Ladies and Gentlemen:

Introductory. Arch Coal, Inc., a Delaware corporation (the “**Company**”), proposes to issue and sell to the several Initial Purchasers named in Schedule A hereto (the “**Initial Purchasers**”), acting severally and not jointly, the respective amounts set forth in such Schedule A of \$350,000,000 aggregate principal amount of the Company’s 8.000% Senior Secured Second Lien Notes due 2019 (the “**Notes**”). Merrill Lynch, Pierce, Fenner & Smith Incorporated has agreed to act as the representative of the several Initial Purchasers (in such capacity, the “**Representative**”) in connection with the offering and sale of the Securities (the “**Offering**”).

The Securities are to be issued pursuant to an indenture, to be dated as of the Closing Date (the “**Indenture**”), among the Company, the Guarantors (as defined below), UMB Bank National Association, as trustee (in such capacity, the “**Trustee**”) and as collateral agent (in such capacity, the “**Collateral Agent**”). The Notes will be issued in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the “**Depository**”), pursuant to a Letter of Representations, previously executed (the “**DTC Agreement**”), between the Company and the Depository.

The payment of principal of, premium, if any, and interest on the Notes will be fully and unconditionally guaranteed on a senior unsecured basis, jointly and severally by (i) each of the Company’s subsidiaries listed in Schedule B hereto, and (ii) any subsidiary of the Company formed or acquired after the Closing Date that executes a supplemental indenture in

Purchase Agreement

accordance with the terms of the Indenture, and their respective successors and assigns (collectively, the “**Guarantors**”), pursuant to their guarantees (the “**Guarantees**”). The Notes and the Guarantees are herein collectively referred to as the “**Securities**.”

The Notes will be secured by second-priority liens over substantially all present and after-acquired assets of the Company and the Guarantors as described in the Offering Memorandum (the “**Collateral**”) pursuant to the Second Lien Security Agreement, dated on or about the Closing Date (the “**Security Agreement**”), the Pledge and Security Agreement, dated on or about the Closing Date, (the “**Pledge Agreement**”), the Intercreditor Agreement, dated on or about the Closing Date (the “**Intercreditor Agreement**”) and certain other security deposits, assignments, pledges, mortgages, deeds of trust, deeds to secure debt and other agreements or instruments evidencing or creating security in favor of the Collateral Agent (collectively, the “**Security Documents**”).

The Company previously issued \$600,000,000 in aggregate principal amount of 8.750% Senior Notes due 2016 (the “**2016 Notes**”) pursuant to an indenture, dated as of July 31, 2009 (the “**2016 Notes Indenture**”), among the Company, the guarantors party thereto, and U.S. Bank National Association, as trustee. In connection with the Offering, the Company has commenced (a) a tender offer to purchase for cash any and all of the outstanding 2016 Notes and (b) a solicitation of consents from the holders of the 2016 Notes to amend the 2016 Notes Indenture. The tender offer for the 2016 Notes and the related solicitation of consents to amend the 2016 Notes Indenture are collectively referred to herein as the “**Tender Offer**.” The Company has engaged Merrill Lynch, Pierce, Fenner & Smith Incorporated to act as dealer manager and solicitation agent in connection with the Tender Offer pursuant to a Dealer Manager and Solicitation Agent Agreement dated December 2, 2013.

Concurrently with the consummation of the Offering, the Company intends to enter into an amendment to its existing Amended and Restated Credit Agreement, dated as of June 14, 2011, by and among the Company, the lenders party thereto, PNC Bank, National Association, as administrative agent and first lien agent (the “**First Lien Agent**”) and Bank of America, N.A., The Royal Bank of Scotland PLC and Citibank, N.A., as co-documentation agents, as amended and supplemented through the date hereof, to increase the amount of its term loan facility from \$1.65 billion to \$1.95 billion by adding an incremental \$300 million Term Loan B (the “**New Term Loan B**”) and to reduce the aggregate commitments under its senior secured credit facility from \$350 million to \$250 million (collectively, the “**Financing Transactions**”). The Offering is conditioned on the consummation of the Financing Transactions.

The Company understands that the Initial Purchasers propose to make an offering of the Securities on the terms and in the manner set forth herein and in the Pricing Disclosure Package (as defined below) and agrees that the Initial Purchasers may resell, subject to the conditions set forth herein, all or a portion of the Securities to purchasers (the “**Subsequent Purchasers**”) on the terms set forth in the Pricing Disclosure Package (the first time when sales of the Securities are made is referred to as the “**Time of Sale**”). Commission promulgated thereunder), in reliance upon exemptions therefrom. Pursuant to the terms of the Securities and the Indenture, investors who acquire Securities shall be deemed to have agreed that Securities may only be resold or otherwise transferred, after the date hereof, if such Securities are registered for sale under the Securities Act or if an exemption from the registration requirements of the Securities Act is available (including the exemptions afforded by Rule 144A under the Securities Act (“**Rule 144A**”) or Regulation S under the Securities Act (“**Regulation S**”).

The Preliminary Offering Memorandum and the Pricing Supplement, taken together, are herein referred to as the “**Pricing Disclosure Package**.” Promptly after this Agreement is executed and delivered, the Company will prepare and deliver to each Initial Purchaser a final offering memorandum dated the date hereof (the “**Final Offering Memorandum**”).

(e) *Initial Purchasers as Qualified Institutional Buyers.* Each Initial Purchaser severally and not jointly represents and warrants to, and agrees with, the Company that it is a “qualified institutional buyer” within the meaning of Rule 144A (a “**Qualified Institutional Buyer**”).

Except as provided for or allowed herein, the Company will not amend or supplement the Preliminary Offering Memorandum or the Pricing Supplement. Before making, using, authorizing, approving or distributing any Company Additional Written Communication, the Company will furnish to the Representative a copy of such written communication for review and will not make, use, authorize, approve or distribute any such written communication to which the Representative reasonably objects.

(b) *Amendments and Supplements to the Final Offering Memorandum and Other Securities Act Matters.* If, prior to the later of (x) the Closing Date and (y) the completion of the placement of the Securities by the Initial Purchasers with the Subsequent Purchasers, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Final Offering Memorandum, as then amended or supplemented, in order to make the statements therein, in the light of the circumstances when the Final Offering Memorandum is delivered to a Subsequent Purchaser, not misleading, or if in the judgment of the Representative or counsel for the Initial Purchasers it is otherwise necessary to amend or supplement the Final Offering Memorandum to comply with law, the Company agrees to promptly prepare (subject to Section 3 hereof), file with the Commission and furnish at its own expense to the Initial Purchasers, amendments or supplements to the Final Offering Memorandum so that the statements in the Final Offering Memorandum as so amended or supplemented will not, in the light of the circumstances at the Closing Date and at the time of sale of Securities to a Subsequent Purchaser, be misleading or so that the Final Offering Memorandum, as amended or supplemented, will comply with all applicable law.

None of the Company or any of the Guarantors shall be required to qualify as a foreign corporation or limited liability company, as the case may be, or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign corporation or limited liability company, as the case may be. The Company will advise the Representative promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Securities for offering, sale or trading in any jurisdiction or any initiation or known

threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, each of the Company and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal thereof at the earliest possible moment.

Additionally, at any time when the Company is not subject to Section 13 or 15 of the Exchange Act, for the benefit of holders and beneficial owners from time to time of the Securities, the Company shall furnish, at its expense, upon request, to holders and beneficial owners of Securities and prospective purchasers of Securities information (“**Additional Issuer Information**”) satisfying the requirements of Rule 144A(d).

(j) *No Integration.* The Company agrees that it will not and will cause its Affiliates not to make any offer or sale of securities of the Company of any class if, as a result of the doctrine of “integration” referred to in Rule 502 under the Securities Act, such offer or sale would render invalid (for the purpose of (i) the sale of the Securities by the Company to the Initial Purchasers, (ii) the resale of the Securities by the Initial Purchasers to Subsequent Purchasers or (iii) the resale of the Securities by such Subsequent Purchasers to others) the exemption from the registration requirements of the Securities Act provided by Section 4(2) thereof or by Rule 144A or by Regulation S thereunder or otherwise.

(k) *Compliance with Sarbanes-Oxley Act.* The Company will comply with all applicable securities and other laws, rules and regulations, including, without limitation, the Sarbanes-Oxley Act, and use its best efforts to cause the Company’s directors and officers, in their capacities as such, to comply with such laws, rules and regulations, including, without limitation, the provisions of the Sarbanes-Oxley Act.

(l) *No Restricted Resales.* During the period of one year after the Closing Date, the Company will not, and will not permit any of its affiliates (as defined in Rule 144 under the Securities Act) to resell any of the Notes which constitute “restricted securities” under Rule 144 that have been reacquired by any of them.

(m) *Legended Securities.* Each certificate for a Note will bear the legend contained in “Notice to Investors” in the Preliminary Offering Memorandum for the time period and upon the other terms stated in the Preliminary Offering Memorandum.

(n) *No Manipulation of Price.* The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the Exchange Act or otherwise, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Securities.

20

The Representative, on behalf of the several Initial Purchasers, may, in their sole discretion, waive in writing the performance by the Company or any Guarantor of any one or more of the foregoing covenants or extend the time for their performance.

(a) *Accountants’ Comfort Letter.* On the date hereof, the Representative shall have received from Ernst & Young LLP, independent public or certified public accountants for the Company, a letter dated the date hereof addressed to the Initial Purchasers, in form and substance satisfactory to the Representative with respect to the audited and unaudited financial statements and certain financial information contained in the Preliminary Offering Memorandum and other customary matters.

(i) in the judgment of the Representative there shall not have occurred any change having a Material Adverse Effect; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Company or any of its subsidiaries or any of their securities or indebtedness by any “nationally recognized statistical rating organization” as such term is defined under Section 3 of the Exchange Act.

(d) *Opinion of Counsel for the Company.* On the Closing Date, the Representative shall have received the favorable opinions of (i) Robert G. (i) *Security Documents.* At the Closing Date, the Security Agreement, the Pledge Agreement and the Intercreditor Agreement, in the form and substance reasonably satisfactory to the Initial Purchasers, shall have been duly executed and delivered by the Company and the Guarantors (to the extent each is a party thereto) and be in full force and effect.

(j) *Perfection of Security Interest.* The Representative shall have obtained evidence and assurance satisfactory to it that, except as otherwise permitted under the Security Documents or the Indenture, concurrently with the issuance of the Notes and the application of the proceeds thereof, the Collateral Agent shall have a valid and perfected second-priority security interest in respect of all Collateral described in the Security Documents to the extent liens on such Collateral can be perfected by the filing of financing statements, possession or filings with the United States Patent and Trademark Officer or the United States Copyright Office.

(k) *Additional Documents.* On or before the Closing Date, the Representative and counsel for the Initial Purchasers shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the

23

part of any party to any other party, except that Sections 4, 6, 9, 10, 12 and 16 shall at all times be effective and shall survive such termination.

Section 6. *Reimbursement of Initial Purchasers' Expenses.* If this Agreement is terminated by the Representative pursuant to Section 5 or Section 11, or if the sale to the Initial Purchasers of the Securities on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof, the Company agrees to reimburse the Representative and the other Initial Purchasers, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Representative and the Initial Purchasers in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, reasonable fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

Section 7. *Offer, Sale and Resale Procedures.* Each of the Initial Purchasers, on the one hand, and the Company and each of the Guarantors, on the other hand, hereby agree to observe the following procedures in connection with the offer and sale of the Securities:

(b) The Securities will be offered by approaching prospective Subsequent Purchasers on an individual basis. No general solicitation or general advertising (within the meaning of Rule 502 under the Securities Act) will be used in the United States in connection with the offering of the Securities.

(c) Upon original issuance by the Company, and until such time as the same is no longer required under the applicable requirements of the Securities Act, the Notes (and all securities issued in exchange therefor or in substitution thereof) shall bear the following legend:

“THE NOTES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR ANY STATE SECURITIES LAWS. NEITHER THIS NOTE NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS SUCH TRANSACTION IS EXEMPT FROM, OR NOT SUBJECT TO, REGISTRATION AS SET FORTH BELOW. Following the sale of the Securities by the Initial Purchasers to Subsequent Purchasers pursuant to the terms hereof, the Initial Purchasers shall not be liable or responsible to the Company for any losses, damages or liabilities suffered or incurred by the Company, including any losses, damages or liabilities under the Securities Act, arising from or relating to any resale or transfer of any Security.

Section 8. *Effectiveness of this Agreement.* This Agreement shall not become effective until the execution of this Agreement by the parties hereto.

Section 9. *Indemnification.*

(a) *Indemnification of the Initial Purchasers.* Each of the Company and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Initial Purchaser, its directors, officers, employees, agents and affiliates, and each person, if any, who controls any Initial Purchaser within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Initial Purchaser, director, officer, employee, affiliate or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company or without the written consent of the Company in accordance with Section 9(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based: (i) upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the

25

circumstances under which they were made, not misleading; (ii) in whole or in part upon any inaccuracy in the representations and warranties of the Company contained herein; or (iii) in whole or in part upon any failure of the Company to perform its obligations hereunder or under law; or (iv) upon any act or failure to act or any alleged act or failure to act by any Initial Purchaser in connection with, or relating in any manner to, the offering contemplated hereby, and which is included as part of or referred to in any loss, claim, damage, liability or action arising out of or based upon any matter covered by clause (i) above, provided that the Company and the Guarantors shall not be liable under this clause (iv) to the extent that a court of competent jurisdiction shall have determined by a final judgment that such loss, claim, damage, liability or action resulted directly from any such acts or failures to act undertaken or omitted to be taken by such Initial Purchaser through its gross negligence or willful misconduct; and to reimburse each Initial Purchaser and each such director, officer, employee, affiliate or controlling person for any and all expenses (including the fees and disbursements of counsel chosen by Merrill Lynch, Pierce, Fenner & Smith Incorporated) as such expenses are reasonably incurred by such Initial Purchaser or such director, officer, employee, affiliate or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information furnished to the Company in writing by any Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 9(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company and the Guarantors.* Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each Guarantor, each of their respective directors (or managers, as the case may be), each of their respective employees and each person, if any, who controls the Company or any Guarantor within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, any Guarantor or any such director (or manager, as the case may be), officer or employee or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Initial Purchaser or without the written consent of such Initial Purchaser in accordance with Section 9(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto), in reliance upon and in conformity with information

26

in writing furnished to the Company by any Initial Purchaser through the Representative expressly for use therein; and to reimburse the Company, any Guarantor and each such director (or manager, as the case may be), officer or employee or controlling person for any and all expenses (including the fees and disbursements of counsel chosen by the Company) as such expenses are reasonably incurred by the Company, any Guarantor or such director (or manager, as the case may be), officer or employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. Each of the Company and the Guarantors hereby acknowledges that the only information that the Initial Purchasers have furnished to the Company through the Representative expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum (or any amendment or supplement thereto) are the statements set forth in the first two paragraphs under the caption "Plan of Distribution — Short Positions" in the Preliminary Offering Memorandum and the Final Offering Memorandum. The indemnity agreement set forth in this Section 9(b) shall be in addition to any liabilities that each Initial Purchaser may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof, but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party for contribution or otherwise under the indemnity agreement contained in this Section 9 other than to the extent it is prejudiced as a proximate result of such failure. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice

from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 9 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel), approved by the indemnifying party (Merrill Lynch, Pierce, Fenner & Smith Incorporated in the case of Sections 9(b) and 10 hereof), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the

indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) *Settlements.* The indemnifying party under this Section 9 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 9, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request or disputed in good faith the indemnified party's entitlement to such reimbursement prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

Section 10. *Contribution.* If the indemnification provided for in Section 9 hereof is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the statements or omissions or inaccuracies in the representations and warranties herein which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the Guarantors, and the total discount received by the Initial Purchasers bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or

omission or alleged omission to state a material fact or any such inaccurate or alleged inaccurate representation or warranty relates to information supplied by the Company and the Guarantors, on the one hand, or the Initial Purchasers, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or inaccuracy.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 9(c), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 9(c) with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 10; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 9 hereof for purposes of indemnification.

The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 10 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 10.

Notwithstanding the provisions of this Section 10, no Initial Purchaser shall be required to contribute any amount in excess of the discount received by such Initial Purchaser in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations to contribute pursuant to this Section 10 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule A. For purposes of this Section 10, each director, officer and employee of an Initial Purchaser and each person, if any, who controls an Initial Purchaser within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Initial Purchaser, and each director (or manager, as the case may be), officer or employee of the Company or any Guarantor, and each person, if any, who controls the Company or any Guarantor within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company and the Guarantors.

Section 11. *Termination of this Agreement.* Prior to the Closing Date, this Agreement may be terminated by the Representative by notice given to the Company if at any time (i) trading or quotation in any of the Company's securities shall have been suspended or limited by the Commission or by the NYSE, or trading in securities generally on either the Nasdaq Stock Market or the NYSE shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchanges by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any of federal or New York or Delaware authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international

29

political, financial or economic conditions, as in the judgment of the Representative is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities in the manner and on the terms described in the Pricing Disclosure Package or the Final Offering Memorandum or to enforce contracts for the sale of securities; (iv) in the judgment of the Representative there shall have occurred any Material Adverse Effect; (v) the Company shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Representative may interfere materially with the conduct of the business and operations of the Company regardless of whether or not such loss shall have been insured; or (vi) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services. Any termination pursuant to this Section 11 shall be without liability of any party to any other party except as provided in Sections 4 and 6 hereof, and provided further that Sections 4, 6, 9, 10, 12, 16, 18 and 19 shall survive such termination and remain in full force and effect.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Guarantors and the several Initial Purchasers, or any of them, with respect to the subject matter hereof. The Company and each Guarantor hereby waive and release, to the fullest extent permitted by law, any claims that the Company or such Guarantor may have against the several Initial Purchasers with respect to any breach or alleged breach of agency or fiduciary duty.

Section 12. *Representations and Indemnities to Survive Delivery.* The respective indemnities, agreements, representations, warranties and other statements of the Company, the Guarantors, their respective officers and the several Initial Purchasers set forth in or made pursuant to this Agreement (i) will remain operative and in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Initial Purchaser, the officers or employees of any Initial Purchaser, or any person controlling any Initial Purchaser, the Company, any Guarantor or any of the officers or employees of the Company or the Guarantors, or any person controlling the Company or the Guarantors, as the case may be, and (ii) will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

Section 17. *Default of One or More of the Several Initial Purchasers.* If, on the Closing Date, any one or more of the several Initial Purchasers shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on such date, and the aggregate principal amount of Securities, which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase does not exceed 10% of the aggregate principal amount of the Securities to be purchased on such date, the other Initial Purchasers shall be obligated, severally, in the proportion to the aggregate principal amounts of Securities set forth opposite their respective names on Schedule A bears to the aggregate principal amount of such Securities set forth opposite the names of all such non-defaulting Initial Purchasers, or in such other proportions as may be specified by the Representative with the consent of the non-defaulting Initial Purchasers, to purchase such Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase on such date. If, on the Closing Date, any one or more of the Initial Purchasers shall fail or refuse to purchase such Securities and the aggregate principal amount of Securities with respect to which such default occurs exceeds 10% of the aggregate principal amount of Securities to be purchased on such date, and arrangements satisfactory to the Representative and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 4, 6, 9, 10, 12 and 16 shall at all times be effective and shall survive such termination. In any such case, either the Representative or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days in order that the required changes, if any, to the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Information or the Final Offering Memorandum or any other documents or arrangements may be effected.

As used in this Agreement, the term “Initial Purchaser” shall be deemed to include any person substituted for a defaulting Initial Purchaser under this Section 17. Section 18. *No Fiduciary Duty.* The Company and each Guarantor acknowledge and agree that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and such Guarantor, on the one hand, and the several Initial Purchasers, on the other

32

hand, and the Company and such Guarantor are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Initial Purchaser is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company, the Guarantors or any of their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Initial Purchaser has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company or such Guarantor with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising the Company or such Guarantor on other matters) and no Initial Purchaser has any obligation to the Company or such Guarantor with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Initial Purchasers and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Guarantors and that the several Initial Purchasers have no obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Initial Purchasers have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and the Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

Section 19. *General Provisions.* This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile, email or other electronic transmission (i.e., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement may not be amended or

modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The Section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement.

Each of the parties hereto acknowledges that it is a sophisticated business person who was adequately represented by counsel during negotiations regarding the provisions hereof, including, without limitation, the indemnification provisions of Section 9 and the contribution provisions of Section 10, and is fully informed regarding said provisions. Each of the parties hereto further acknowledges that the provisions of Sections 9 and 10 hereto fairly allocate the risks in light of the ability of the parties to investigate the Company, its affairs and its business in order to assure that adequate disclosure has been made in the Preliminary Offering Memorandum, the Pricing Disclosure Package and the Final Offering Memorandum (and any amendments and supplements thereto), as required by the Securities Act and the Exchange Act.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to the Company the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Arch Coal Announces Pricing of \$350 Million Senior Secured Second Lien Notes Offering

ST. LOUIS, Dec. 12, 2013 —Arch Coal, Inc. (NYSE:ACI) today announced the pricing of \$350 million aggregate principal amount of its 8.000% Senior Secured Second Lien Notes due 2019 (the “2019 Notes”) at an issue price of 100% of principal amount. The offering was upsized to \$350 million from the previously announced \$300 million due to strong demand. Arch will pay interest on the 2019 Notes on January 15 and July 15 of each year, beginning on July 15, 2014.

As previously announced, the 2019 Notes will be secured on a second priority basis, subject to certain exceptions and permitted liens, by the assets of Arch and Arch’s subsidiaries that guarantee indebtedness under Arch’s existing senior secured credit facility on a first priority basis. Such subsidiaries will guarantee the 2019 Notes on a senior secured basis.

The 2019 Notes will be offered only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act. The offering is subject to market and other customary conditions.

Arch intends to use the net proceeds from the offering of the 2019 Notes, together with the net proceeds of a Term Loan B facility it expects to complete substantially concurrently with the closing of the offering of 2019 Notes and cash on hand, to fund the purchase of any and all of its outstanding 8.750% Senior Notes due 2016 (the “2016 Notes”) in its previously announced tender offer and consent solicitation (the “Tender Offer”) and the redemption of any of the 2016 Notes that remain outstanding if Arch purchases less than all of the outstanding 2016 Notes in the Tender Offer.

This press release is being issued pursuant to Rule 135c under the Securities Act, and is not an offer to sell, a solicitation of an offer to sell or a solicitation of an offer to buy any securities. The 2019 Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or applicable exemption from registration requirements.

The terms and conditions of the Tender Offer are described in an Offer to Purchase and Consent Solicitation Statement, dated December 2, 2013 (the “Statement”), and a related Consent and Letter of Transmittal, which have been sent to holders of the 2016 Notes. This news release is not an offer to purchase, a solicitation of an offer to sell or a solicitation of consents with respect to any securities. The Tender Offer is made only by, and pursuant to the terms of, the Statement and the related Consent and Letter of Transmittal. In addition, this news release does not constitute a notice of redemption of the 2016 Notes under the optional redemption provisions of the indenture governing the 2016 Notes.

Forward-Looking Statements: This press release contains “forward-looking statements” — that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, particular uncertainties arise from changes in the demand for our coal by the domestic electric generation industry; from legislation and regulations relating to the Clean Air Act and other environmental initiatives; from operational, geological, permit, labor and weather-related factors; from fluctuations in the amount of cash we generate from operations; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. For a description of some of the risks and uncertainties that may affect our future results, you should see the risk factors described from time to time in the reports we file with the Securities and Exchange Commission.

 FOR IMMEDIATE RELEASE

Arch Coal Announces Receipt of Commitments for Amendments to its Revolver and Term Loan Credit Facility

ST. LOUIS, Dec. 12, 2013 —Arch Coal, Inc. (NYSE:ACI) announced today it has received the requisite commitments from lenders for amendments to its senior secured credit facility. Upon closing of the amendments to the senior secured credit facility, Arch would increase its term loan facility from \$1.63 billion to \$1.93 billion with the addition of an incremental \$300 million Term Loan B. The company expects to complete the amendments and close and fund the incremental Term Loan B on Dec. 17, 2013. The closing of the amendments and the funding of the incremental Term Loan B is conditioned upon entrance into definitive documents and other customary closing conditions.

Arch intends to use the net proceeds from the offering of the previously announced 8% Senior Secured Second Lien Notes due 2019 (the “2019 Notes”), together with the net proceeds from the Term Loan B facility and cash on hand, to fund the purchase of any and all of its outstanding 8.750% Senior Notes due 2016 (the “2016 Notes”) in its previously announced tender offer and consent solicitation (the “Tender Offer”) and the redemption of any of the 2016 Notes that remain outstanding if Arch purchases less than all of the outstanding 2016 Notes in the Tender Offer.

In addition, the amendments would reduce the aggregate revolving credit commitments under the facility from \$350 million to \$250 million. Further, certain financial covenants would be eliminated for the duration of the credit facility, and the net senior secured leverage ratio would be deferred until June 30, 2015 and significantly relaxed thereafter.

In conjunction with these referenced transactions, Arch plans to reset the amount of dividends on its common stock to \$0.01 per share per annum beginning in 2014.

This press release is not an offer to sell, a solicitation of an offer to sell or a solicitation of an offer to buy any securities. The 2019 Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or applicable exemption from registration requirements.

The terms and conditions of the Tender Offer are described in an Offer to Purchase and Consent Solicitation Statement, dated December 2, 2013 (the “Statement”), and a related Consent and Letter of Transmittal, which have been sent to holders of the 2016 Notes. This news release is not an offer to purchase, a solicitation of an offer to sell or a solicitation of consents with respect to any securities. The Tender Offer is made only by, and pursuant to the terms of, the Statement and the related Consent and Letter of Transmittal. In addition, this news release does not constitute a notice of redemption of the 2016 Notes under the optional redemption provisions of the indenture governing the 2016 Notes.
