice to the Corporation in accordance with this Section 2.9 and such notice shall include: (i) the names, business addresses, and, if known, residence addresses of all nominees for whom the stockholder, beneficial owner, if any, or their respective affiliates and associates, or others acting in concert therewith, if any, intends to solicit proxies; (ii) the names, business addresses, and, if known, residence addresses of all nominees who would be presented for election at the meeting of stockholders in the event of a need to change the stockholder's, beneficial owner's, if any, or their respective affiliates' and associates', or others' acting in concert therewith, if any, original slate; and (iii) a representation that the stockholder, beneficial owner, if any, or their respective affiliates and associates, or others acting in concert therewith intends to solicit proxies in support of director nominees other than the Corporation's nominees in accordance with Rule 14a-19 promulgated under the Exchange Act, including the solicitation of the holders of shares representing at least 67% of the voting power of shares entitled to vote on the election of directors;

(f) Upon request of the Corporation, if a stockholder, beneficial owner, if any, on whose behalf the nomination is being made, or their respective affiliates and associates, or others acting in concert therewith, if any, provides notice pursuant to Rule 14a-19(b) of the Exchange Act, such stockholder, beneficial owner, if any, or their respective affiliates and associates, or others acting in concert therewith, if any, shall deliver to the Corporation, no later than five (5) business days prior to the applicable meeting of stockholders, reasonable evidence that it has met requirements of Rule 14a-19(a)(3) of the Exchange Act; and

(g) Unless otherwise required by applicable law, if any stockholder, beneficial owner, if any, on whose behalf the nomination is being made, or their respective affiliates and associates, or others acting in concert therewith, if any, provides notice pursuant to Rule 14a-19(b) of the Exchange Act and such stockholder, beneficial owner, or their respective affiliates and associates, or others working in concert therewith subsequently fails to comply with any requirements of Rule 14a-19 of the Exchange Act, any other rules or regulations thereunder, or these Bylaws, then the Corporation will disregard any proxies or votes solicited for such nominees and such nomination will be disregarded.

(2) For purposes of these Bylaws, "public announcement" shall mean disclosure in a press release reported by a national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of these Bylaws, "affiliate" and "associate" shall have the meanings ascribed thereto in Rule 405 under the Exchange Act; provided, however, that the term "partner" as used in the definition of "associate" shall not include any limited partner that is not involved in the management of the relevant partnership.

(3) Notwithstanding the provisions of these Bylaws, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Bylaw; provided, however, that any references in these Bylaws to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit the separate and additional requirements set forth in these Bylaws with respect to nominations or proposals as to any other business to be considered.

(4) Nothing in this Section 2.9 shall be deemed to affect any rights (i) of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or (ii) of the holders of any series of Preferred Stock if and to the extent provided for under law, the Certificate of Incorporation or these Bylaws. Subject to Rule 14a-8 and Rule 14a-19 under the Exchange Act, nothing in this Section 2.9 shall be construed to permit any stockholder, or give any stockholder the right, to include or have disseminated or described in the Corporation's proxy statement any nomination of director or directors or any other business proposal.

SECTION 2.10. Submission of Questionnaire, Representation and Agreement. To be eligible to be a nominee for election or reelection as a director of the Corporation, a person nominated by a stockholder for election or reelection to the Board of Directors must deliver (in accordance with the time periods prescribed for delivery of notice under Section 2.9 of these Bylaws) to the Secretary at the principal executive offices of the Corporation a written questionnaire with respect to the background and qualification of such individual and the background of any other person or entity on whose behalf, directly or indirectly, the nomination is being made (which questionnaire shall be provided by the Secretary upon written request), and a written representation and agreement (in the form provided by the Secretary upon written request) that such individual (A) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to the Corporation, or (2) any Voting Commitment that could limit or interfere with such individual's ability to comply, if elected as a director of the Corporation, with such individual's fiduciary duties under applicable law, (B) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein, (C) will comply with the Corporation's corporate governance guidelines and other policies applicable to its directors, and has disclosed therein whether all any portion of securities of the Corporation were purchased with any financial assistance provided by any other person and whether any other person has any interest in such securities, (D) in such individual's personal capacity and on behalf of any person or entity on whose behalf, directly or indirectly, the nomination is being made, would be in compliance, if elected as a director of the Corporation, and will comply, with all applicable corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines of the Corporation publicly disclosed from time to time, (E) consents to being named as a nominee in any proxy statement pursuant to Rule 14a-4(d) under the Exchange Act and any associated proxy card and agrees to serve if elected as a director and (F) will abide by the requirements of Section 2.11 of these Bylaws.

SECTION 2.11. Procedure for Election of Directors; Required Vote.

(A) Subject to the rights of the holders of any series of Preferred Stock to elect directors under specified circumstances, a plurality of the votes cast at any meeting for the election of directors at which a quorum is present shall elect directors. The Board of Directors or chair of the meeting may, in their or his or her sole discretion, require that any votes cast for the election of directors at such meeting be cast by written ballot.

(B) If a nominee for director who is an incumbent director receives a greater number of votes "withheld" from his or her election than votes "for" such director nominee's election, he or she shall promptly tender his or her resignation to the Board of Directors following certification of the election results. The Nominating and Corporate Governance Committee shall make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board of Directors shall act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee's recommendation, and publicly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation and the rationale behind the decision within ninety (90) days from the date of the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board of Directors in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation shall not participate in the recommendation of the Nominating and Corporate Governance Committee or the decision of the Board of Directors with respect to his or her resignation. If such incumbent director's resignation is not accepted by the Board of Directors, such director shall continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If a director's resignation is accepted by the Board of Directors pursuant to these Bylaws, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board of Directors, in its sole discretion, may fill any resulting vacancy pursuant to the provisions of Section 3.10.

(C) Except as otherwise provided by law, the Certificate of Incorporation, or these Bylaws, in all matters other than the election of directors, the affirmative vote of a majority of the shares present in person or represented by proxy at a meeting at which is quorum is present and entitled to vote on the matter shall be the act of the stockholders. The Board of Directors or chair of a meeting may, in their or his or her sole discretion, require that any votes cast at such meeting shall be cast by written ballot.

(D) Any individual who is nominated for election to the Board of Directors at an annual meeting shall, if requested by the Corporation, tender an irrevocable resignation in advance of the annual meeting. Such resignation shall become effective upon a determination by the Board of Directors or any committee thereof that (1) the information provided to the Corporation by such individual or, if applicable, by any stockholder who nominated such individual, was untrue in any material respect or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading or (2) such individual or, if applicable, any stockholder who nominated such individual, shall have breached any representations or obligations owed to the Corporation under these Bylaws.

SECTION 2.12. Inspectors of Elections: Opening and Closing the Polls. The Board of Directors by resolution shall appoint one or more inspectors, which inspector or inspectors may, but does not need to, include individuals who serve the Corporation in other capacities, including, without limitation, as officers, employees, agents or representatives, to act at the meetings of stockholders and make a written report thereof. One or more persons may be designated as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate has been appointed to act or is able to act at a meeting of stockholders, the chair of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall have the duties prescribed by law. The chair of the meeting shall be appointed by the inspector or inspectors to fix and announce at the meeting the date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting.

SECTION 2.13. Stockholder Action by Written Consent. Subject to the rights of the holders of any then outstanding series of Preferred Stock with respect to such series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation at an annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice, and without a vote, only if a consent or consents in writing, setting forth the action so taken, shall be signed by all of the stockholders entitled to vote with respect to the action that is the subject of the consent.

ARTICLE III BOARD OF DIRECTORS

SECTION 3.1. General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. In addition to the powers and authorities by these Bylaws expressly conferred upon it, the Board of Directors shall have and may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders.

SECTION 3.2. Number and Tenure of Directors.

(A) Subject to the rights of the holders of any series of Preferred Stock to elect directors, the number of directors shall be fixed from time to time exclusively pursuant to a resolution adopted by the affirmative vote of a majority of the total number of directors that the Corporation would have if there were no vacancies (the "Whole Board"); provided that prior to the Expiration Date (as defined below), the number of directors shall be fixed in accordance with, and shall require the approvals set forth in, Article X of these Bylaws. No decrease in the number of authorized directors constituting the Whole Board shall shorten the term of any incumbent director.

(B) Subject to the rights of any holders of any class or any series of Preferred Stock to elect directors, all directors up for election shall be elected for a term expiring at the next annual meeting of stockholders.

SECTION 3.3. Election of Directors. The directors shall be elected at the annual meetings of stockholders as specified in the Certificate of Incorporation, except as otherwise provided in the Certificate of Incorporation or in these Bylaws, and each director of the Corporation shall hold office until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

SECTION 3.4. Regular Meetings. A regular meeting of the Board of Directors shall be held immediately after, and at the same place, if any, as, the annual meeting of stockholders, or such other date, time and place as the Board of Directors may provide by resolution without other notice than this Bylaw, or such resolution, as applicable. The Board of Directors may, by resolution, provide the date, time and place, if any, for the holding of additional regular meetings without other notice than such resolution.

SECTION 3.5. Special Meetings. Special meetings of the Board of Directors shall be called at the request of the Chair of the Board of Directors, the Chief Executive Officer or a majority of the Board of Directors then in office. The person or persons authorized to call special meetings of the Board of Directors may fix the place, if any, date and time of the meetings.

SECTION 3.6. Notice of Meeting. Notice of any special meeting of directors shall be given to each director at such person's business or residence in writing by hand delivery, first-class or overnight mail or courier service, email or facsimile transmission, or orally by telephone. If mailed by first-class mail, such notice shall be deemed adequately delivered when deposited in the United States mail so addressed, with postage thereon prepaid, at least five (5) days before such meeting. If by overnight mail or courier service, such notice shall be deemed adequately delivered when the notice is delivered to the overnight mail or courier service company at least twenty-four (24) hours before such meeting. If by email, facsimile transmission, telephone or by hand, such notice shall be deemed adequately delivered when the notice is transmitted at least twelve (12) hours before such meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice of such meeting. A meeting may be held at any time without notice if all the directors are present or if those not present waive notice of the meeting in accordance with Section 7.4 of these Bylaws.

SECTION 3.7. Action by Consent of Board of Directors. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if all members of the Board of Directors or committee, as the case may be, consent thereto in writing, or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or applicable committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

SECTION 3.8. Conference Telephone Meetings. Members of the Board of Directors, or any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at such meeting.

SECTION 3.9. Quorum. Subject to Section 3.10 of these Bylaws, a whole number of directors equal to at least a majority of the directors then in office shall constitute a quorum for the transaction of business, provided that such directors represent at least one-third of the Whole Board. If at any meeting of the Board of Directors there shall be less than a quorum present, a majority of the directors present may adjourn the meeting from time to time without further notice. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless otherwise provided by the Certificate of Incorporation, these Bylaws or the DGCL. The directors present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

SECTION 3.10. Vacancies. Subject to applicable law and the rights of the holders of any series of Preferred Stock with respect to such series of Preferred Stock, and unless the Board of Directors otherwise determines, vacancies resulting from death, resignation, retirement, disqualification, removal from office or other cause, and newly created directorships resulting from any increase in the authorized number of directors, may be filled only by the affirmative vote of a majority of the remaining directors, though less than a quorum of the Board of Directors, or by a sole remaining director, and each director so chosen shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which they have been appointed expires and until such director's successor shall have been duly elected and qualified; provided that prior to the Expiration Date, the filling of vacancies shall also be subject to the applicable provisions of Article X of these Bylaws. No decrease in the number of authorized directors constituting the Whole Board shall shorten the term of any incumbent director.

SECTION 3.11. Chair of the Board. Subject to the applicable provisions of Article X, the Board of Directors may appoint, by the affirmative vote of the majority of the directors then in office, a Chair of the Board of Directors (who may be an Executive Chair or the Chief Executive Officer) from among the directors. The Chair of the Board of Directors shall preside over all meetings of the Board of Directors and stockholders at which he or she is present. The Chair of the Board of Directors may also be an executive officer of the Corporation. If the Chair of the Board of Directors is an Executive Chair, the Executive Chair shall be an executive officer of the Corporation and shall perform such duties and possess such powers as are customarily vested in the office of the Chair of the Board of Directors of a corporation or as may be vested in him or her by the Board of Directors from time to time. The Executive Chair and Chief Executive Officer shall have joint responsibilities over the strategy, policy making, capital allocation and personnel matters of the Corporation. The Executive Chair shall have broad access to the records, management and personnel of the Corporation and its subsidiaries, including without limitation the power and authority to obtain any information about the Corporation and its operations. The Executive Chair is authorized to execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly and exclusively delegated by the Board of Directors to some other officer or agent of the Corporation. During the time of any vacancy in the office of Chief Executive Officer or in the event of the absence or disability of the Chief Executive Officer, the Executive Chair shall have the duties and powers of the Chief Executive Officer unless otherwise determined by the Board of Directors or otherwise specified herein. In no event shall any third party having dealings with the Corporation be bound to inquire as to any facts required by the terms of this Section 3.11 for the exercise by the Executive Chair of the powers of the Executive Chair.

SECTION 3.12. Committees. The Board of Directors may designate any such committee as the Board of Directors considers appropriate, which shall consist of one or more directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. Any such committee may to the extent permitted by law exercise such powers and shall have such responsibilities as shall be specified in the designating resolution. Each committee shall keep written minutes of its proceedings and shall report such proceedings to the Board of Directors as appropriate.

A majority of any committee may determine its action and fix the time and place of its meetings, unless the Board of Directors shall otherwise provide. Notice of such meetings shall be given to each member of the committee in the manner provided for in Section 3.6 of these Bylaws. The Board of Directors shall have power at any time to fill vacancies in, to change the membership of, or to dissolve, any such committee. Nothing herein shall be deemed to prevent the Board of Directors from appointing one or more committees consisting in whole or in part of persons who are not directors of the Corporation; provided, however, that no such committee shall have or may exercise any authority of the Board of Directors.

SECTION 3.13. Removal. Subject to any rights granted to the holders of shares of any series of Preferred Stock then outstanding and the applicable requirements of Article X of these Bylaws, any director may be removed at any time, either with or without cause, upon the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Corporation then entitled to vote in an election of such director.

SECTION 3.14. Records. The Board of Directors shall cause to be kept a record containing the minutes of the proceedings of the meetings of the Board and of the stockholders, appropriate stock books and registers and such books of records and accounts as may be necessary for the proper conduct of the business of the Corporation.

**ARTICLE IV
OFFICERS**

SECTION 4.1. Elected Officers. The officers of the Corporation shall be appointed by the Board of Directors, or as otherwise provided in this Article IV, and shall include a Chief Executive Officer, a President, a Chief Financial Officer, a Secretary, and such other officers as the Board of Directors from time to time may deem proper, which may include an Executive Chair, one or more Vice Presidents (including, without limitation, Senior Vice Presidents) and a Treasurer. Any number of offices may be held by the same person. All officers appointed in accordance with these Bylaws shall each have such powers and duties as generally pertain to their respective offices, subject to the specific provisions of this Article IV. Such officers shall also have such powers and duties as from time to time may be conferred by the Board of Directors or by any committee thereof, or (subject to Article X) the Chief Executive Officer in the case of any Vice President, Senior Vice President or Treasurer appointed by the Chief Executive Officer pursuant to Section 4.3. The Board or any committee thereof may from time to time elect, or the Chief Executive Officer may appoint, such other officers (including one or more Assistant Vice Presidents, Assistant Secretaries, and Assistant Treasurers) and such agents, as may be necessary or desirable for the conduct of the business of the Corporation. Such other officers and agents shall have such duties and shall hold their offices for such terms as shall be provided in these Bylaws or as may be prescribed by the Board of Directors or such committee, or by the Chief Executive Officer, as the case may be. For the avoidance of doubt, such other officers and agents shall have the powers and perform the duties as are customarily incident to the position they hold.

SECTION 4.2. Term of Office. Each officer shall hold office until such officer's successor shall have been duly appointed and shall have qualified or until such officer's earlier death, resignation or removal.

SECTION 4.3. Chief Executive Officer. The Chief Executive Officer shall have the powers and perform the duties incident to that position. Subject to the powers of the Board of Directors and Section 3.11, he or she shall be in the general and active charge of the entire business and affairs of the Corporation and shall be its chief policy-making officer. The Chief Executive Officer shall report to the Executive Chair so long as there is an Executive Chair. The Chief Executive Officer is authorized to execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly and exclusively delegated by the Board of Directors to some other officer or agent of the Corporation. Subject to the authority of the Board of Directors, the Executive Chair and the provisions of the Certificate of Incorporation and these Bylaws, including Article X, the Chief Executive Officer is authorized to appoint one or more Vice Presidents (including, without limitation, Senior Vice Presidents) and/or a Treasurer. The Chief Executive Officer shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or as may be provided in these Bylaws. The Chief Executive Officer of the Corporation may also serve as President, if so appointed by the Board of Directors.

SECTION 4.4. President. The President of the Corporation shall have general charge of the business, affairs and property of the Corporation, and control over its officers, agents and employees; and shall see that all orders and resolutions of the Board of Directors, the Executive Chair and the Chief Executive Officer are carried into effect. The President shall, in the absence or disability of the Chief Executive Officer and the Executive Chair, act with all of the powers and be subject to all the restrictions of the Chief Executive Officer. The President is authorized to execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly and exclusively delegated by the Board of Directors to some other officer or agent of the Corporation. The President shall have such other powers and perform such other duties as may be prescribed by the Executive Chair, Chief Executive Officer or the Board of Directors or as may be provided in these Bylaws.

SECTION 4.5. Chief Financial Officer. The Chief Financial Officer shall act in an executive financial capacity. The Chief Financial Officer shall assist the Executive Chair, the Chief Executive Officer and the President in the general supervision of the Corporation's financial policies and affairs.

SECTION 4.6. Secretary. The Secretary shall keep or cause to be kept in one or more books provided for that purpose, the minutes of all meetings of the Board of Directors, the committees of the Board of Directors and the stockholders; the Secretary shall see that all notices are duly given in accordance with the provisions of these Bylaws and as required by applicable law; the Secretary shall be custodian of the records and the seal of the Corporation and affix and attest the seal to all stock certificates of the Corporation (unless the seal of the Corporation on such certificates shall be a facsimile, as hereinafter provided) and affix and attest the seal to all other documents to be executed on behalf of the Corporation under its seal; and the Secretary shall see that the books, reports, statements, certificates and other documents and records required by applicable law to be kept and filed are properly kept and filed; and in general, the Secretary shall perform all the duties incident to the office of Secretary and such other duties as from time to time may be assigned to such Secretary by the Board of Directors, the Executive Chair, the Chief Executive Officer or the President.

SECTION 4.7. Vice Presidents. Any Vice President shall have such powers and shall perform such duties as shall be assigned to such Vice President by the Board of Directors, the Executive Chair, the Chief Executive Officer or the President.

SECTION 4.8. Treasurer. Any Treasurer shall exercise general supervision over the receipt, custody and disbursement of corporate funds, shall cause the funds of the Corporation to be deposited in such banks as may be authorized by the Board of Directors, or in such banks as may be designated as depositories in the manner provided by resolution of the Board of Directors, and shall have such further powers and duties as shall be prescribed from time to time by the Board of Directors, the Executive Chair, the Chief Executive Officer or the President.

SECTION 4.9. Removal. Any officer or agent appointed by the Board of Directors may be removed from office at any time with or without cause by the affirmative vote of a majority of the Board of Directors then in office. Subject to Article X, any officer or agent appointed by the Chief Executive Officer may be removed by the Chief Executive Officer at any time with or without cause. No elected officer shall have any contractual rights against the Corporation for compensation by virtue of such election beyond the date of the election of his or her successor, his or her death, or his or her resignation or removal, whichever event shall first occur, except as otherwise provided in an employment contract or under an employee deferred compensation plan.

SECTION 4.10. Vacancies. Subject to Article X, a newly created elected office and a vacancy in any elected office because of death, resignation, or removal may be filled by the Board of Directors. Subject to Article X, any vacancy in an office appointed by the Chief Executive Officer because of death, resignation, or removal may be filled by the Chief Executive Officer.

ARTICLE V STOCK CERTIFICATES AND TRANSFERS

SECTION 5.1. Form. Shares of stock of the Corporation shall be represented by certificates, provided that the Board of Directors may provide by resolution that some or all of any or all classes or series of stock shall be uncertificated. Any such resolution shall not apply to shares represented by a certificate until such certificate is presented to the Corporation. If any shares of stock of the Corporation are represented by a certificate, every holder of stock in the Corporation represented by a certificate shall be entitled to have the certificate signed by, or in the name of, the Corporation by any two authorized officers of the Corporation representing the number of shares registered in certificate form. If the Board of Directors shall direct that any shares of stock of the Corporation shall be represented by certificates, the Chair of the Board, the Chief Executive Officer, the President, any Vice President, the Treasurer, if any, any Assistant Treasurer, the Corporate Secretary, any Assistant Corporate Secretary and any other officer designated by the Board of Directors shall be deemed to be authorized for purposes of this Section 5.1 to sign certificates representing shares of the Corporation's capital stock. Any or all of the signatures on any certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed, or whose facsimile signature or signatures have been placed on, any such certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may nevertheless be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

SECTION 5.2. Transfers. Stock of the Corporation shall be transferable in the manner prescribed by law and in these Bylaws. In the case of any shares represented by certificates, transfers of stock shall be made on the books of the Corporation only by the person named in the certificate or by his, her or its attorney lawfully constituted in writing and upon the surrender of the certificate therefor, which shall be canceled before a new certificate shall be issued. Upon the receipt of proper transfer instructions from the registered owner of uncertificated shares, such uncertificated shares shall be cancelled, issuance of new equivalent uncertificated shares shall be made to the stockholder entitled thereto and the transaction shall be recorded upon the books of the Corporation. If the Corporation has a transfer agent or registrar acting on its behalf, the signature of any officer or representative thereof may be in facsimile. The Board of Directors or the Chief Executive Officer may appoint a transfer agent and one or more co-transfer agents and registrar and one or more co-registrars and may make or authorize such agent to make all such rules and regulations deemed expedient concerning the issue, transfer and registration of shares of the Corporation's capital stock.

SECTION 5.3. Lost, Stolen or Destroyed Certificates. The Corporation may issue a new certificate or certificates or uncertificated shares in place of any certificate or certificates previously issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate to be lost, stolen, or destroyed. When authorizing such issue of a new certificate or certificates or uncertificated shares, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen, or destroyed certificate or certificates, or his or her legal representative, to give the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

SECTION 5.4. Fixing a Record Date for Stockholder Meetings. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) days nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be the close of business on the next day preceding the day on which notice is first given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting; and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance herewith at the adjourned meeting.

SECTION 5.5. Fixing a Record Date for Other Purposes. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment or any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of capital stock, or for the purposes of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

SECTION 5.6. Registered Stockholders. The Corporation may treat the registered owner of any shares of its stock as the person entitled to receive dividends, to vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner. The Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof.

**ARTICLE VI
INDEMNIFICATION**

SECTION 6.1. Indemnification.

(A) Each person who was or is a party to, or is otherwise threatened to be made a party to or is otherwise involved (including involvement as a witness) in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "Proceeding"), by reason of the fact that he or she or a person of whom he or she is the legal representative is or was, at any time during which this Bylaw is in effect (whether or not such person continues to serve in such capacity at the time any indemnification or advancement of expenses pursuant hereto is sought or at the time any Proceeding relating thereto exists or is brought), a director or officer of the Corporation or, while serving as a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, trustee, employee or agent of another corporation, or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by the Corporation (each such director or officer, a "Covered Person"), whether the basis of such Proceeding is alleged action in an official capacity as a director, officer, trustee, employee or agent or in any other capacity while serving as a director, officer, trustee, employee or agent, shall be (and shall be deemed to have a contractual right to be) indemnified and held harmless by the Corporation (and any successor of the Corporation by merger or otherwise) to the fullest extent permitted by the DGCL as the same exists or may hereafter be amended or modified from time to time (but, in the case of any such amendment or modification, only to the extent that such amendment or modification permits the Corporation to provide greater indemnification rights than the DGCL permitted the Corporation to provide prior to such amendment or modification), against all expenses, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person in connection with such Proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful; provided, however, that, except as provided in Section 6.3, the Corporation shall indemnify any such Covered Person seeking indemnification in connection with a Proceeding (or part thereof) initiated by such Covered Person only if such Proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The termination of any Proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(B) To obtain indemnification under this Article VI, a Covered Person shall submit to the Corporation a written request, including therein or therewith such documentation and information as is reasonably available to the Covered Person and as is reasonably necessary to determine whether and to what extent the Covered Person is entitled to indemnification. Upon written request by a Covered Person for indemnification pursuant to the first sentence of this Section 6.1(B), a determination, if required by applicable law, with respect to the Covered Person's entitlement thereto shall be made in the specific case (i) if a Change of Control (as defined in the Corporation's current equity compensation plan) shall have occurred, by Independent Counsel in a written opinion to the Board of Directors, a copy of which shall be delivered to the Covered Person, or (ii) if a Change in Control shall not have occurred, (A) by a majority vote of the Disinterested Directors, even though less than a quorum of the Board of Directors, (B) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum of the Board of Directors, (C) if there are no such Disinterested Directors or, if such Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board of Directors, a copy of which shall be delivered to the Covered Person, or (D) if so directed by the Board of Directors, by the stockholders of the Corporation. In the event the determination of entitlement to indemnification is to be made by Independent Counsel, the Independent Counsel shall be selected by (i) the Board of Directors if a Change of Control shall not have occurred or (ii) by the Covered Person if a Change of Control shall have occurred, unless the Covered Person shall request that such selection be made by the Board of Directors. If it is so determined that the Covered Person is entitled to indemnification, payment to the Covered Person shall be made within 10 days after such determination.

(C) To the extent that a Covered Person is a party to or a participant in and is successful (on the merits or otherwise) in defense of any action, suit or proceeding, the Corporation shall indemnify the Covered Person against all expenses actually and reasonably incurred by the Covered Person or on the Covered Person's behalf in connection therewith. To the extent permitted by applicable law, if the Covered Person is not wholly successful in such action, suit or proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such action, suit or proceeding, the Corporation shall indemnify the Covered Person to the fullest extent permitted by applicable law against all expenses actually and reasonably incurred by the Covered Person or on the Covered Person's behalf in connection with or related to each successfully resolved claim, issue or matter.

SECTION 6.2. Advance of Expenses. To the fullest extent permitted by the DGCL as the same exists or may hereafter be amended or modified from time to time (but, in the case of any such amendment or modification, only to the extent that such amendment or modification permits the Corporation to provide greater rights to advancement of expenses than the DGCL permitted the Corporation to provide prior to such amendment or modification), each Covered Person shall have (and shall be deemed to have a contractual right to have) the right, without the need for any action by the Board of Directors, to be paid by the Corporation (and any successor of the Corporation by merger or otherwise) the expenses incurred in connection with any Proceeding in advance of its final disposition, such advances to be paid by the Corporation within twenty (20) days after the receipt by the Corporation of a statement or statements from the claimant requesting such advance or advances from time to time; provided, that if the DGCL requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not, except to the extent specifically required by applicable law, in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter, the "Undertaking") by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right of appeal (a "final disposition") that such director or officer is not entitled to be indemnified for such expenses under this Bylaw or otherwise.

SECTION 6.3. Claims. If a determination by the Corporation that the Covered Person is entitled to indemnification pursuant to this Article VI is required, and the Corporation fails to respond within sixty (60) days to a written request for indemnification, the Corporation shall be deemed to have approved the request. If the Corporation denies a written request for indemnification or advance of expenses to a Covered Person, in whole or in part, or if payment in full pursuant to such request is not made within forty-five (45) days after a written claim submitted pursuant to Section 6.1(b) of these Bylaws (or, in the case of an advance of expenses, twenty (20) days after provision of a statement pursuant to Section 6.2 of these Bylaws and any required Undertaking), the right to indemnification or advances as granted by this Article VI shall be enforceable by such Covered Person in any court of competent jurisdiction. Such Covered Person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation. It shall be a defense to any such action (other than an action brought to enforce a claim for the advance of expenses where the Undertaking, if required by the DGCL, has been tendered to the Corporation) that the Covered Person has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the Covered Person for the amount claimed, but the burden of such defense shall be on the Corporation. Neither the failure of the Corporation (including by its Board of Directors, Independent Counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the Covered Person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including by its Board of Directors, Independent Counsel or its stockholders) that the Covered Person has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the Covered Person has not met the applicable standard of conduct.

SECTION 6.4. Non-Exclusivity of Rights. The rights conferred on any person in this Article VI, shall not be exclusive of any other right that such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote or consent of stockholders or the Board of Directors. In addition, nothing in this Article VI shall limit the ability of the Corporation, in its discretion, to indemnify or advance expenses to persons whom the Corporation is not obligated to indemnify or advance expenses pursuant to this Article VI. The Board of Directors shall have the power to delegate to such officer or other person as the Board of Directors shall specify the determination of whether indemnification shall be given to any person pursuant to this Section 6.4.

SECTION 6.5. Insurance. The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss asserted against him or her and incurred by him or her in any such capacity, whether or not the Corporation would have the power to indemnify such person against such expenses, liability or loss under the DGCL.

SECTION 6.6. Indemnification Contracts. The Board of Directors is authorized to cause the Corporation to enter into indemnification contracts with any director, officer, employee or agent of the Corporation, or any person serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including employee benefit plans, providing indemnification rights to such person. Such rights may be greater than those provided in this Article VI.

SECTION 6.7. Continuation of Indemnification. The rights to indemnification and to advancement of expenses provided by, or granted pursuant to, this Article VI shall continue notwithstanding that the person has ceased to be a Covered Person and shall inure to the benefit of his or her estate, heirs, executors, administrators, legatees and distributees; provided, however, that, except as set forth in Section 6.3, the Corporation shall indemnify any such person seeking indemnity in connection with a Proceeding (or part thereof) initiated by such person only if such Proceeding (or part thereof) was authorized by the Board of Directors.

SECTION 6.8. Effect of Amendment or Repeal. The provisions of this Article VI shall constitute a contract between the Corporation, on the one hand, and, on the other hand, each individual who serves or has served as a Covered Person (whether before or after the adoption of these Bylaws), in consideration of such person's performance of such services, and pursuant to this Article VI, the Corporation intends to be legally bound to each such current or former Covered Person. With respect to current and former Covered Persons, the rights conferred under this Article VI are present contractual rights and such rights are fully vested, and shall be deemed to have vested fully, immediately upon adoption of these Bylaws. With respect to any Covered Persons who commence service following adoption of these Bylaws, the rights conferred under this Article VI shall be present contractual rights, and such rights shall fully vest, and be deemed to have vested fully, immediately upon such Covered Person's service in the capacity which is subject to the benefits of this Article VI.

SECTION 6.9. Notice. Any notice, request or other communication required or permitted to be given to the Corporation under this Article VI shall be in writing and either delivered in person or sent by telecopy, overnight mail or courier service, or certified or registered mail, postage prepaid, return receipt requested, to the Secretary of the Corporation and shall be effective only upon receipt by the Secretary.

SECTION 6.10. Severability. If any provision or provisions of this Article VI shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (1) the validity, legality and enforceability of the remaining provisions of this Article VI (including, without limitation, each portion of any paragraph of this Article VI containing any such provision held to be invalid, illegal or unenforceable, that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (2) to the fullest extent possible, the provisions of this Article VI (including, without limitation, each such portion of any paragraph of this Article VI containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

SECTION 6.11. Definitions. For purposes of this Article VI:

(A) "Disinterested Director" means a director of the Corporation who is not and was not a party to the matter in respect of which indemnification is sought by the Covered Person;

(B) "Independent Counsel" means a law firm, a member of a law firm, or an independent practitioner, that is experienced in matters of corporation law and shall include any person who, under the applicable standards of professional conduct then prevailing, would not have a conflict of interest in representing either the Corporation or the Covered Person in an action to determine the Covered Person's rights under this Article VI.

ARTICLE VII MISCELLANEOUS PROVISIONS

SECTION 7.1. Fiscal Year. The fiscal year of the Corporation shall begin on the first (1st) day of January and end on the thirty-first (31st) day of December of each year. The Board of Directors shall have the power, from time to time, to fix the fiscal year of the Corporation by a duly adopted resolution.

SECTION 7.2. Dividends. The Board of Directors may from time to time declare, and the Corporation may pay, dividends on its outstanding shares in the manner and upon the terms and conditions provided by law and the Certificate of Incorporation.

SECTION 7.3. Seal. The corporate seal, if the Corporation shall have a corporate seal, shall have inscribed thereon the words "Corporate Seal, Delaware," the name of the Corporation and the year of its organization. The seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced.

SECTION 7.4. Waiver of Notice. Whenever any notice is required to be given to any stockholder or director of the Corporation under the provisions of the DGCL, the Certificate of Incorporation or these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to such notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Neither the business to be transacted at, nor the purpose of, any annual or special meeting of the stockholders or the Board of Directors or committee thereof need be specified in any waiver of notice of such meeting.

SECTION 7.5. Resignations. Any director or any officer, whether elected or appointed, may resign at any time by giving written notice of such resignation to the Chair of the Board of Directors, the Chief Executive Officer, or the Secretary, and such resignation shall be deemed to be effective as of the close of business on the date said notice is received by the Chair of the Board of Directors, the Chief Executive Officer, or the Secretary, or at such later time as is specified therein. Except to the extent specified in such notice, no formal action shall be required of the Board of Directors or the stockholders to make any such resignation effective.

ARTICLE VIII CONTRACTS, PROXIES, ETC.

SECTION 8.1. Contracts. In addition to the powers otherwise granted to officers pursuant to Article IV hereof, the Board of Directors or Chief Executive Officer may authorize any officer or officers, or any agent or agents, of the Corporation to enter into any contract or to execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances. Without limiting the foregoing, unless otherwise provided by resolution adopted by the Board of Directors, the Chief Executive Officer, the President, the Secretary and the Treasurer may enter into any contract or execute and deliver any instrument in the name and on behalf of the Corporation.

Companies to Host Joint Conference Call Today at 8:30 a.m. ET / 7:30 a.m. CT

ST. LOUIS and CANONSBURG, Pa. – August 21, 2024 – Arch Resources, Inc. (“Arch”) (NYSE: ARCH) and CONSOL Energy Inc. (“CONSOL”) (NYSE: CEIX) today announced that they have entered into a definitive agreement to combine in an all-stock merger of equals to create Core Natural Resources, a premier North American natural resource company focused on global markets.

Core Natural Resources will be a leading producer and exporter of high-quality, low-cost coals with offerings ranging from metallurgical to high calorific value thermal coals. With mining operations and terminal facilities across six states, the combined company will own 11 mines, including one of the largest, lowest cost, and highest calorific value thermal coal mining complexes in North America and one of the largest, lowest cost, and highest quality metallurgical coal mine portfolios in the United States. In addition, the combined company will have access to global markets via ownership interests in two export terminals on the U.S. Eastern seaboard, along with strategic connectivity to ports on the West Coast and Gulf of Mexico. Arch and CONSOL sold an aggregate of approximately 101 million tons of coal in 2023 to steelmaking, industrial, and power-generation customers. Pro forma, Core Natural Resources would have a market capitalization of approximately \$5.2 billion as of August 19, 2024, and on a pro forma basis for 2023, revenues were approximately \$5.7 billion and adjusted EBITDA¹ was approximately \$1.8 billion, excluding expected synergies.

Jimmy Brock, Chairman and Chief Executive Officer of CONSOL, said, “We are excited to bring our companies together to create a new industry leader that is ideally positioned to meet the rising demand for critical resources and energy around the world. Our assets are highly complementary, resulting in increased diversification across coal types, end uses, and geographies. In addition, Core Natural Resources is expected to have a strong balance sheet, ample liquidity, and robust free cash flow to deliver industry-leading capital returns. We look forward to working closely together to continue meeting the world’s steel, infrastructure, and energy needs that are so critical to our everyday lives and to capture the significant benefits and long-term value we believe this merger will create for our stockholders, employees, customers, and the communities in which we live and operate.”

Paul Lang, Chief Executive Officer of Arch, said, “This merger will join two proven leadership teams and best-in-sector operating platforms to establish a premier North American coal producer with worldwide reach and world-class mining and logistics capabilities. Core Natural Resources will enjoy the benefits of CONSOL’s growing seaborne thermal business focused on industrial applications coupled with Arch’s significant exposure to attractive global metallurgical coal markets. Together, we expect to realize meaningful operating synergies through the optimization of support functions, greatly enhanced marketing opportunities, and a significantly expanded logistics network, which will enhance our ability to deliver coal reliably and efficiently to our global customers. Importantly, both companies are driven by a deep commitment to safety, environmental and social stewardship and operating excellence, and we will continue to build around these commitments as we work to deliver superior value to stockholders.”

¹ Arch defines adjusted EBITDA as net income before the effect of net interest expense, income taxes, depreciation, depletion and amortization, accretion on asset retirement obligations and nonoperating expenses; CONSOL defines adjusted EBITDA as (i) net income (loss) plus income taxes, interest expense and depreciation, depletion, and amortization, as adjusted for (ii) certain non-cash items, such as stock-based compensation and loss on debt extinguishment excellence, and we will continue to build around these commitments as we work to deliver superior value to stockholders.”

Strategic and Financial Benefits of the Proposed Merger

- **High-quality coal portfolio underpinned by eight low-cost, long-lived longwalls:** The merger will create a diversified coal producer with a broad portfolio of high-quality metallurgical and thermal coals focused on seaborne markets where the business is highly contracted. More than 35 Mtpa of this coal will be produced by a best-in-sector portfolio of longwall operations at CONSOL's Pennsylvania Mining Complex and Arch's Leer, Leer South and West Elk mines.
- **Greater diversification across multiple growth markets and geographies with little, if any, overlap:** The ability of Core Natural Resources to provide a range of coal qualities and blends will enable it to serve a more diverse customer base across multiple growth markets and geographies. For example, metallurgical coal produced by the combined company is a key input in the production of new steel from blast furnaces. Blast furnace steel constitutes 70% of the world's steel output. Metallurgical coal is expected to remain in strong demand for decades to come, as new steel will be essential in supporting the world's growing population, ongoing economic development, continued urbanization, and the build-out of a low-carbon economy. Furthermore, the high calorific value thermal coal mined by the combined company is increasingly sought after in industrial markets. On a pro forma basis in 2023, Core Natural Resources would have delivered more than 25 Mtpa to support key end-use applications, including cement production and other industrial uses, as well as to serve resurgent power generation demand driven by AI, data centers, and EV expansion. In addition, CONSOL Innovations provides the ability to focus on developing and commercializing cutting edge technologies in carbon products and carbon management.
- **Expands North American logistics and export capabilities to serve growing global customer base:** Core Natural Resources will have an ownership interest in approximately 25 Mtpa of export coal capacity across two marine export terminals on the U.S. Eastern seaboard and have strategic connectivity to ports on the West Coast and Gulf of Mexico. The potential to optimize this expanded export capacity and logistics capabilities is expected to enhance reliable, efficient coal delivery to global customers.
- **Accretive to cash flows:** The transaction is expected to be accretive to free cash flow for both Arch and CONSOL in the first full year following close.
- **Expected significant value creation from anticipated cost savings and operational synergies:** The combination is expected to generate \$110 million to \$140 million of annual cost and operational synergies within six to 18 months following the close of the transaction, primarily from logistics optimization, coal blending and related opportunities, as well as procurement and SG&A efficiencies.
- **Anticipated strong cash flow and balance sheet expected to deliver substantial capital returns:** On a pro forma basis, excluding the impact of synergies, Core Natural Resources would have generated approximately \$1.4 billion of free cash flow² in 2023, and would have had a net cash³ position of approximately \$260 million as of June 30, 2024. Its strong cash flow and balance sheet is expected to provide significant financial flexibility and improved access to capital to support robust capital returns in a wide range of market environments as well as value creating investments. Discretionary cash flow is expected to be returned to stockholders via share buybacks and a potential modest sustaining dividend.
- **Shared values and stakeholder commitments to support smooth integration:** Both Arch and CONSOL have among the best safety records and lowest incident rates in the mining industry, and as a combined company, safety, compliance, and continuous improvement will remain core values. Core Natural Resources will maintain a strong, diverse workforce and provide competitive compensation and comprehensive benefits programs, consistent with its objective of being an employer of choice where it operates. As a larger, stronger organization, Core Natural Resources is expected to have an enhanced ability to retain, attract, and develop its people. Environmental stewardship, innovation, and ongoing community support will continue to be prioritized.

² Free Cash Flow ("FCF") is a non-GAAP financial measure and is defined as Adjusted EBITDA – CapEx

³ Defined as cash, cash equivalents and short-term investments – total debt

Four directors will be selected by Arch, including Mr. Lang and Richard Navarre, currently Independent Chairman of the Arch Board, who will serve as Lead Independent Director on the Core Natural Resources Board.
